Fifty years of tradition equals fifty years of Castlemont High School history. In this the 1979-80 school year the Castle turned

## Golden

The job of telling Castlemont's story in pictures is a big one. The pictures you see, and the stories we tell cover the Castle's Knight life in a contemporary, urban setting compared with stories of the Castle's Knight life in the settings of the past

Volume 50

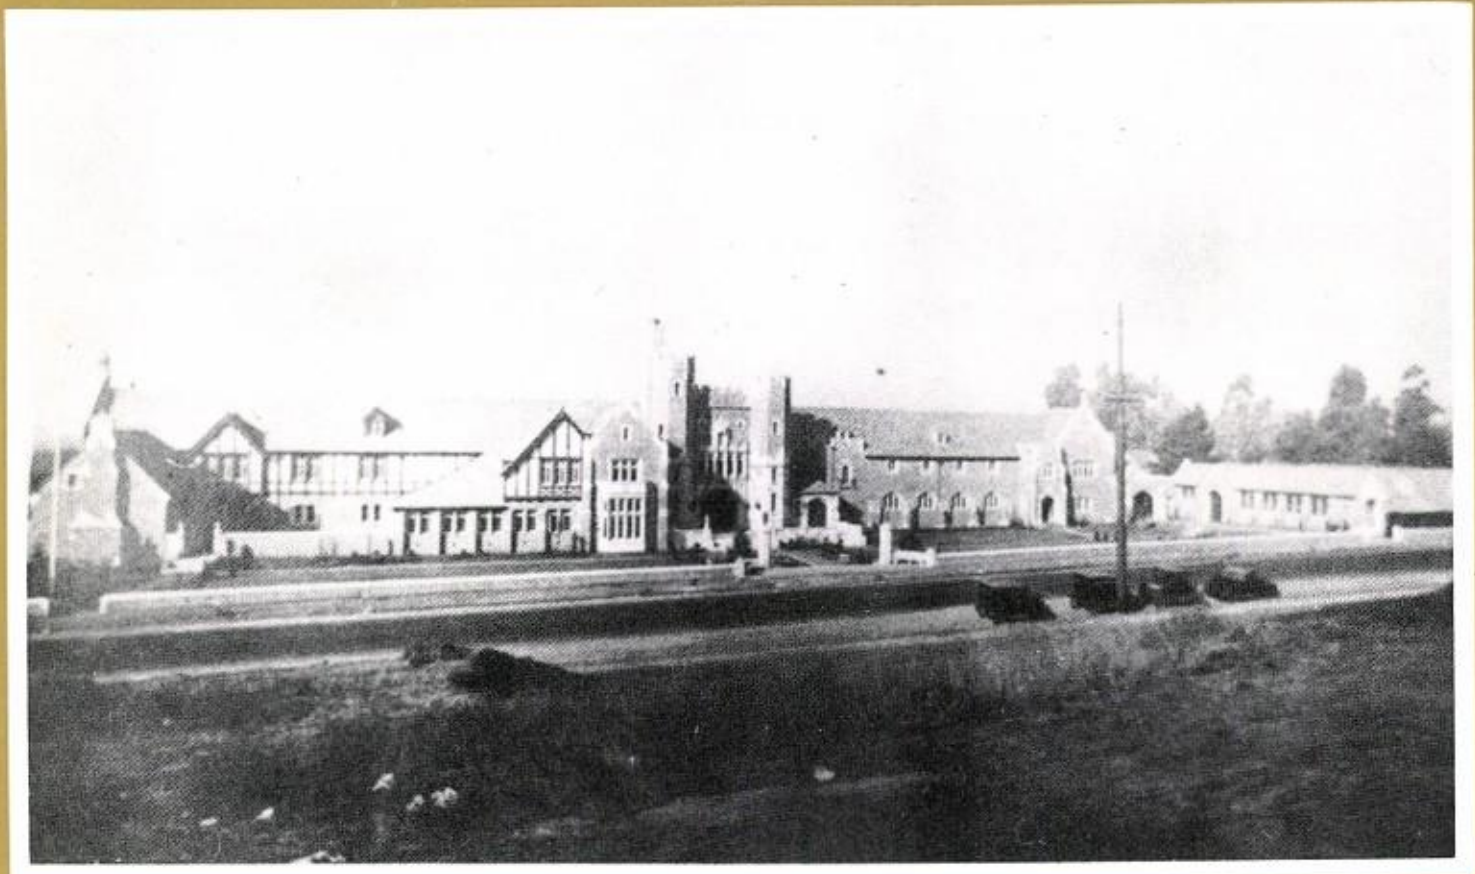

When the stock market crashed on October 29, 1929, Americans were left to deal with the depression years ahead. Yet less than two weeks later on November 15 in Oakland, California East Oakland High was officially opened to deal with the years ahead. Built with the intent to hold the influx of students migrating from San Francisco, East Oakland High made a striking impression in the Eastmont Community.

Architects Chester Miller and Carl Warnecke designed the stately medieval Tudor, English styled building and George Peterson Contractors built it at a cost of \$559,284.35. The school's total ground area consisted of and still consists of 10 acres. The building capacity could accomodate 1,500 pupils.

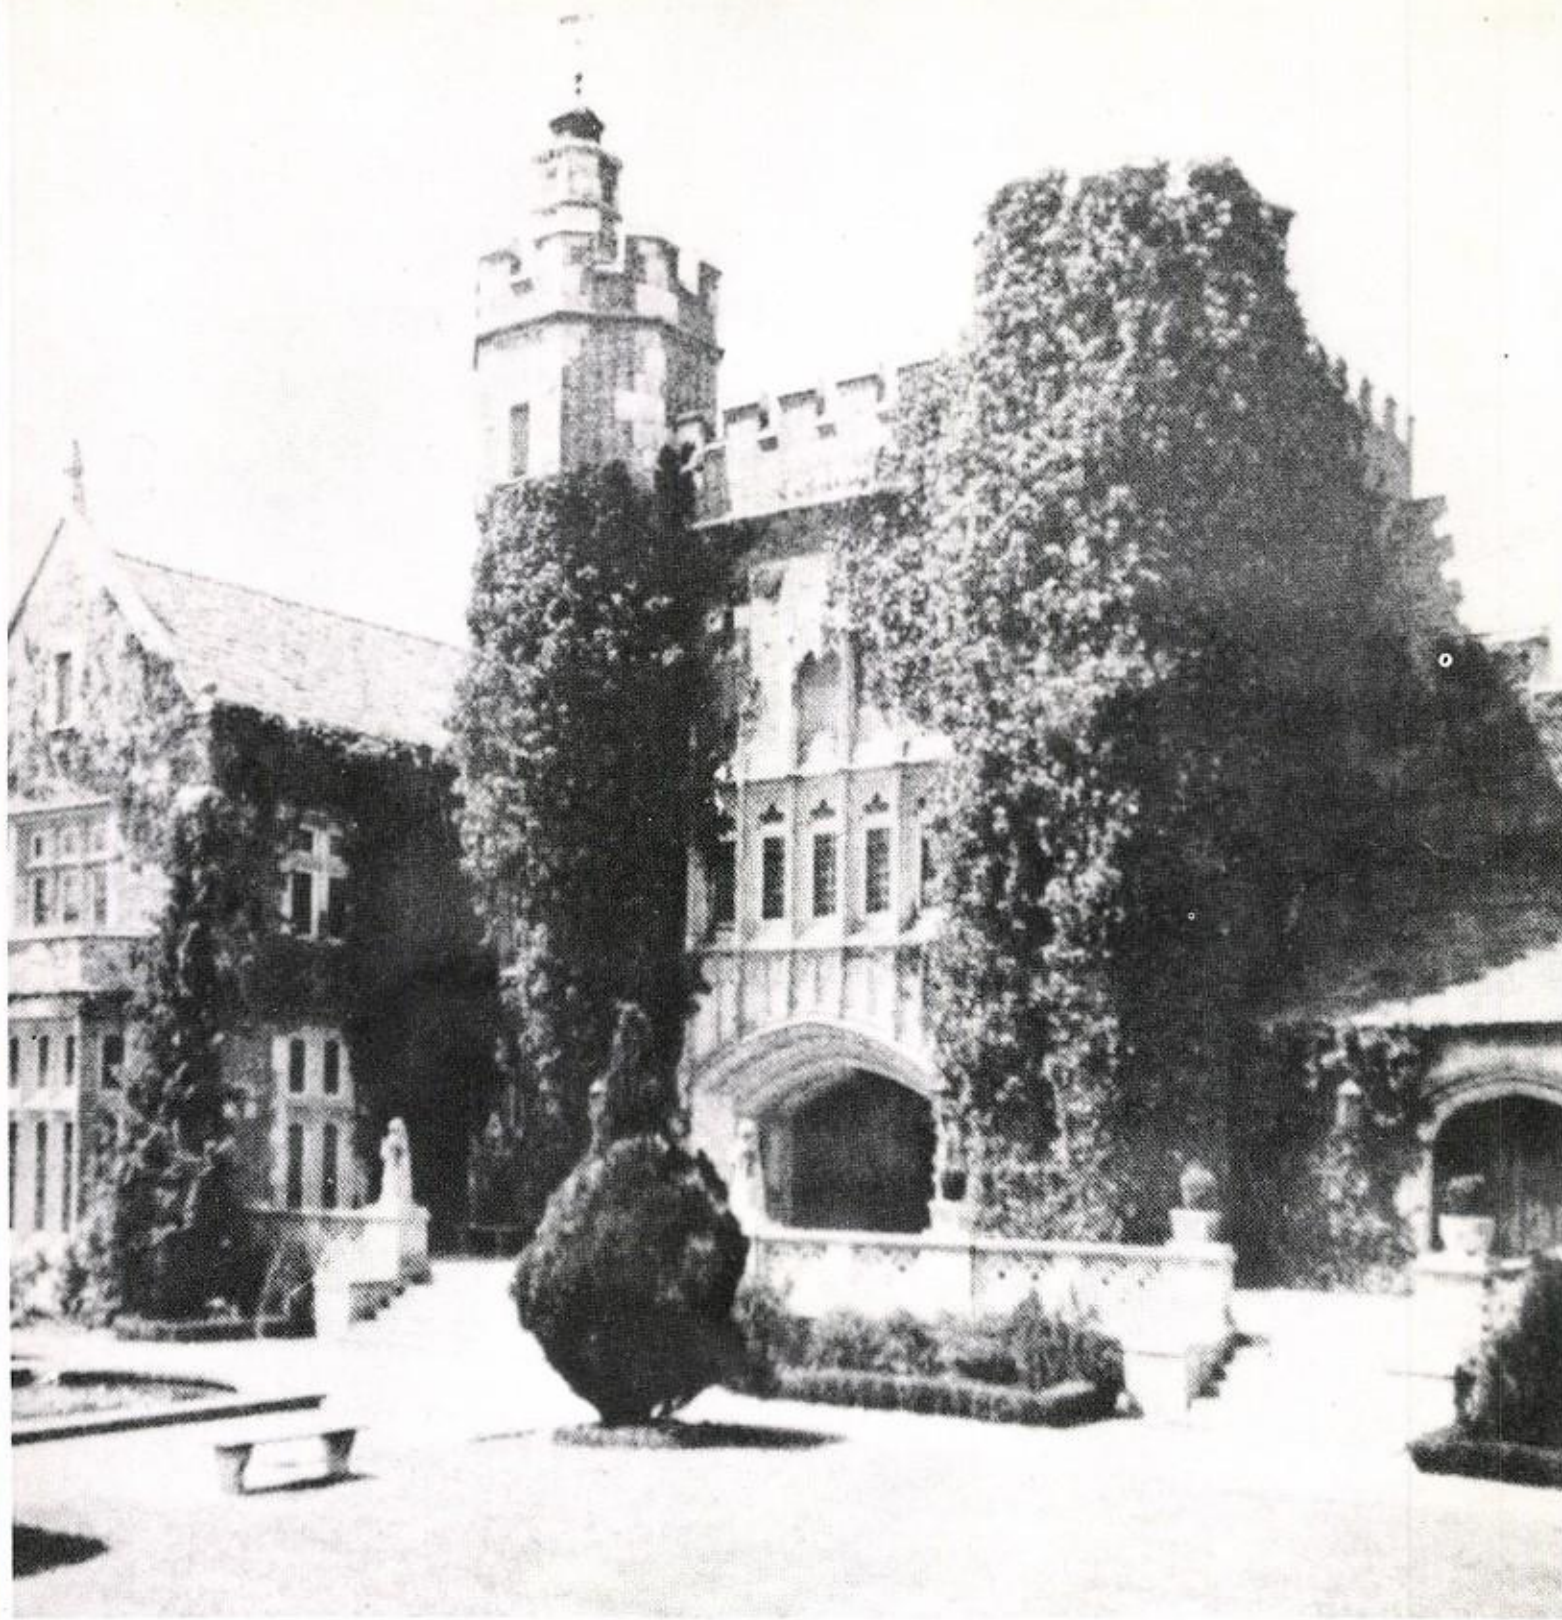

Because of its castle like appearance East Oakland High was fondly called

## The Castle

In January, 1930 John C. Fremont High School was destroyed by fire; East Oakland High became not only the home of Knights but the temporary one of the Tigers too. Rumors have it that Castlemont was officially called such because of its looking like a castle and the concern of making the Fremont students welcome by taking on "mont" from fre-mont. Thus the complete name Castlemont.

Starting with this bit of history and lots more we present in an explosive celebration the Castle's

of this 1980 Falcon include pictures that tell many stories.

In looking at these pictures you'll see Knights as typical high school students.

1. Everette takes a snooze. 2. Daniel takes it all in 3. A junior thinks and thinks and thinks 4. Deetra cuts things up 5. Dexter has a reaction to an action 6. Student hears every one of his teacher's words.

Knight life in the classrooms may consist of many emotions-bewilderment, anxiety, pride and thoughtfulness. For every eager and active student there's even a bored one now and then. The urge not to close one's eyes while thinking is too great. Still one can consider this gearing up for the next class. But all in all, Knight life leads to plenty of

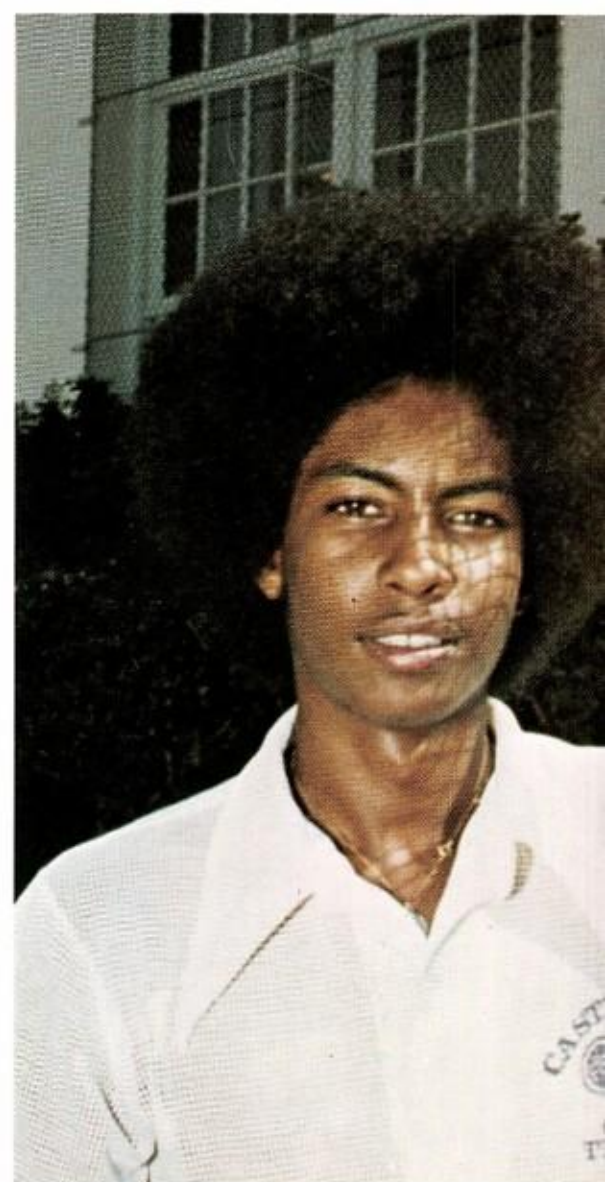

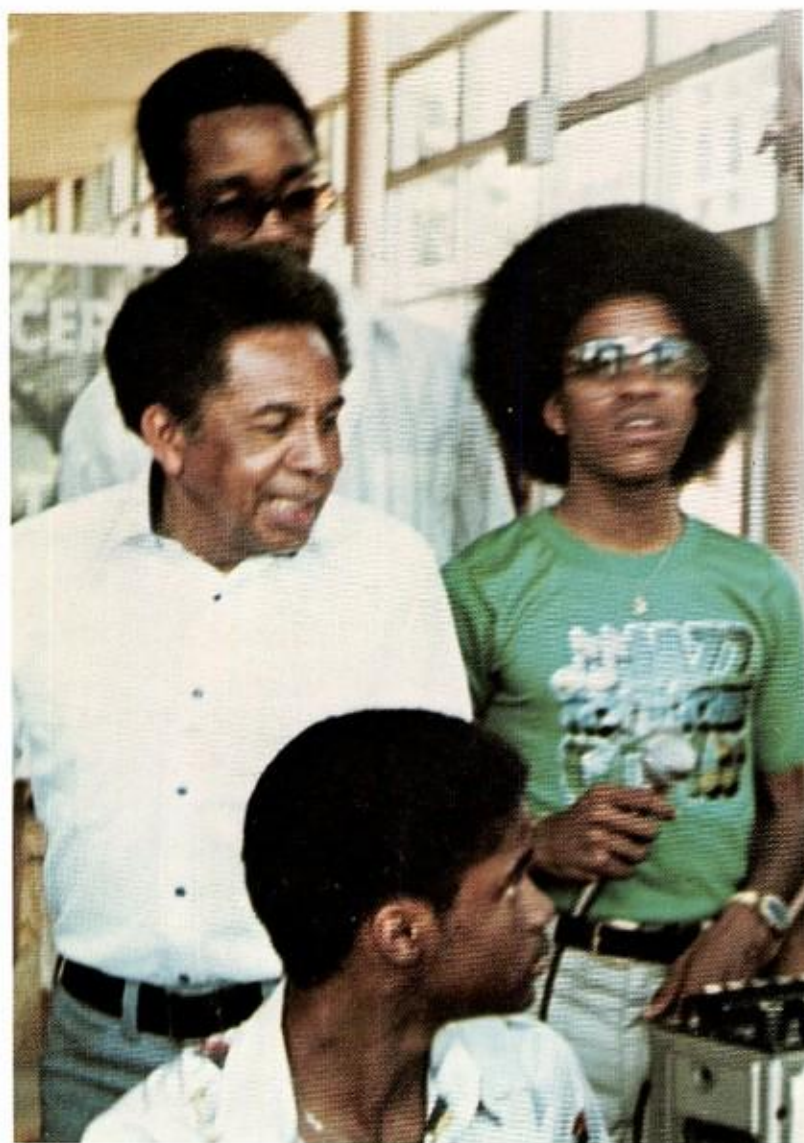

**excitement**

# Seniors

are the fiftieth June graduating class for the Castle. Like all classes before theirs they were typical. The buttons, T-shirts, attitudes, talk and walks all reeked of the mighty senior pride- pride in the class and pride in the purple.

1. Susan is concentrating. 2. Brett, Phillip, Herman, and Nate with equipment and Mr. Brown. 3. Cheryl flashes a smile. 4. Antoine waves a raquet. 5. Seniors graduation night. 6. Diane burnin in the kitchen. 7. Micheal blows hot air.

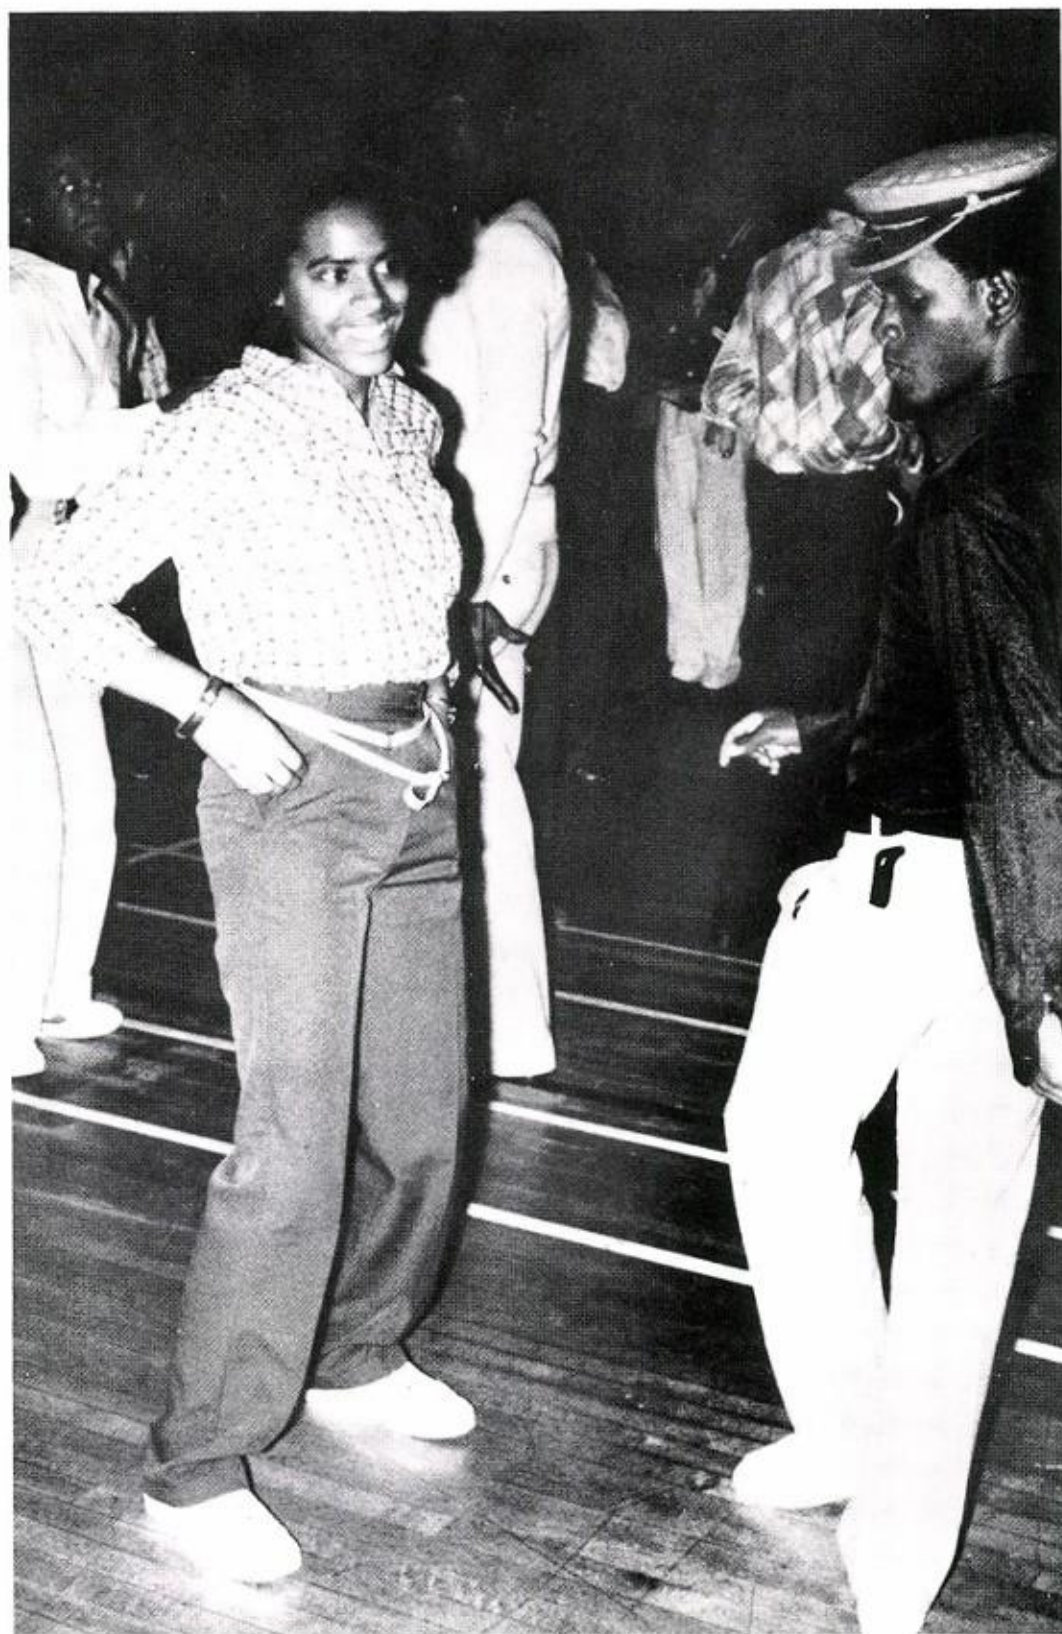

## Knee Deep

in activities, the Knights found things to keep them busy besides class work. Whether it was backgammon at lunch, plays or fashion shows in the evening, discoing at clubs like New Age, strolls around Lake Merritt or watching a TV show like Soap, doing things was it.

Being a teenager in the '70's and '80's means liking fast foods, being entertained, and allowed the freedom to discover what one wants. Styles told the tale-slit skirts, keen toed pumps, happy coats, cowboy hats, designer-insignia "anything", cuffed jeans and slacks and the big favorite jeri-curved hair. Tasty food goodies were Taco Bell entrees and pizza of any kind-hold the anchovies. Knights of these times will be known as anxious, eager kids. Full of

## fun

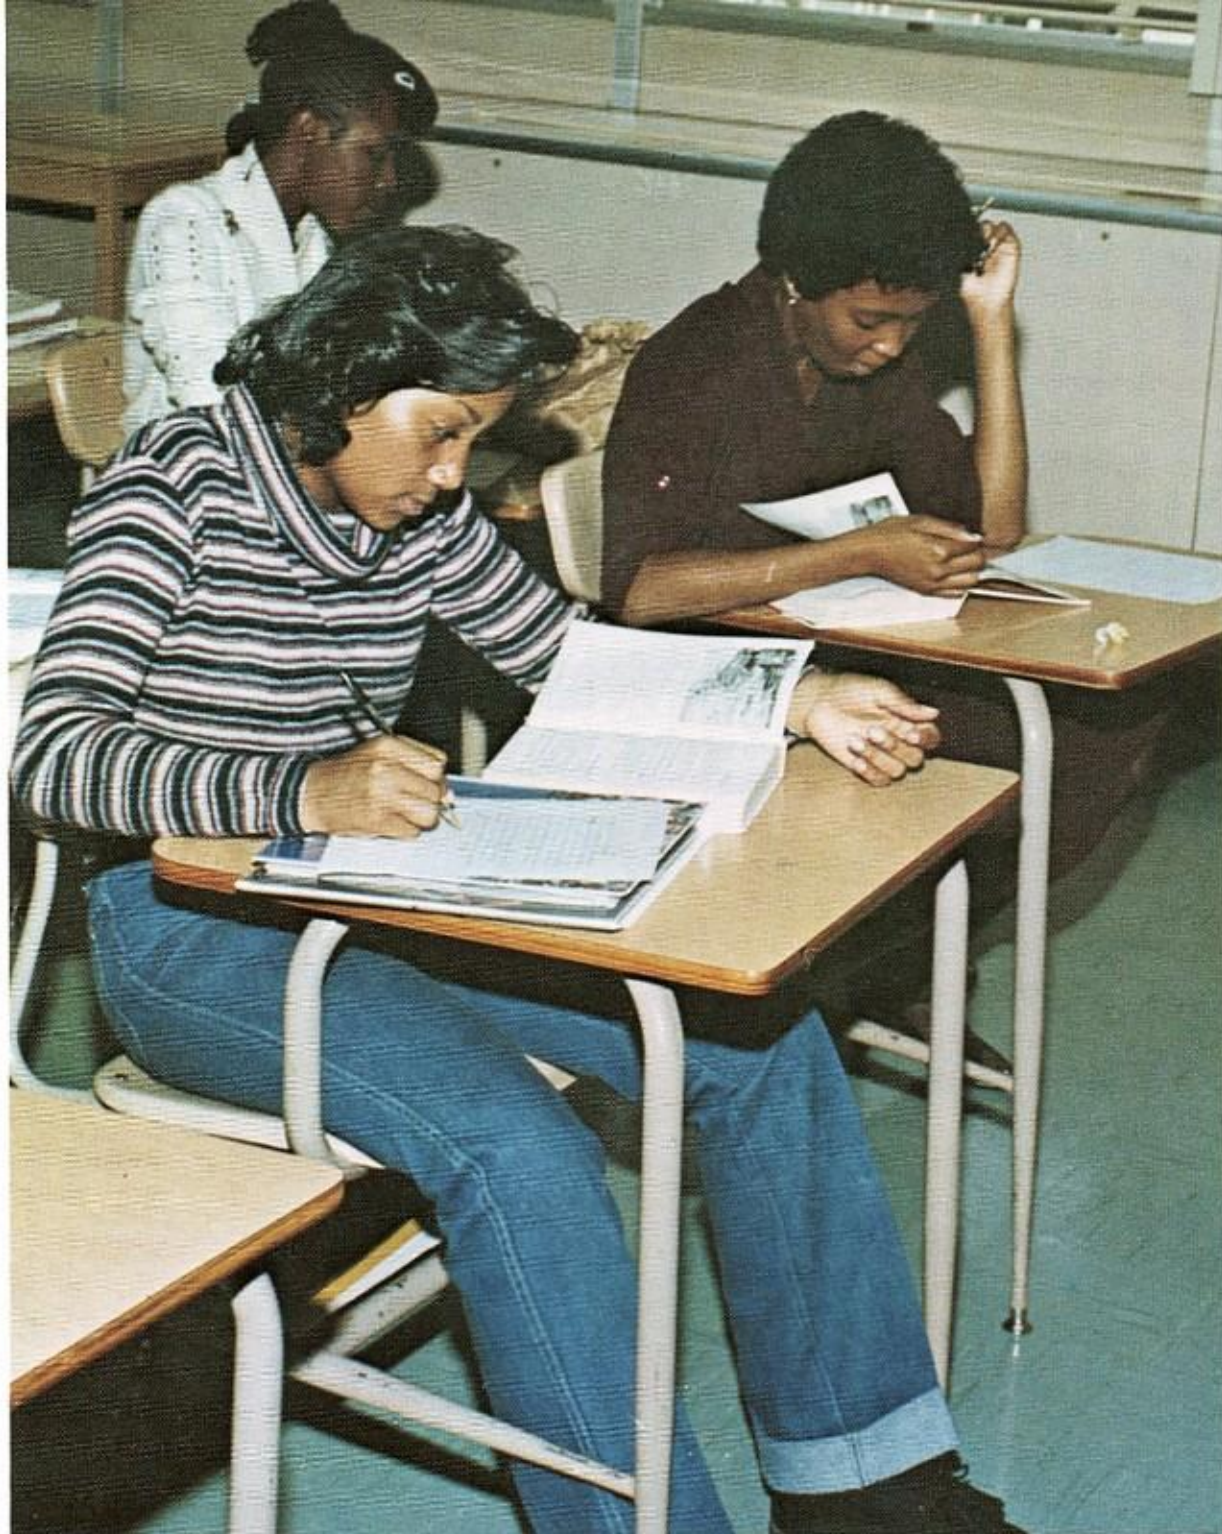

1. Sophs do the "LA" walk 2. Pam shows her stuff 3. A serious actress 4. Disco dancers 5. Doretha at the carnival 6. Natalie beatin' a friend in a game of 'gammon

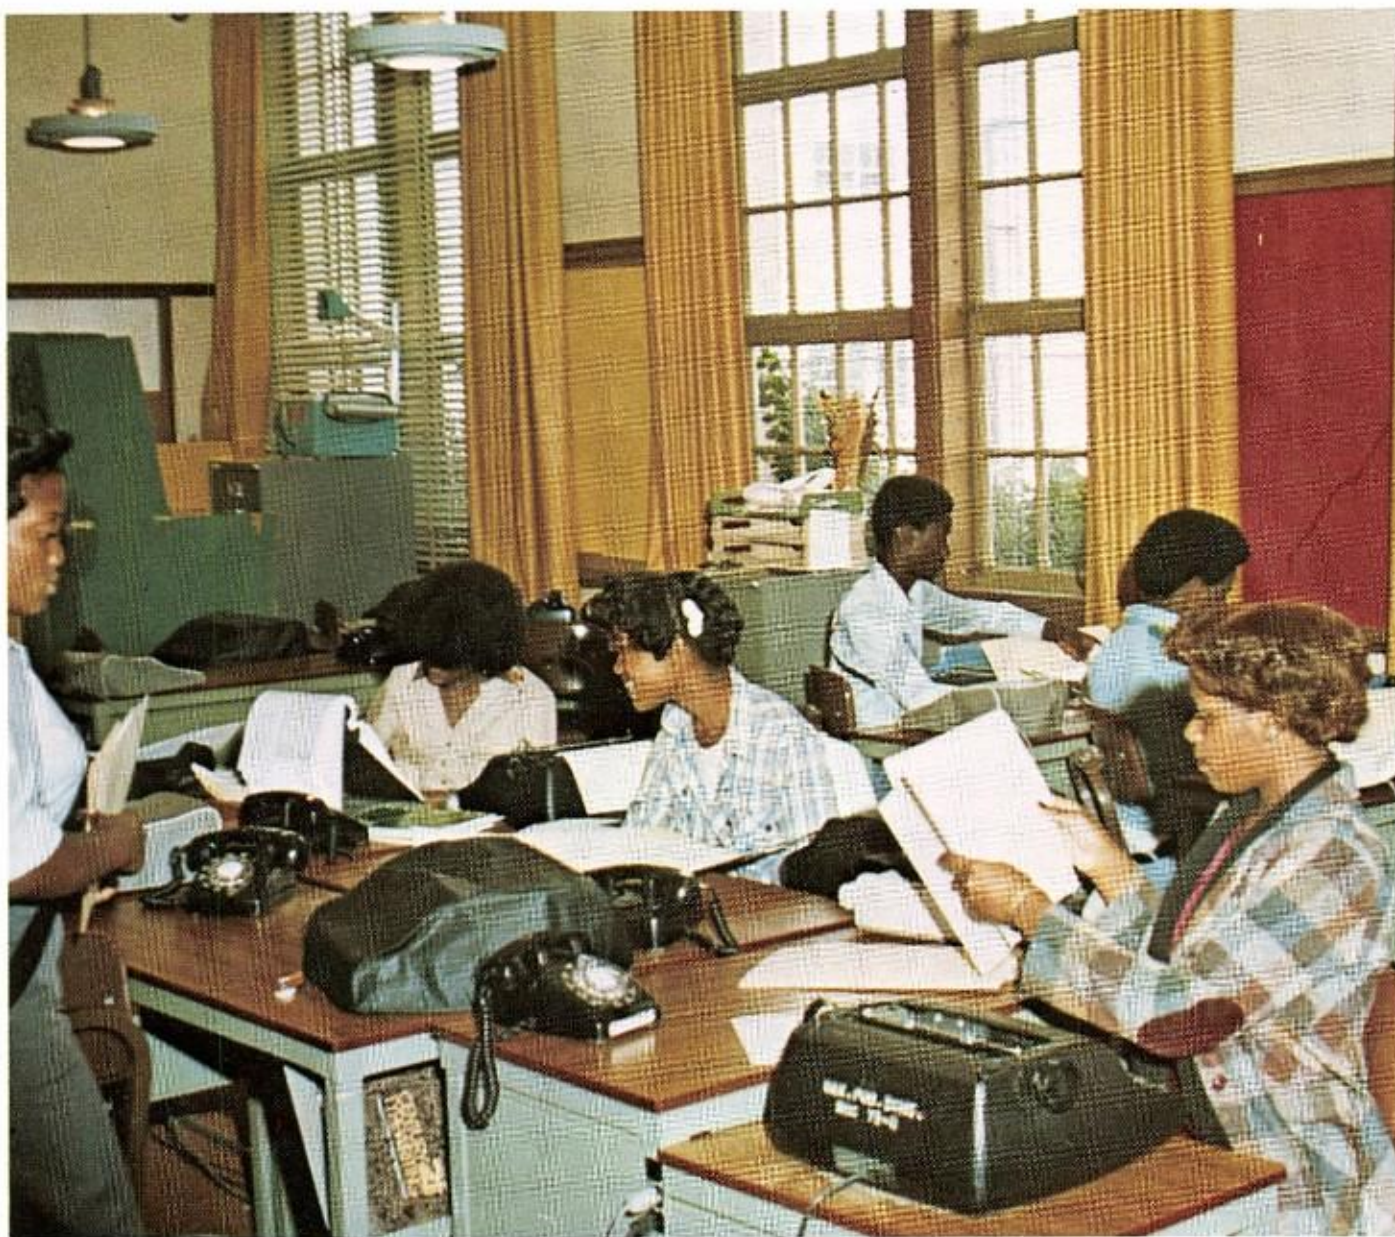

## Learnin'

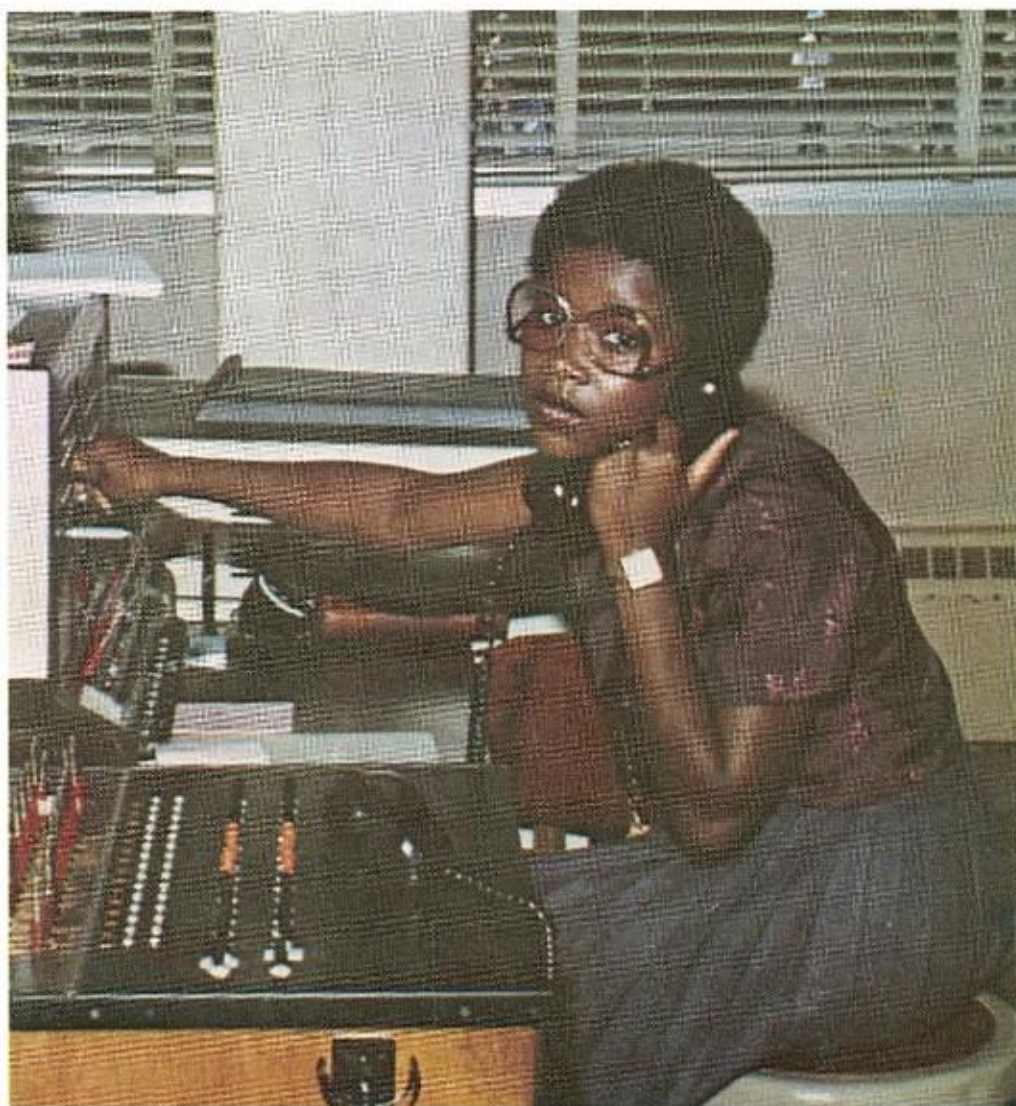

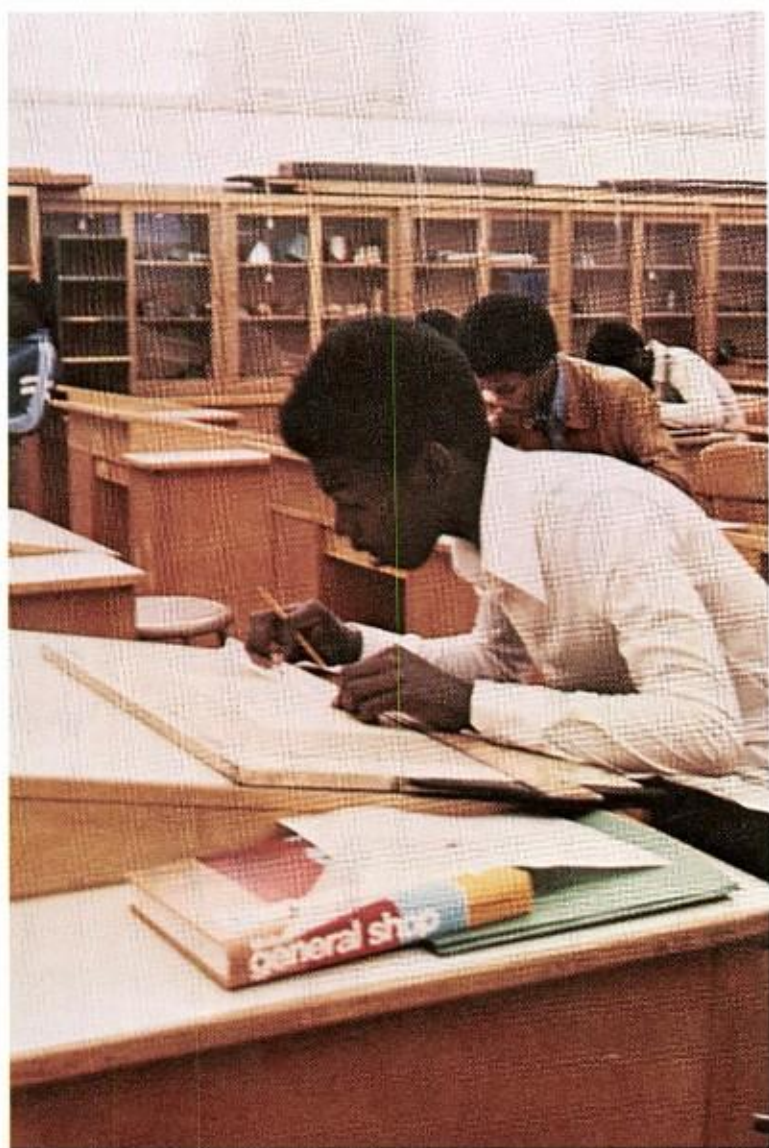

something you can use once leaving the Castle is the goal for Knights now days. With proficiency tests career education, and college prep classes, Knights learned skills to help them make it later on in their lives. Popular classes were those in the bio-med program OWE, office specialization, accounting, yearbook production, chemistry, and psychology.

1. Angie takes notes. 2. Students paint masterpiece 3. a trendy cooker 4. students learn business machines operations 5. Trevor busy drafting 6. Donna switchin' calls at the board

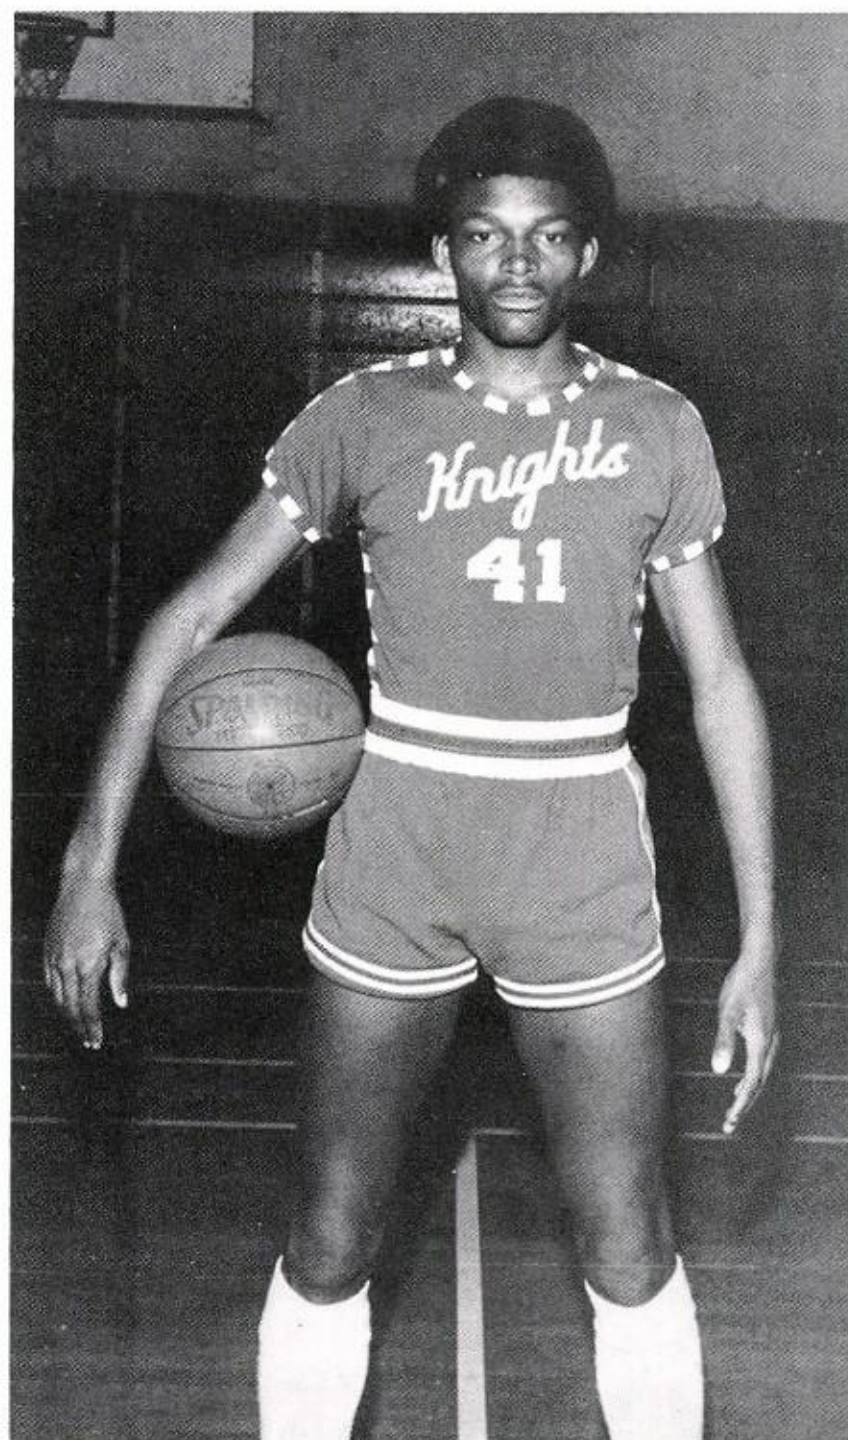

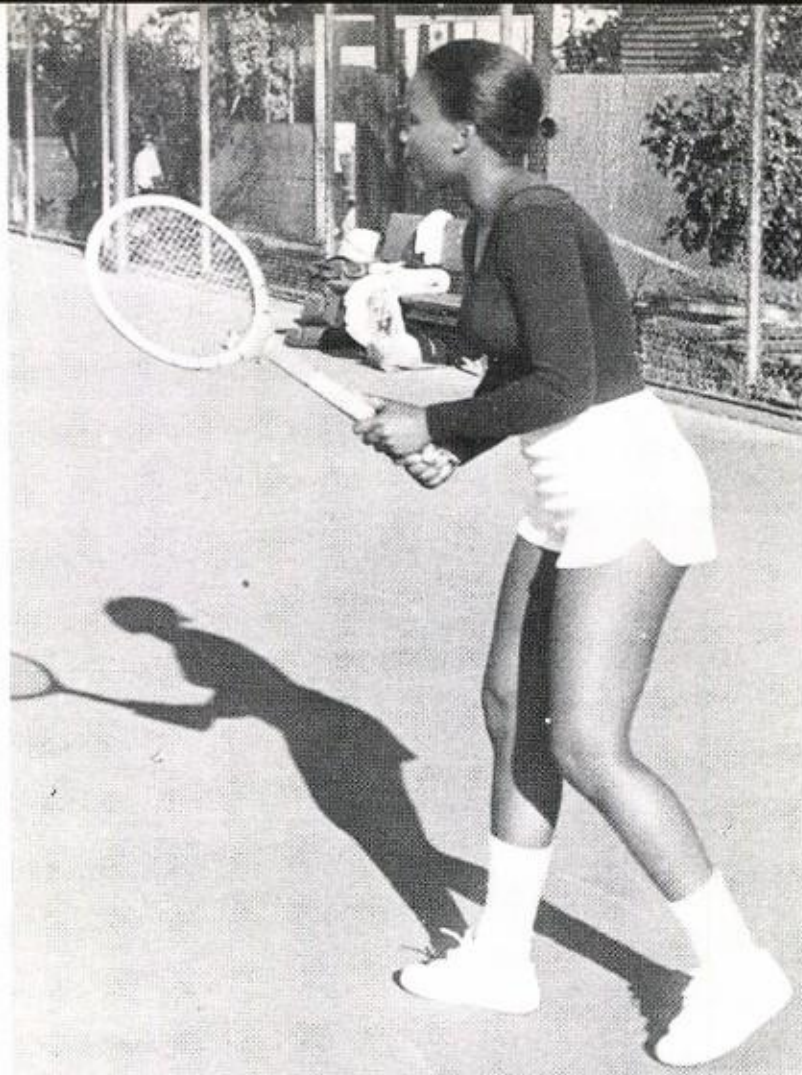

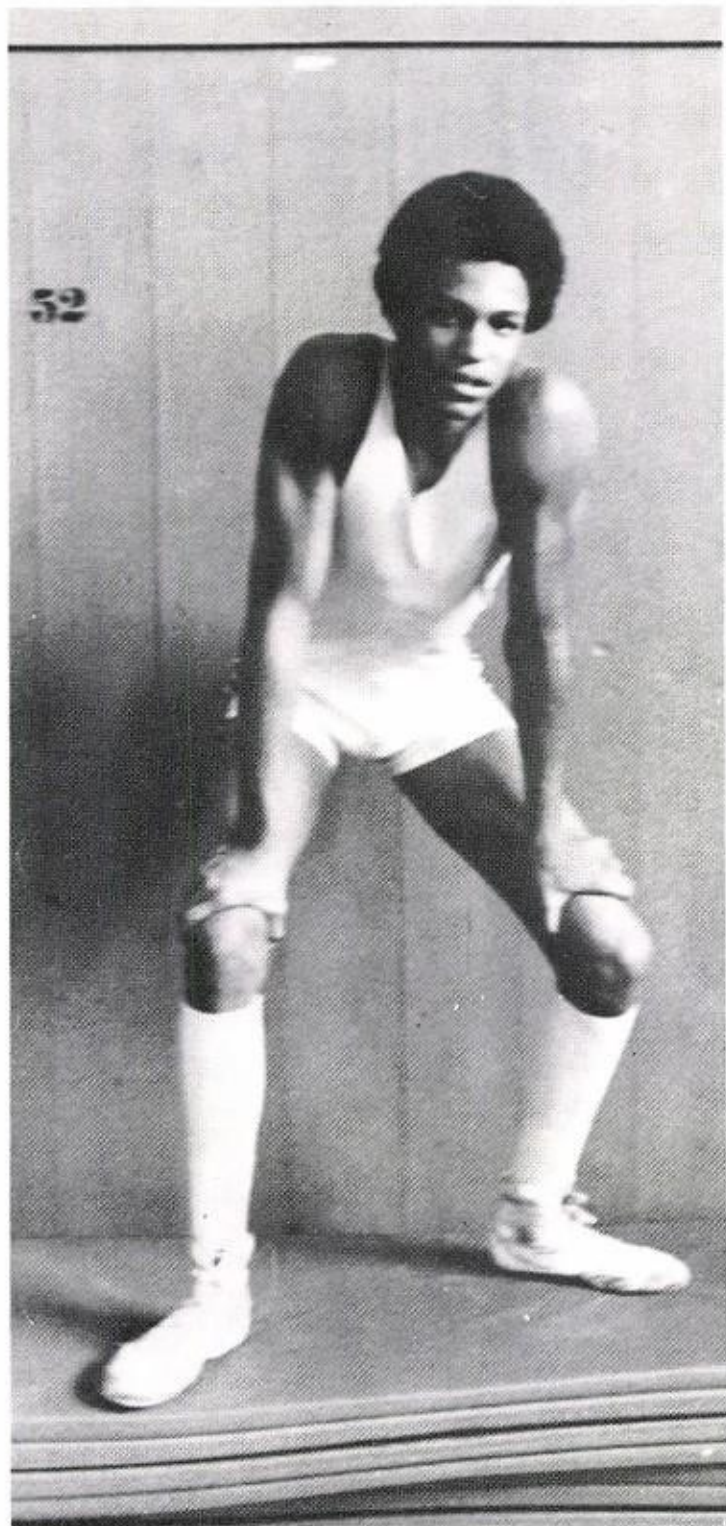

## Purple Gang

fever kept the Knights alive. The Crusaders met the challenge of a contest on the field, court, mat, beam, and track. Their goals being, "win it all for the purple and white". Earning a block "C" was an individual thing that made Knights proud to be on the Castle's teams.

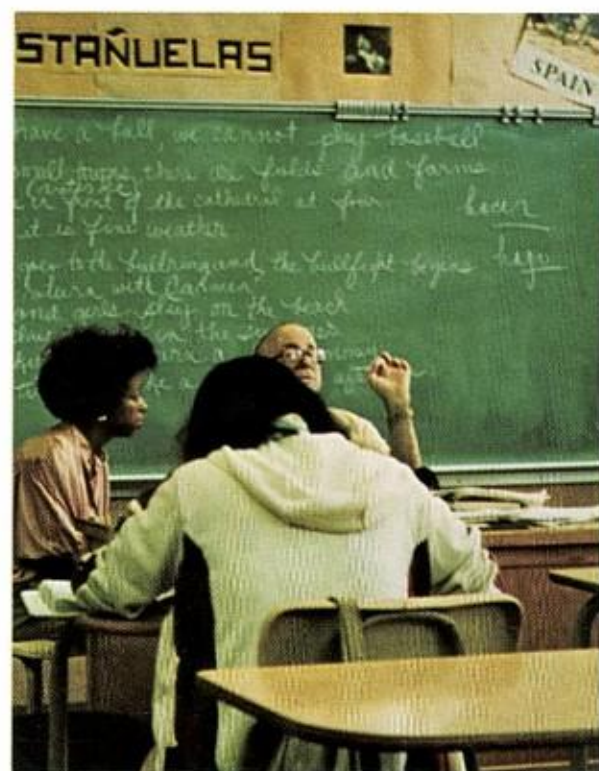

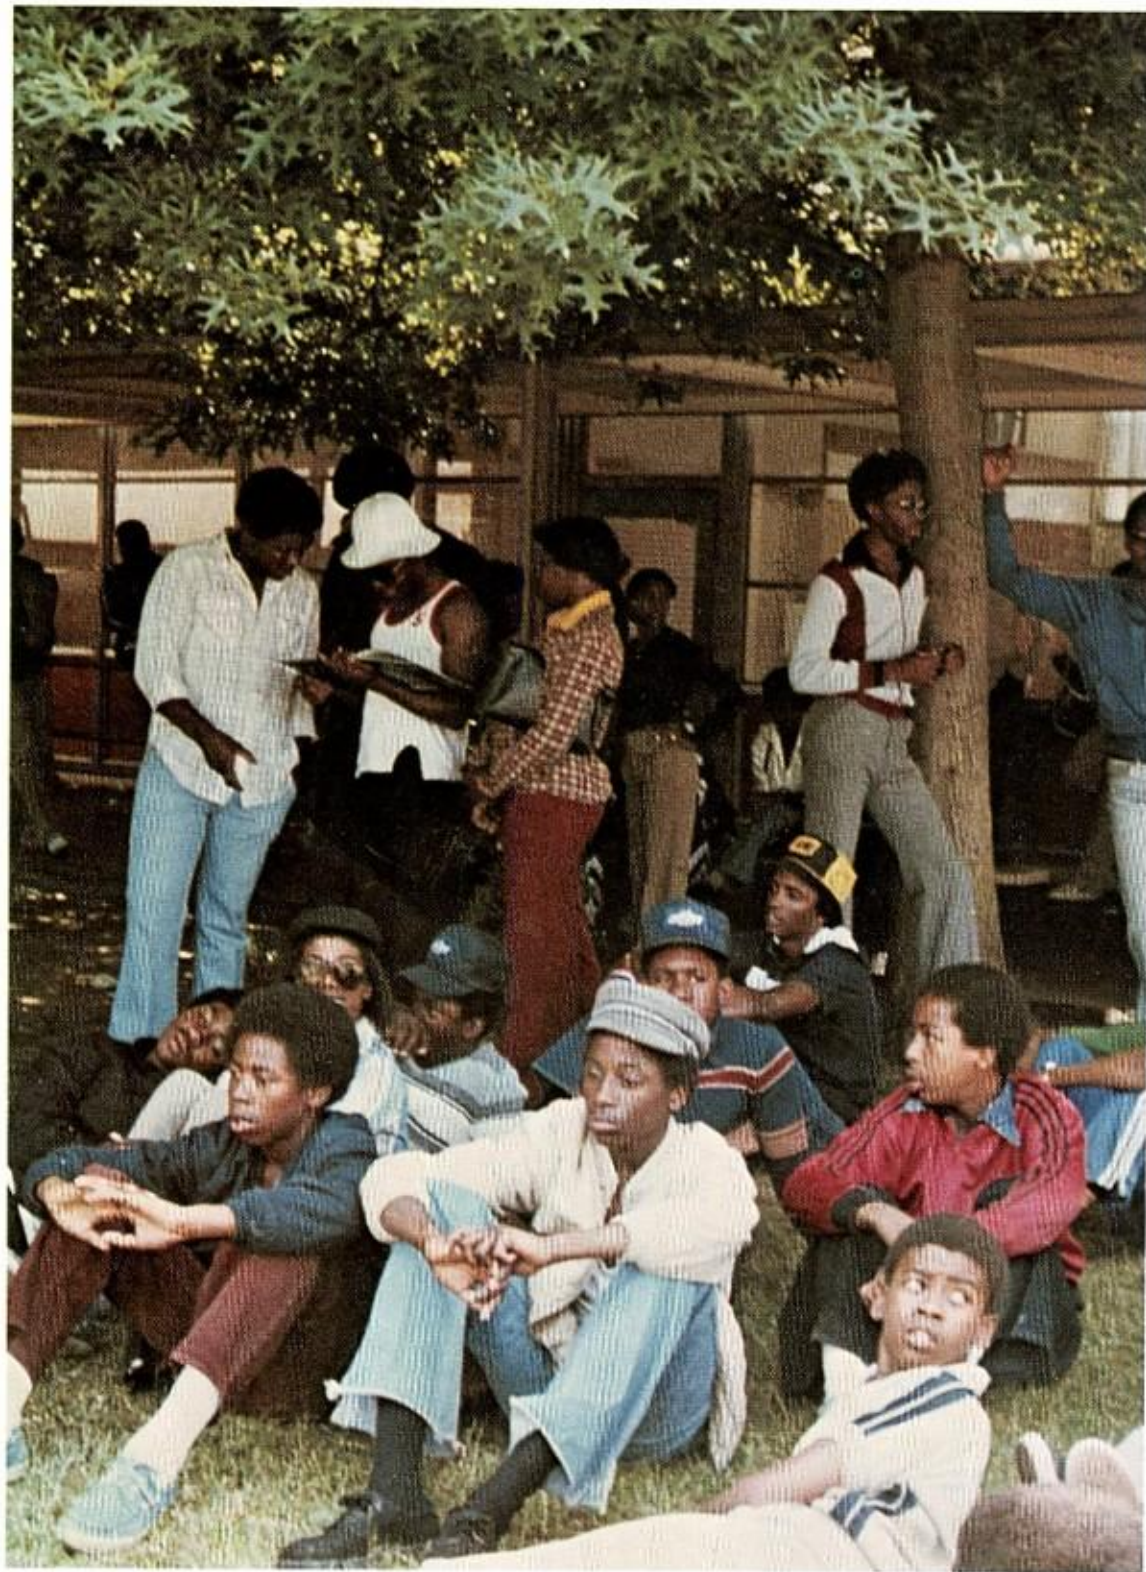

1. Coach Cap and his team. 2. Aleta and Robbie on the run 3,4. Leroy strikes a pose 5. Harris on the mat 6. Valerie nets away 7,8. Block jackets are sports goal 9. Joe fires one 10. Eddie is intense 11. A knight on defense.

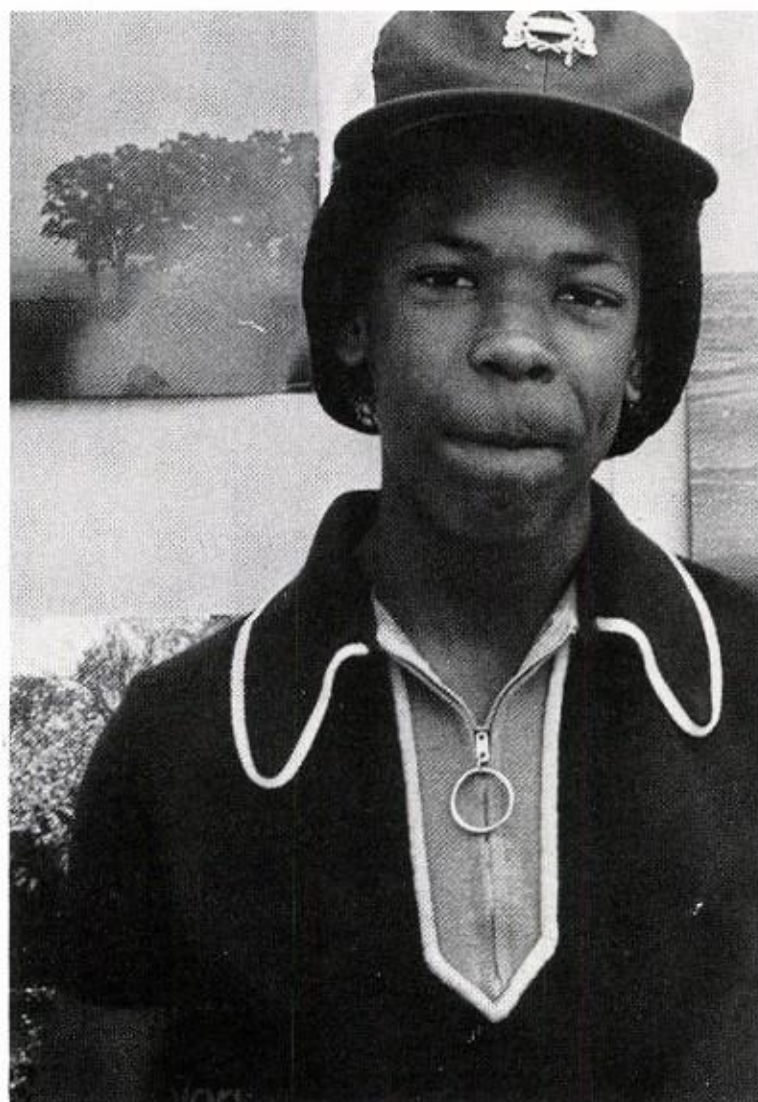

## Knight Life,

Around the castle could include coolin' out under a shade tree or foolin' around trying to get some good notes for that final exam. Knight life also includes being a "Jack of all trades" like knowing your first-aid, and your auto-aid. In any case being involved in the Castle's high school days 1980.

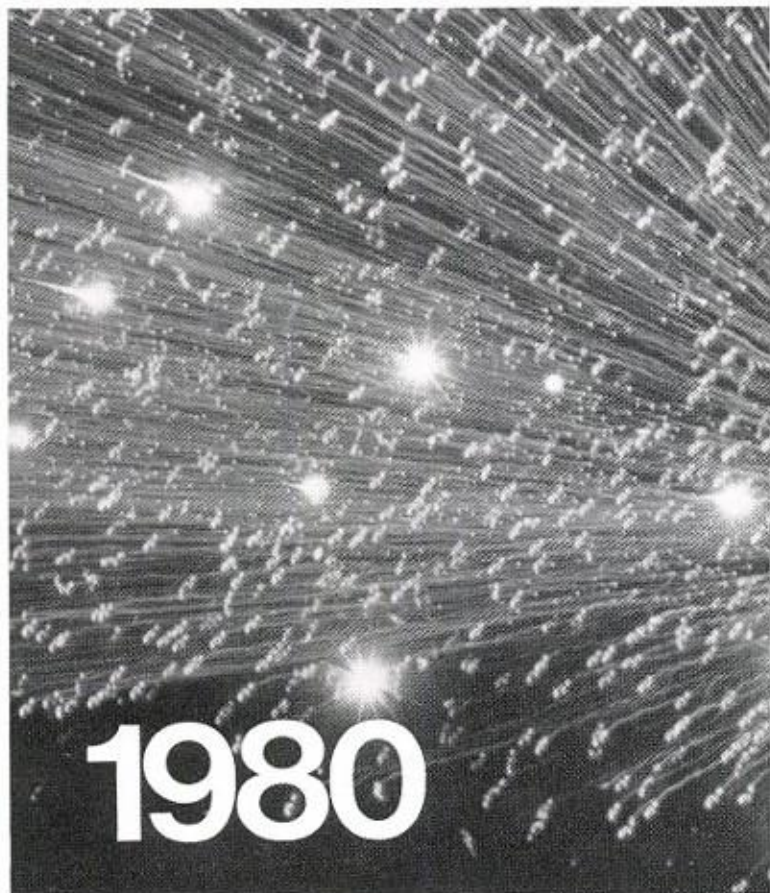

1. Students being cool. 2. Lavonda listens as Leonetti talks. 3. Shirley finds it. 4. Big-Mac wraps it up. 5. Moe the Knight in shining armour. 6. Jr. sportin' styles. 7. Student perfectin' skills. 8. Sophia says, "HAY".

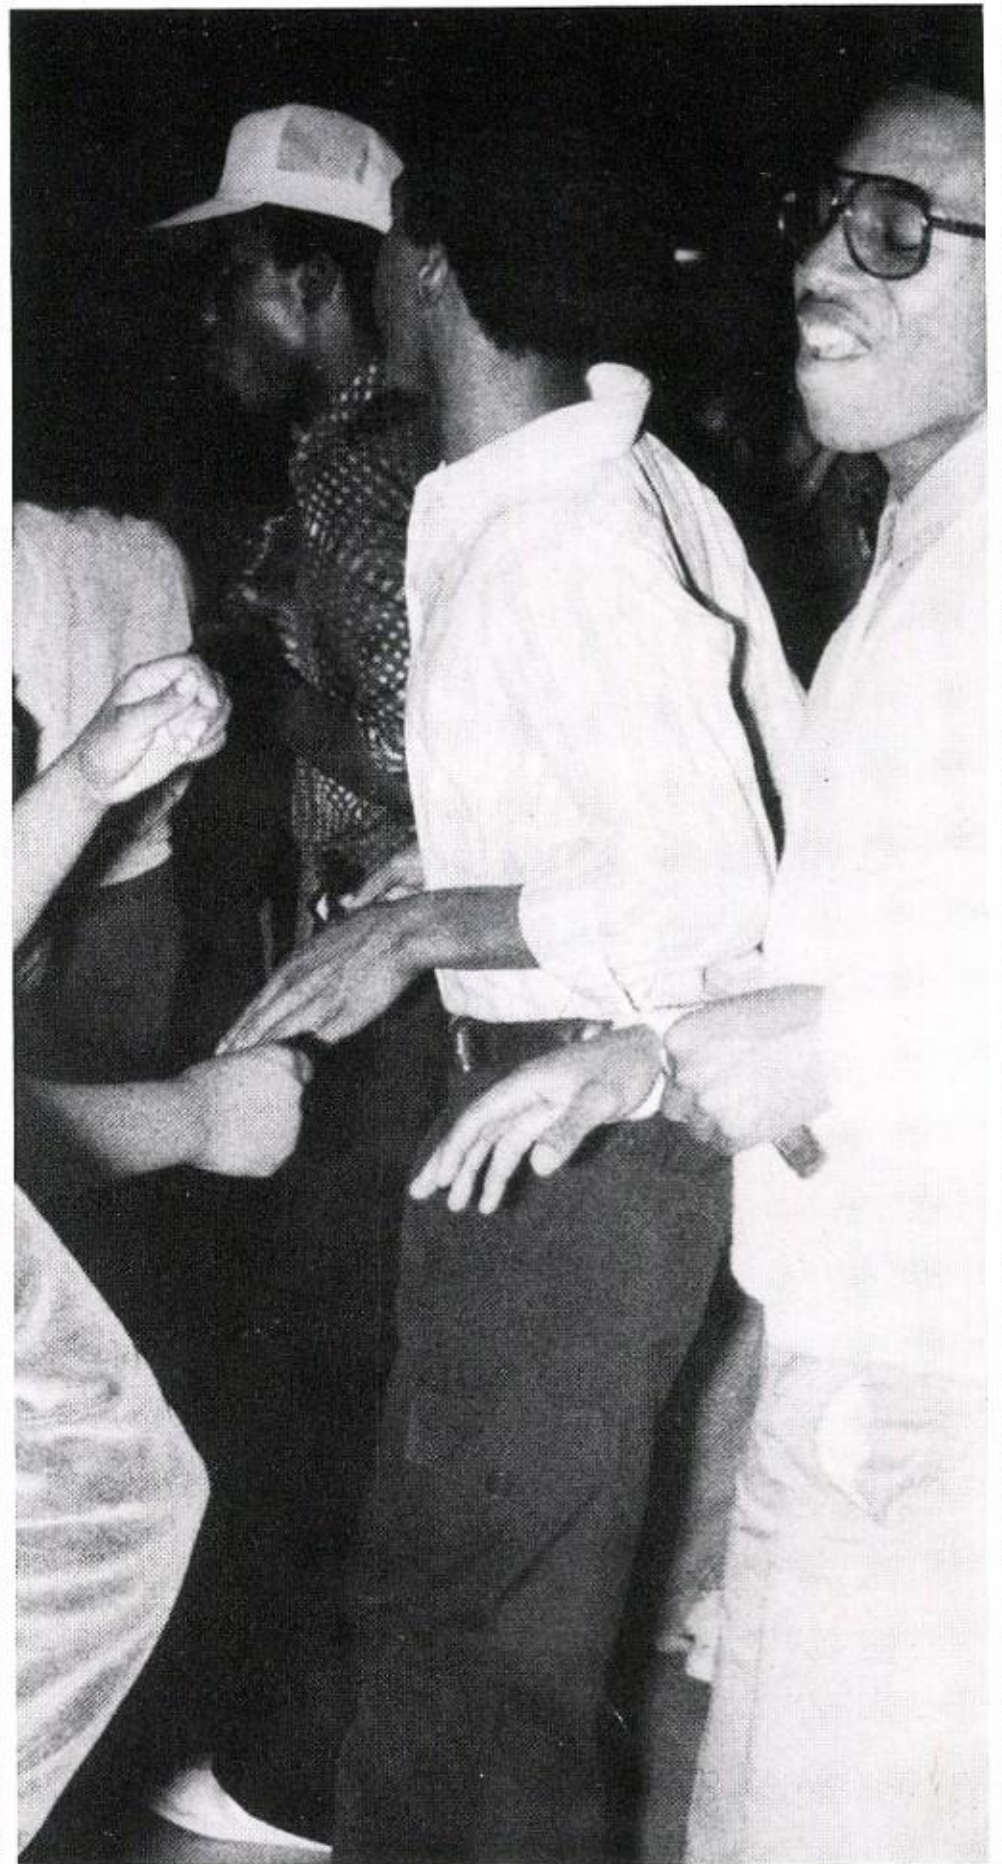

# Seniors

The Class of '80 is the fiftieth June class for the Castle. Coming up in the shaky seventies has produced a breed of conservative responsible groups of young people. As with any class that starts a new decade, the class of '80 will be equally unsure. With the draft and crisis with oil and natural resources, it is frightening to think that the future lies with you.

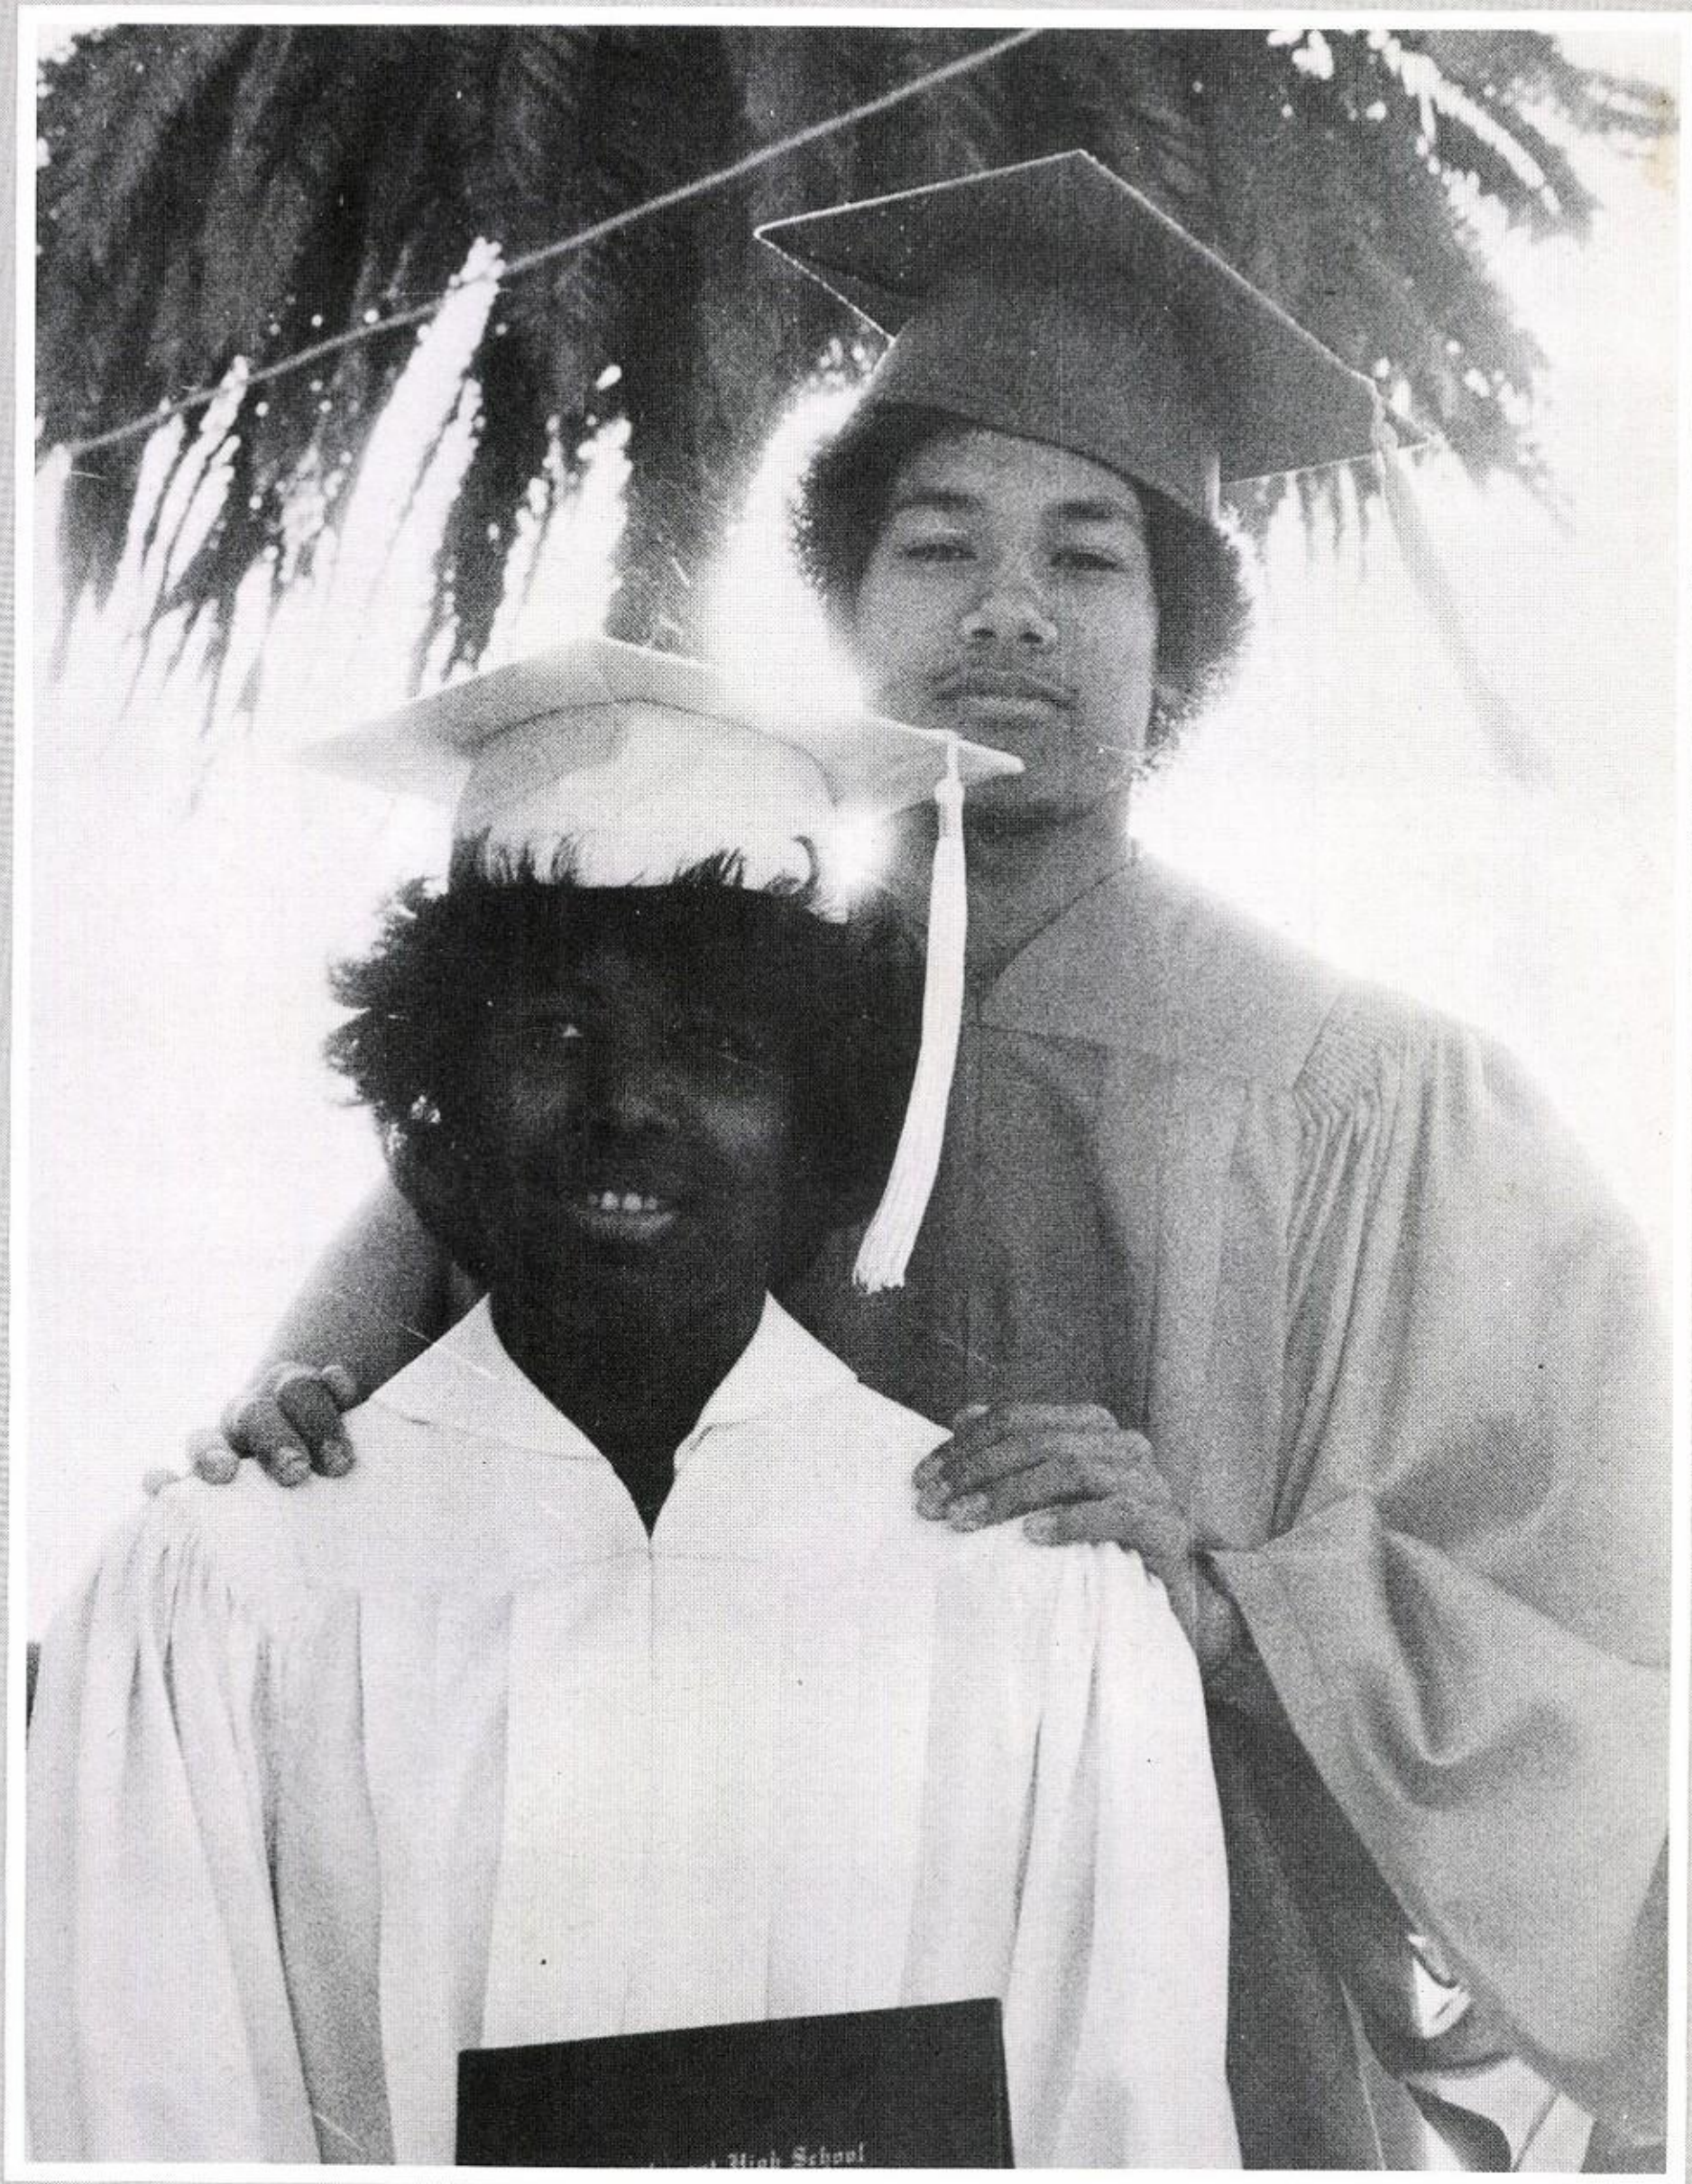

Here in the school year, the Senior Knights went along studying, partying, and working toward GRADUATION, June 13, 1980

Kevin, Lee, and George are jammin' at the Homecoming Dance. This was one of many Senior activities planned, others were the Senior Picnic October 10th at Angel Island; Sweetheart Ball February 15th; and Grad Nite June 6th-8th. (opp.) seniors Eleanor Lee and Michael Valrey preapre for Graduation!!!

# A Wise Friend

Kenny had a total disdain for self-pity inspite of a serious heart condition which he had practically all his life. The week before he entered the hospital from which he would never return, he won a spot on the District's ROTC Rifle Team competing in the S.F. Bay Area Rifle match on February 23, 1980. This incident exemplifies his enthusiasm for living life to the fullest. He was also on the ROTC Drill Team, a Company Commander in charge of supplies, color guard, and an assistant instructor; he played basketball, softball, and touch football. He was also active in the church, where he played the organ, drums and bass guitar. The 1980 Falcoln staff and the Class of 1980, wish to dedicate this anniversary edition in memory of Kenneth Smith.

# Student Life Part One

2 Sonja at Homecoming, 3 Angela, Joellen, Tamara, and Donna at Halloween. From 8:45-3:15 the Knights were busy with assignments in class. Occasionally, there was a break in the routine and activities happened after school or maybe even during school if we were lucky.

Student Life at the Castle was interesting to say the least. Attending Castlemont as a Sophomore or Junior or being involved in the many activities showed you had pride in the purple and white.

Being a teenager and about the business of getting your education is what going to Castlemont meant this school year. But trying to show what was important or fun or interesting or down right boring was a hard job. In these pages we covered the sophomores, the juniors, the activities, and the special classes. You'll see what student life was like for us at Castlemont in 1979 and 1980.

# Pizzaz

Castlemont's Annual Christmas Play was held Dec. 12-13. Under the direction of drama instructor Lamarr Ferguson, Linda Arshi and Tamara Reeder this year's play had a new twist. The show depicted what it's like to put on an actual production. Rightfully named pizzaz the production featured from the school of Performing Arts CSPA. The audience would say that the play and the performers proved to have true p-i-z-z-a-z.

1. Codrick as the agent and Danielle as an auditioner. 2. 1979-80 Castleers perform. 3. Jedidah does a routine for the agent. 3a. David acts like a kid. 4. Advanced Dancers in a number. 5. Kevin as the promoter. 6. Angela blows a mean clarinet.

# Heart Clinching

was the word to use as the Knights returned to the Coliseum to play in the 1980 Tournament of Champions. Winning the wild card berth the defending Champs returned to face Crenshaw High of Los Angeles in first Knight action. The last three seconds of regulation and the last eight seconds of overtime told the story. Lathan Wilson shot for two and a tie score 65-65 and Maurice Palmore rebounded to get two, putting the Knights ahead at the buzzer 69-68.

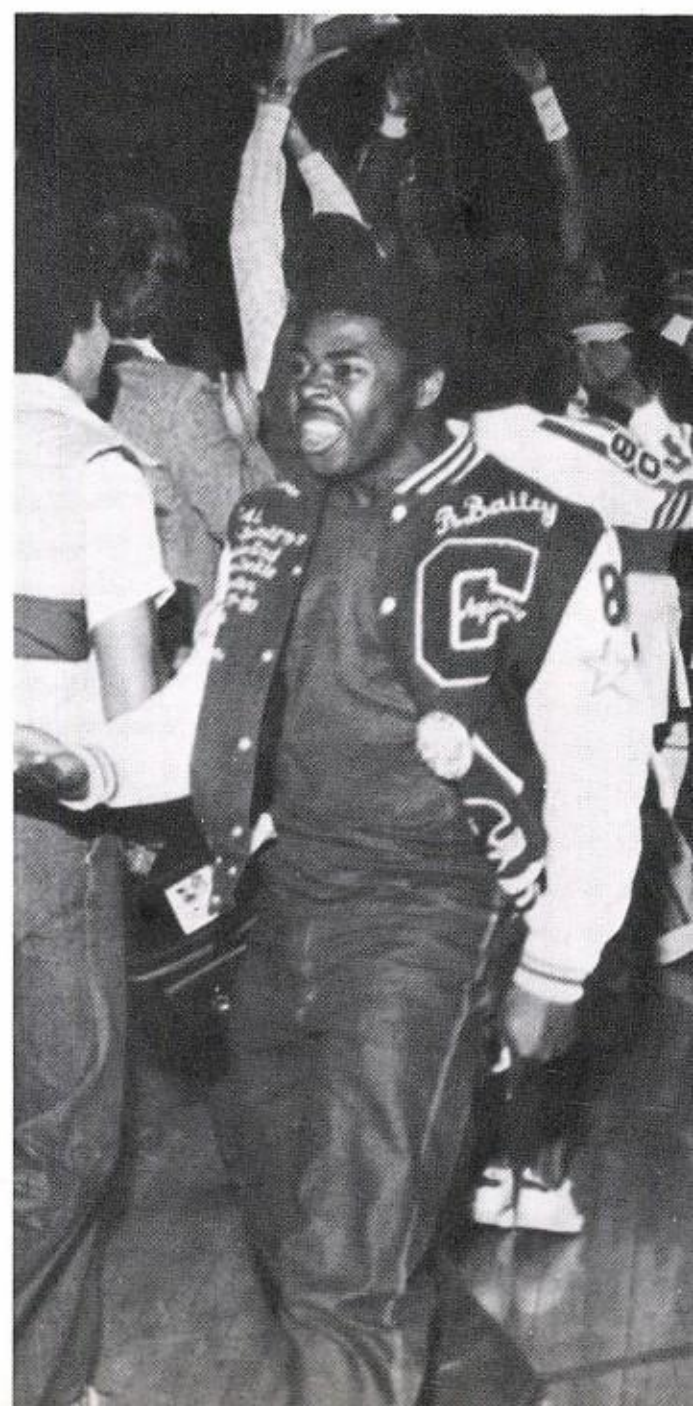

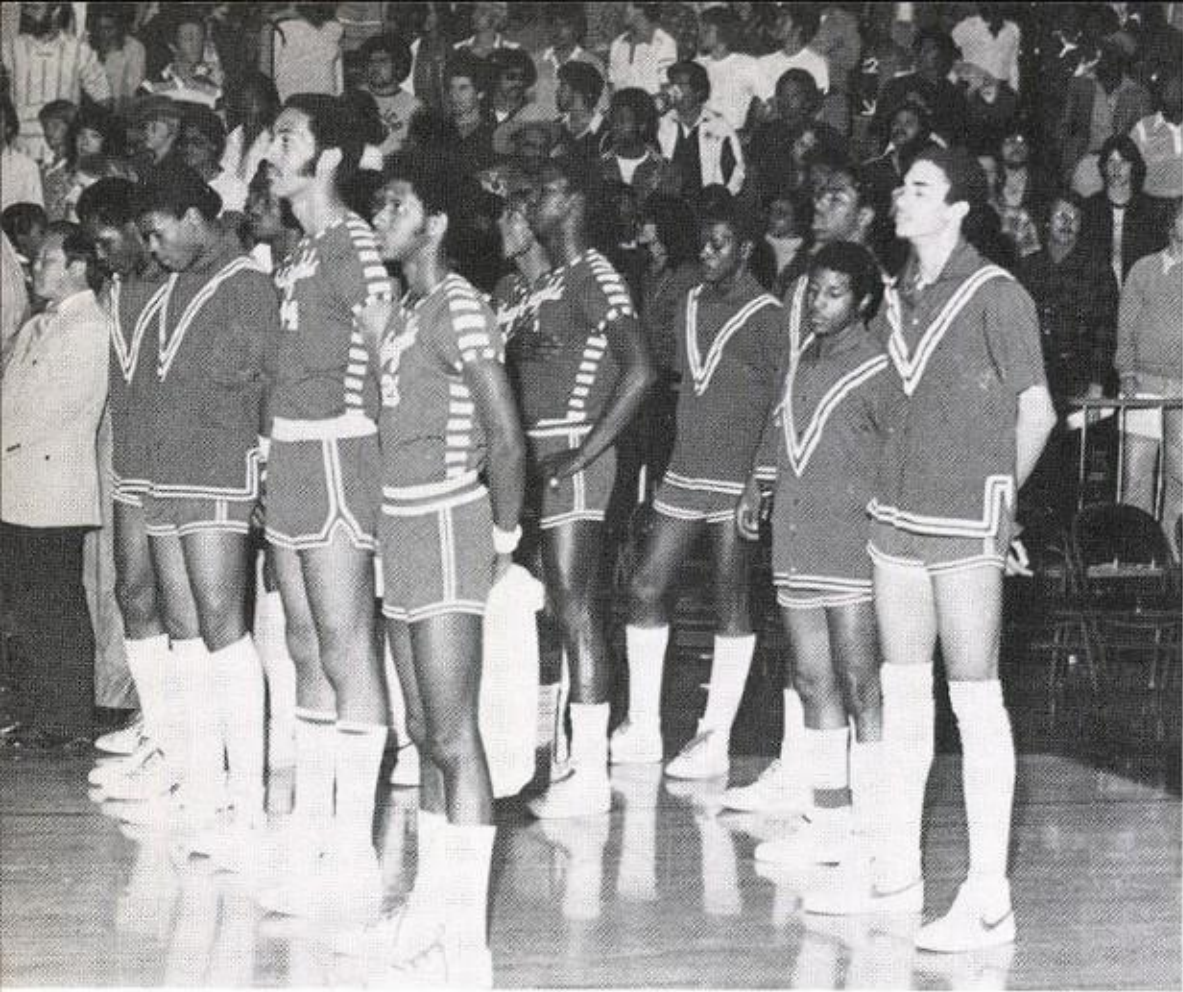

Castlemont Knights in action against the Crenshaw Cougars. 1. Anthony Robinson 2. Lathan Wilson 3-4. Leroy Watson 5. Bryan Flowers 6. Michael Manning 7. Lathan Wilson. The Knights show us that they still have IT!!!!

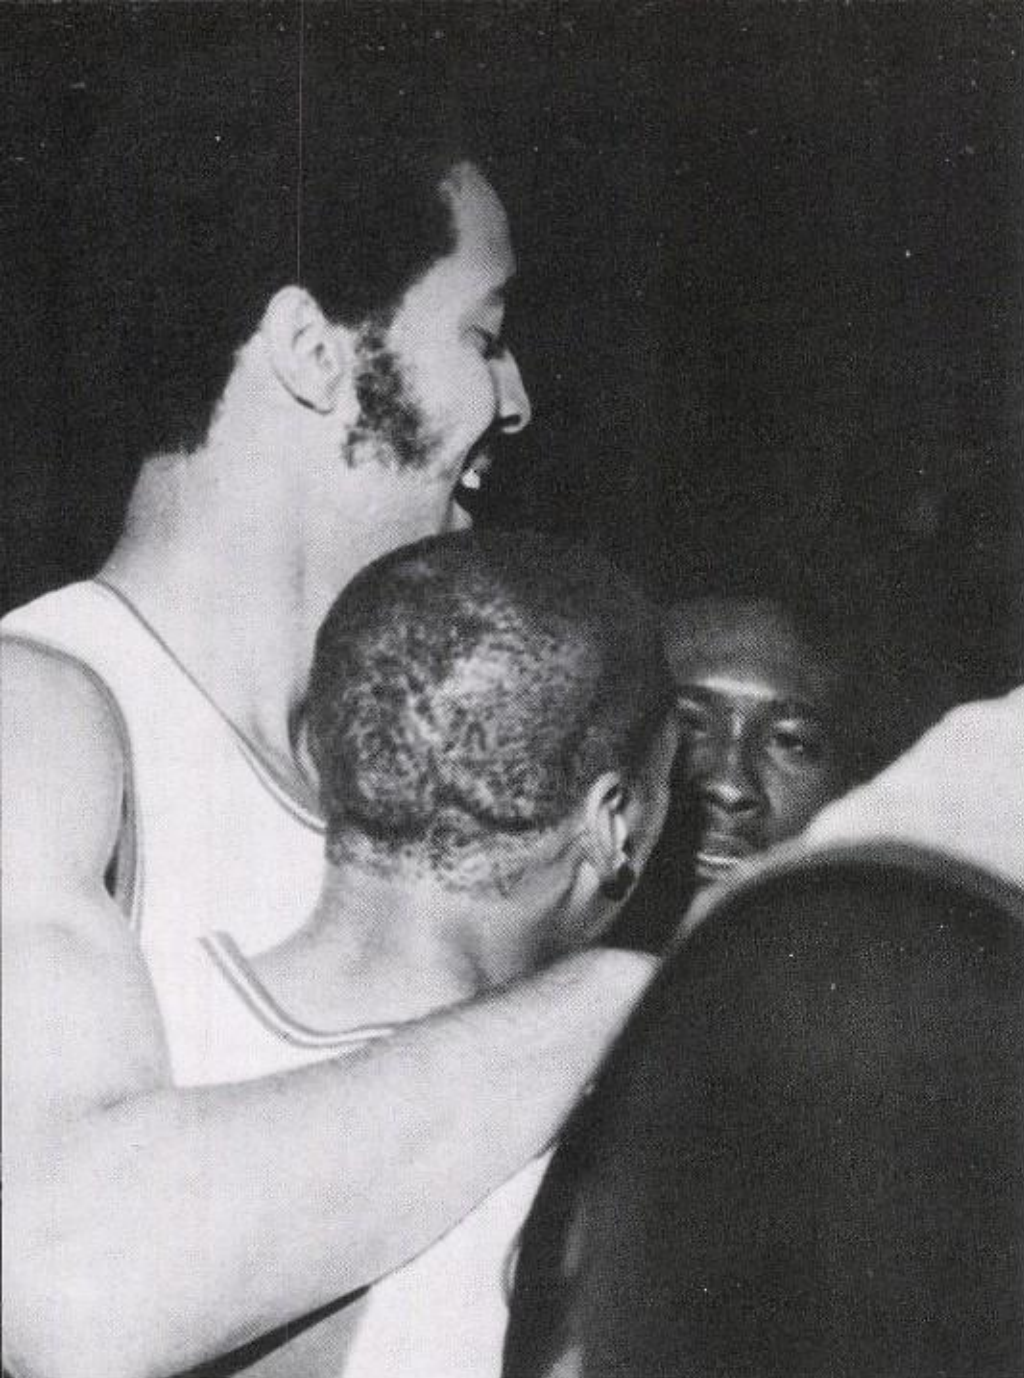

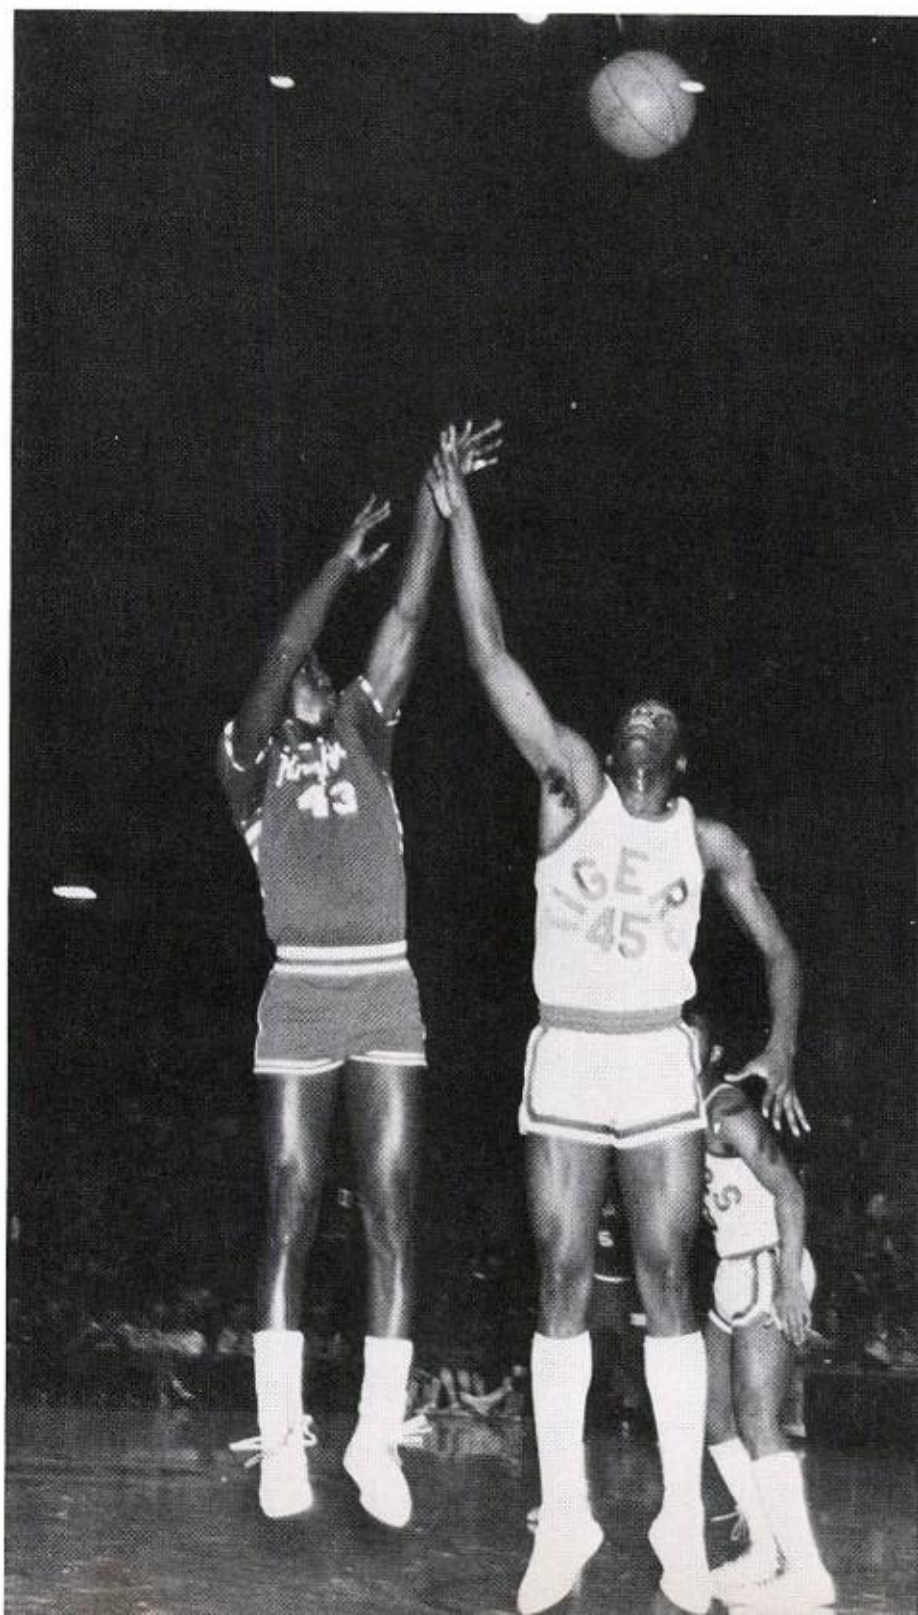

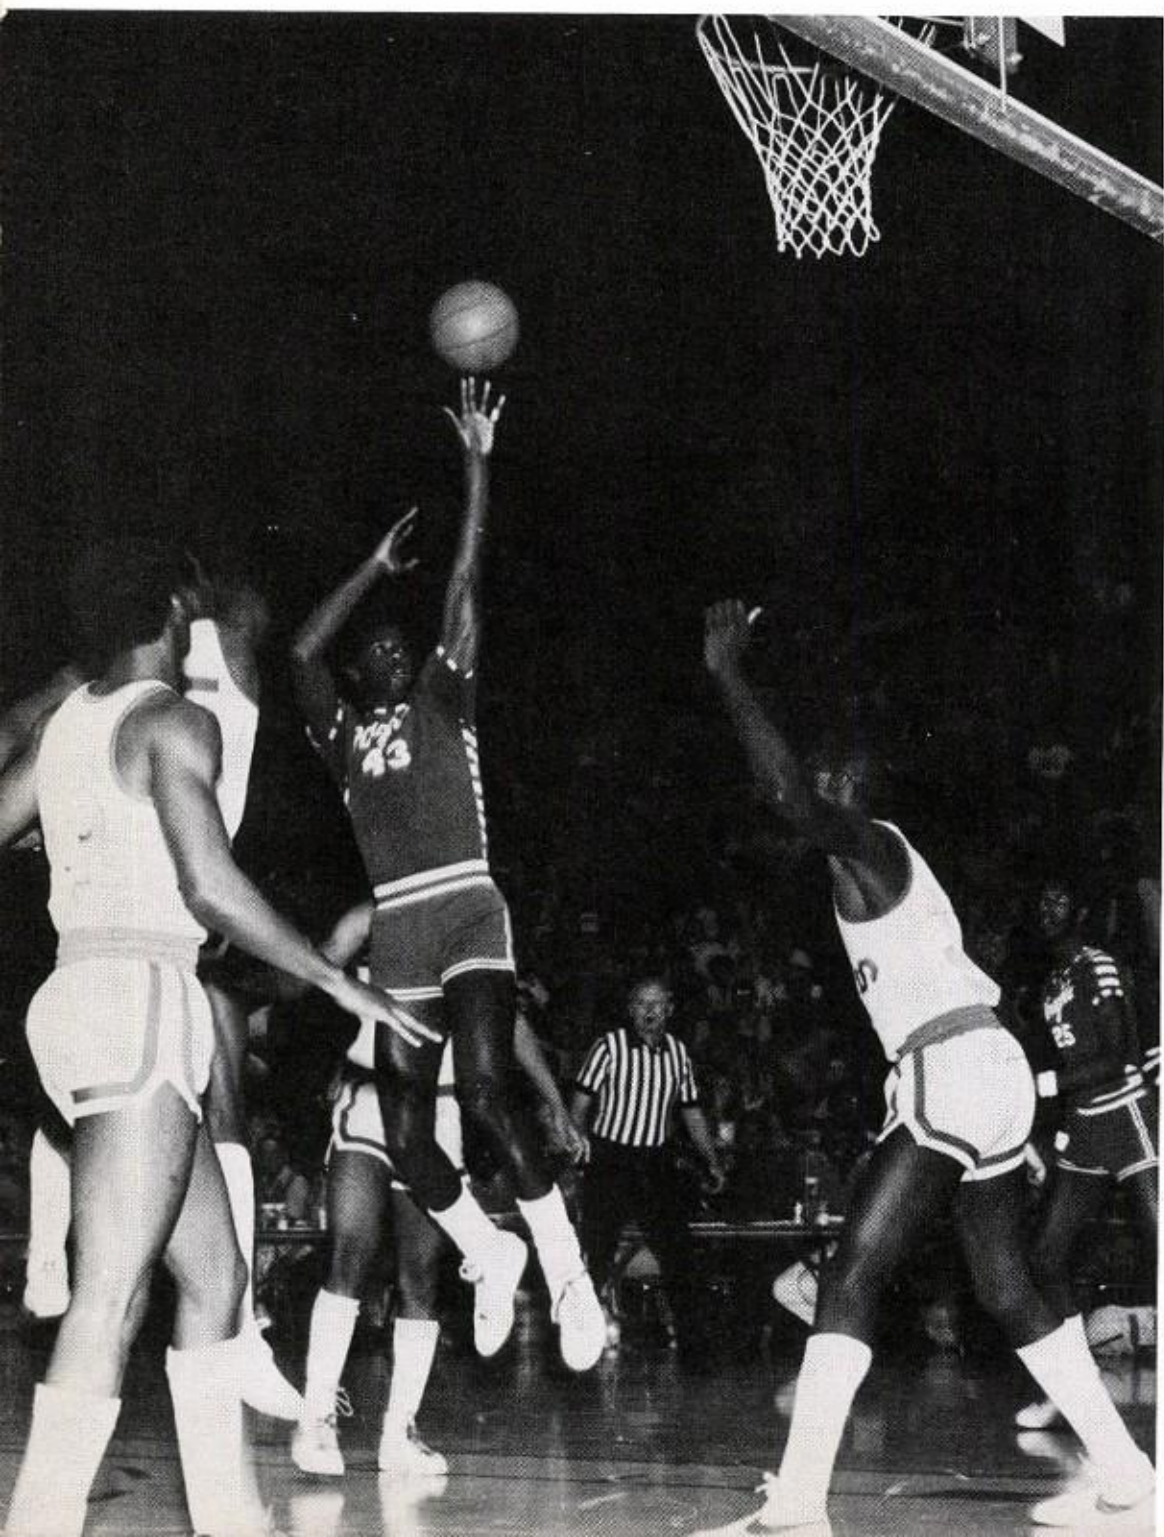

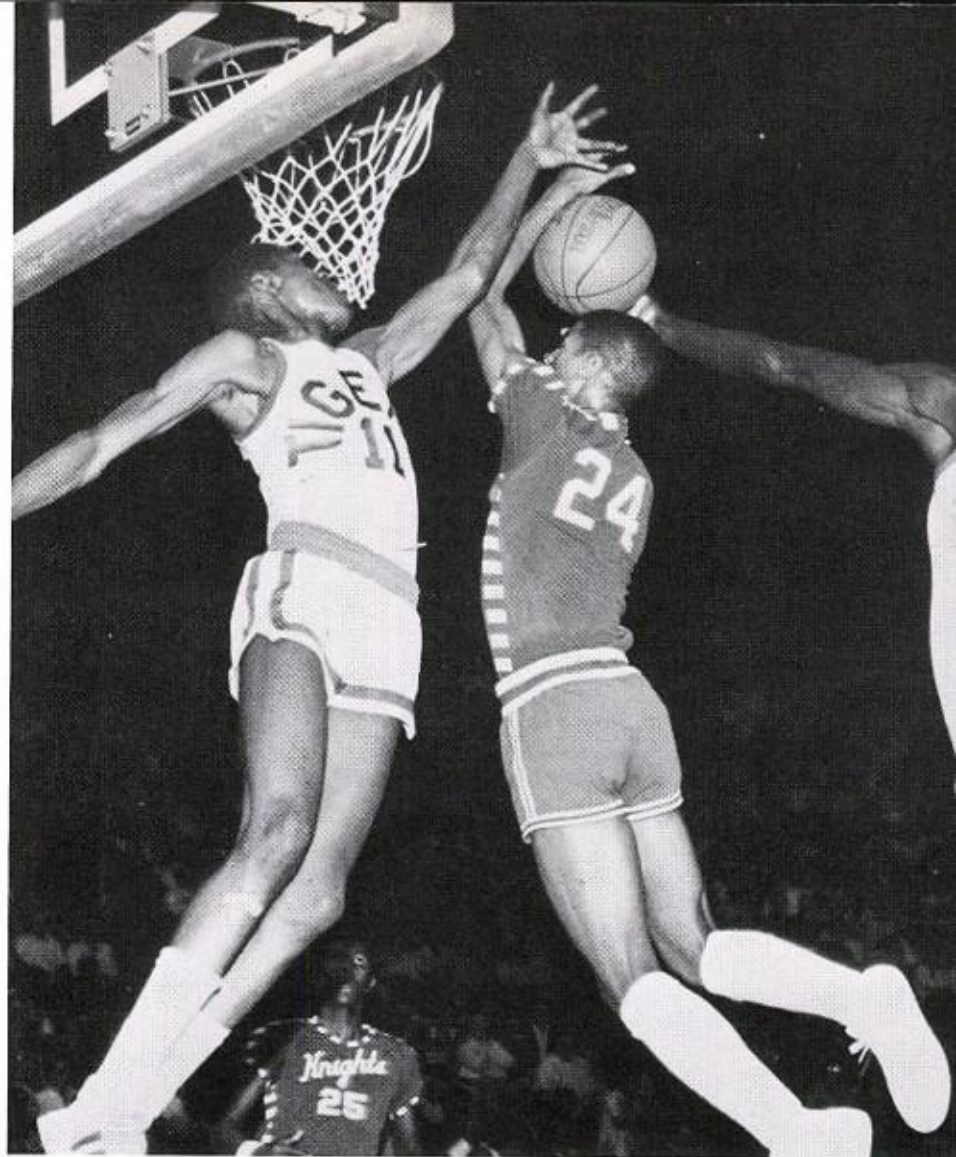

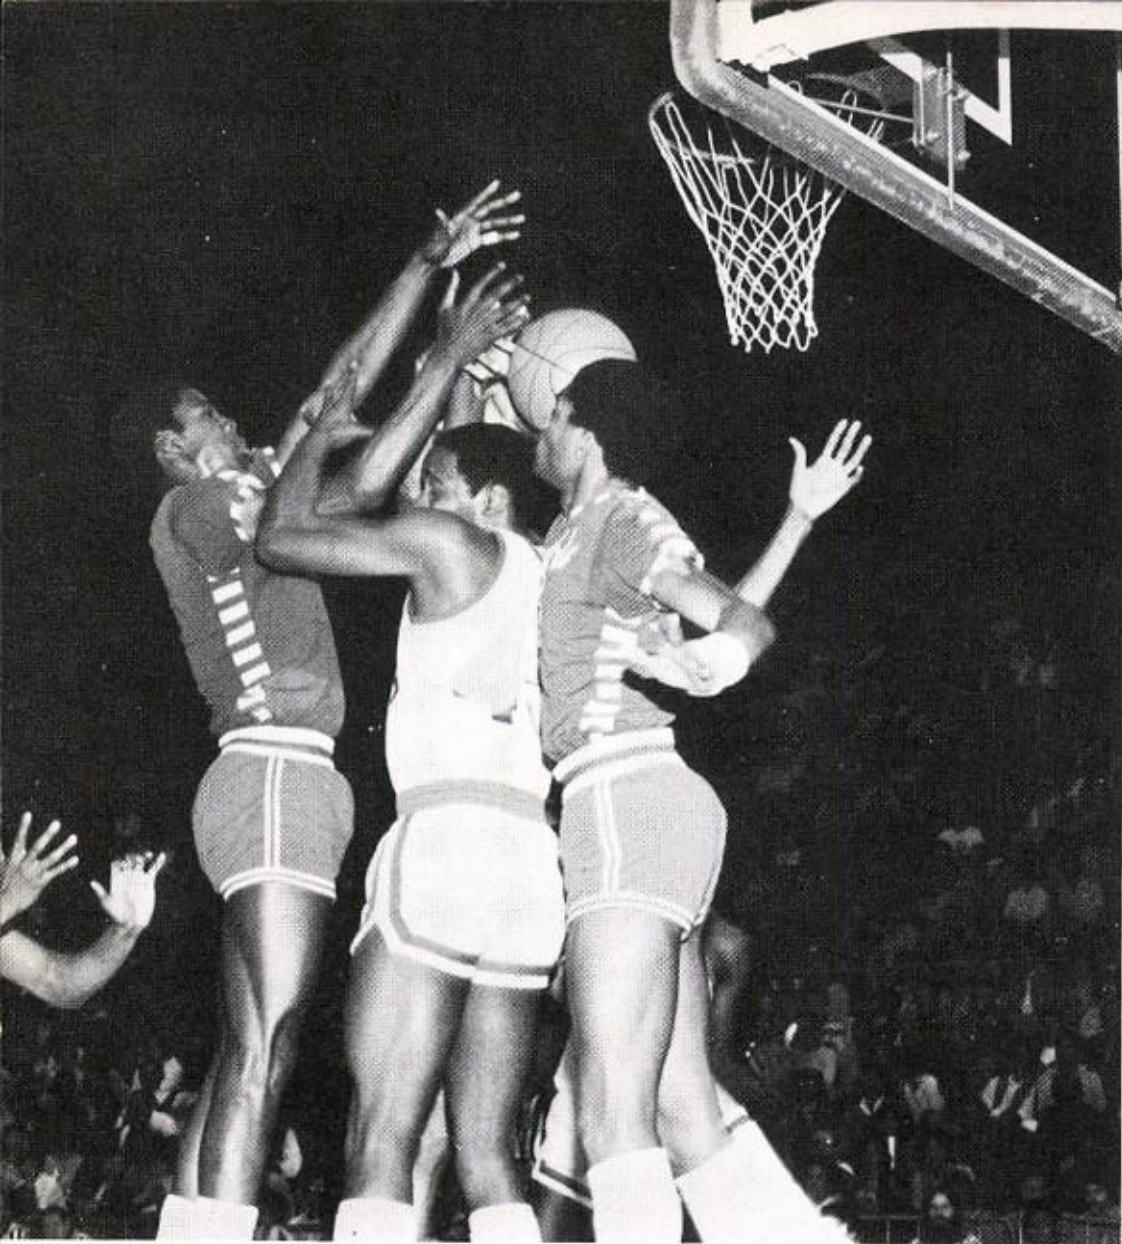

## THE PURPLE MACHINE RETURNS

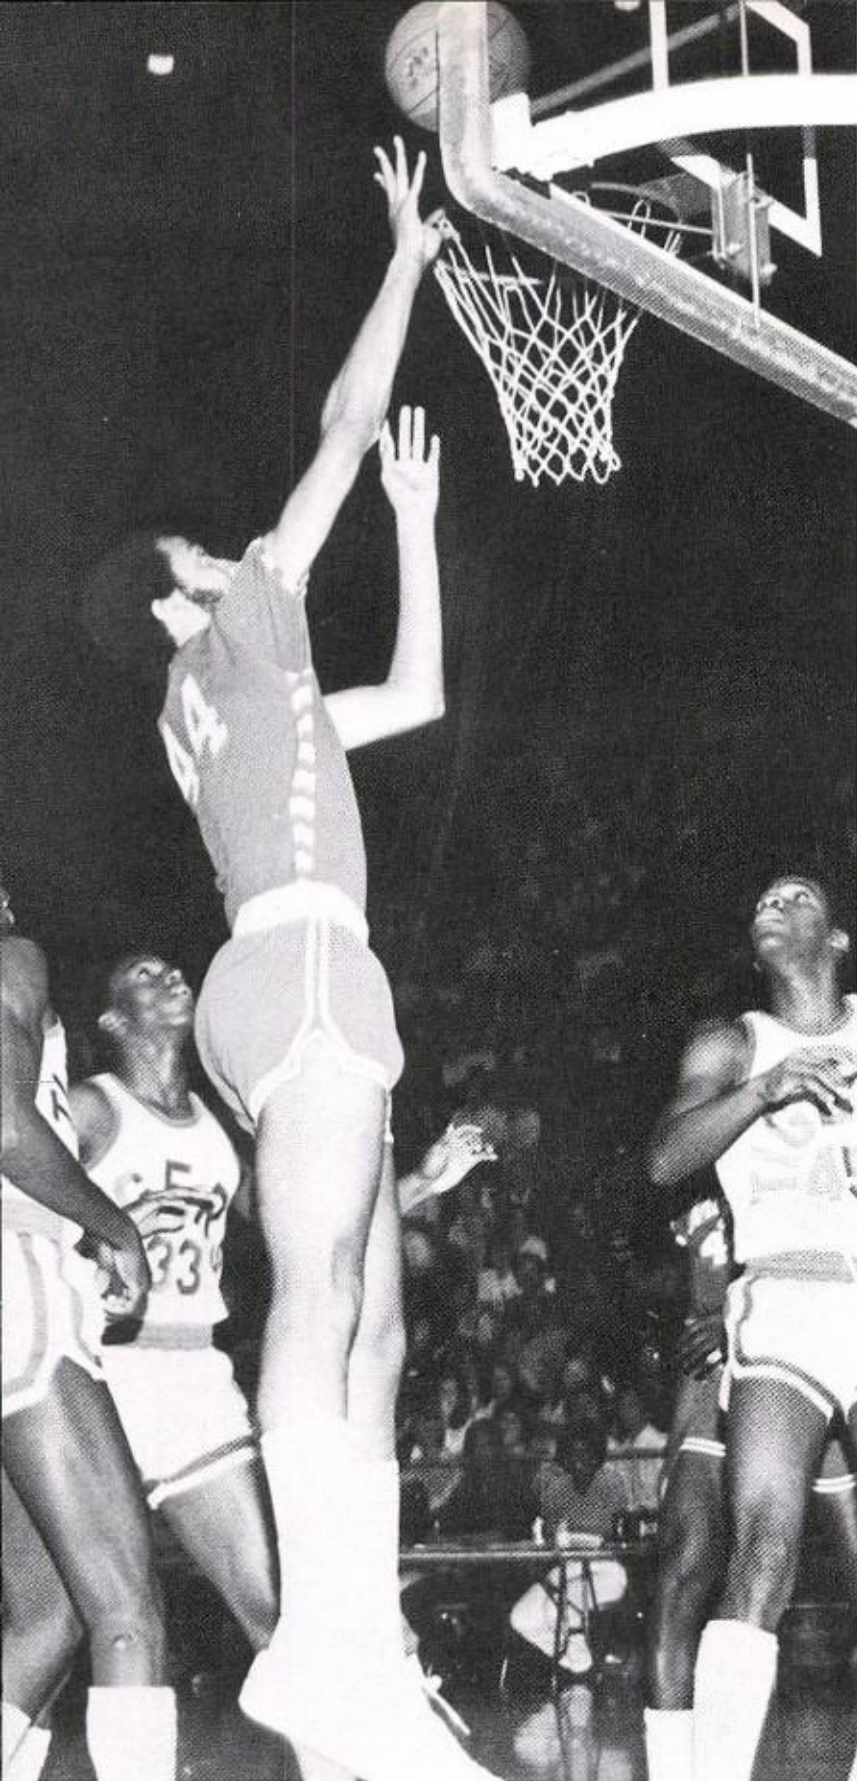

1. Castlemont Knights getting ready for the T.O.C. letting everyone at the Oakland Coliseum know that we came to W-I-N-!-!-! 2. The fans kept the faith and spirit up to the very end as the Knights overrode the Cougars to a very sweet V-I-C-T-O-R-Y.

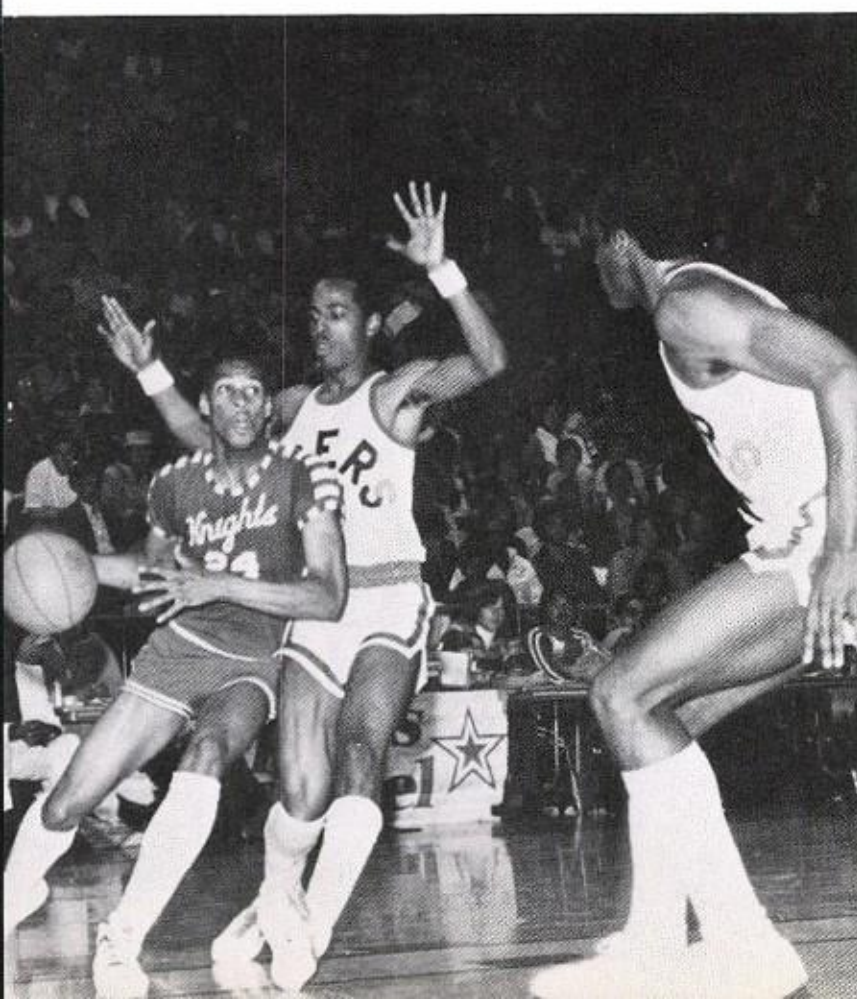

1. Leroy and Lathan using teamwork to get the ball back. 2. Bryan's up for the basket. 3. Lathan shooting' for two. 4. Lathan shootin' for another two leaving Fremont man wondering what just happened. 5. Moe makes the rebound. 6. Bryan getting the ball back to the Knights. 7. Lathan shoots for still another two!

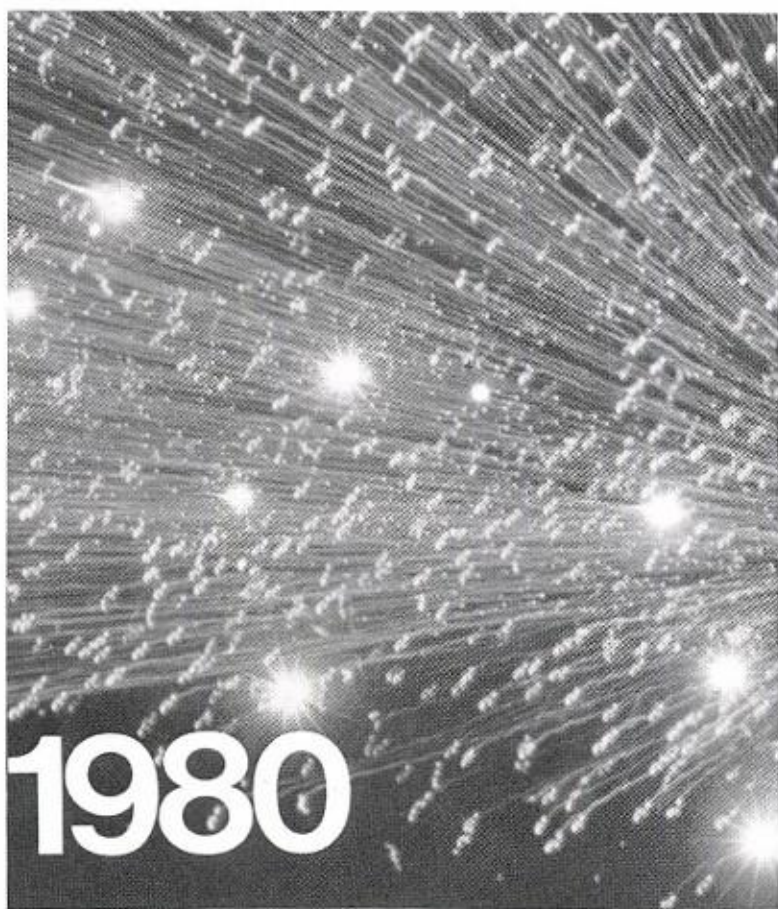

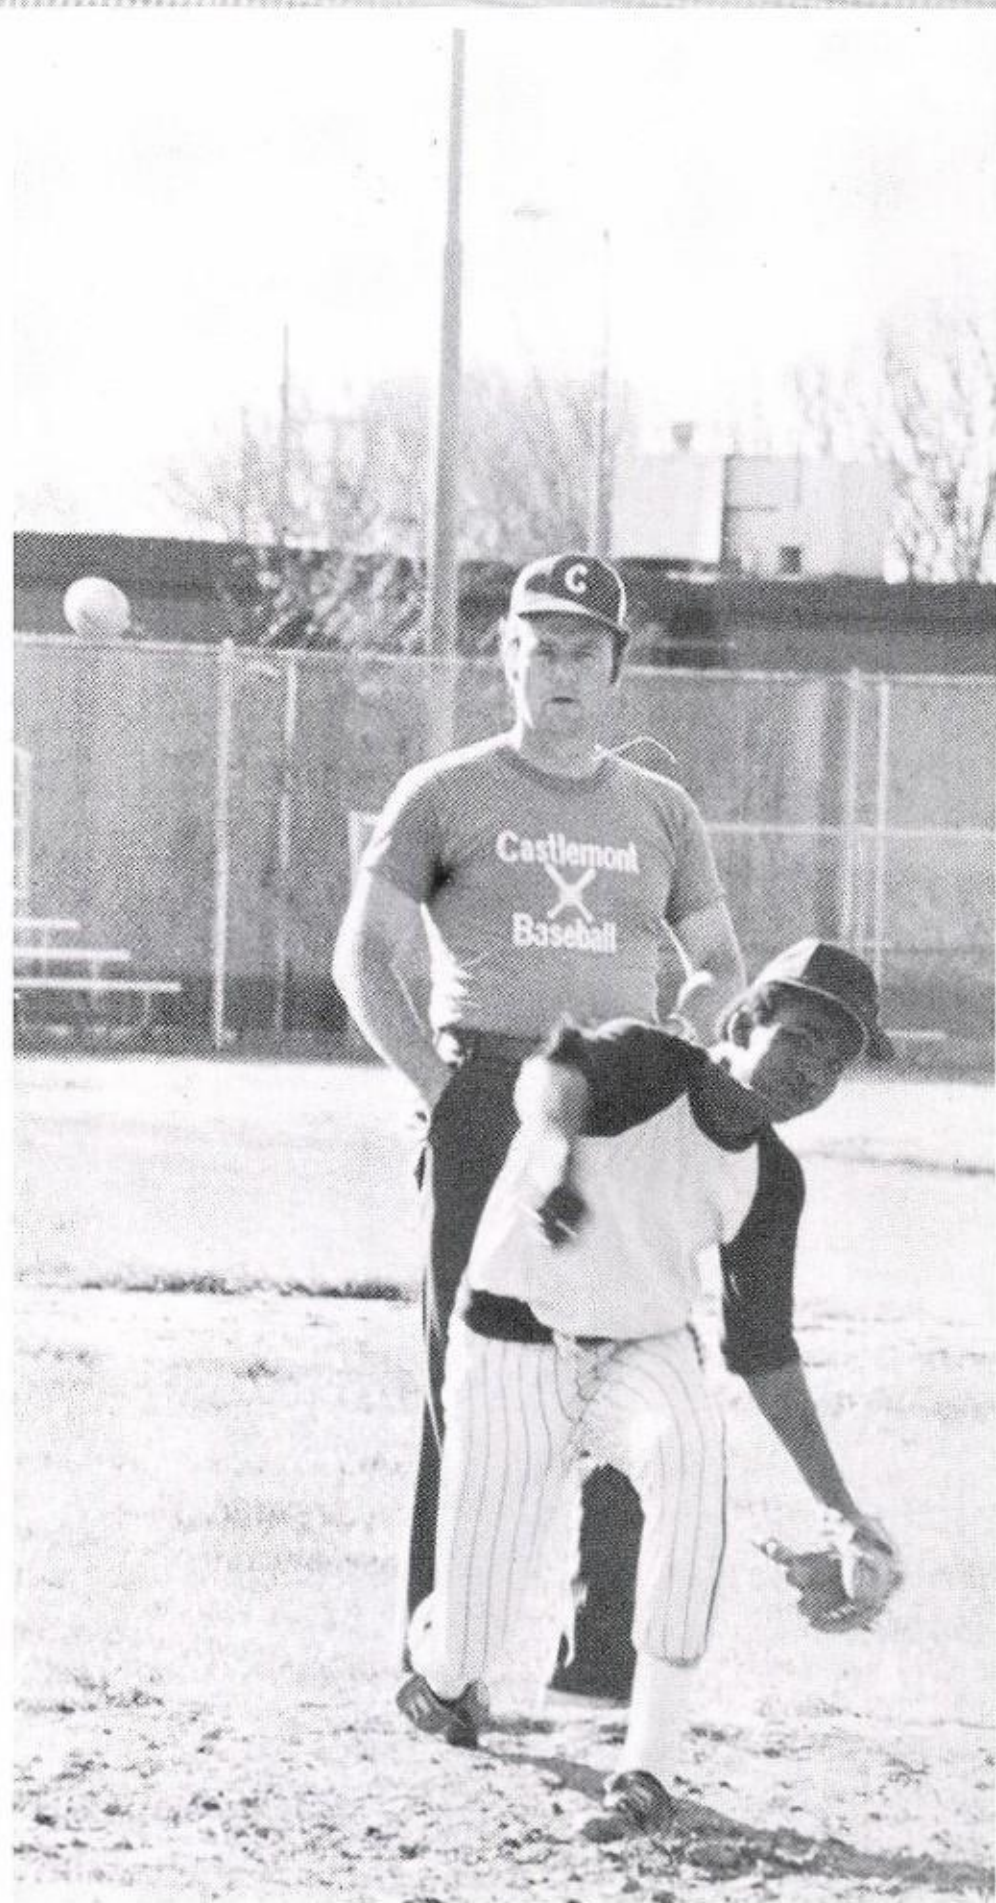

# SPORTS

At the Castle they have come a long way in fifty years. This year in 1980, the Knights did well in competition in the O.A.L. The formerly called Crusaders made history in the sense that they tied in football for first place. They made it to the T.O.C. as a wild card and were in the finals but couldn't take the title for the championship. In other sports the Knights were virtually young and trying to rebuild for future titles in coming years.

All in all, competing and meeting the challenges and winning is what the Knights sports were all about in 1980!

Leonard pitches a fast one in game while coach Luzar looks on in wonder. (2) Anthony goes for two in last O.A.L. game against Skyline. (insert) Coach "S" with Knights of '69. The first year Castlemont went to the T.O.C. after 23 years.

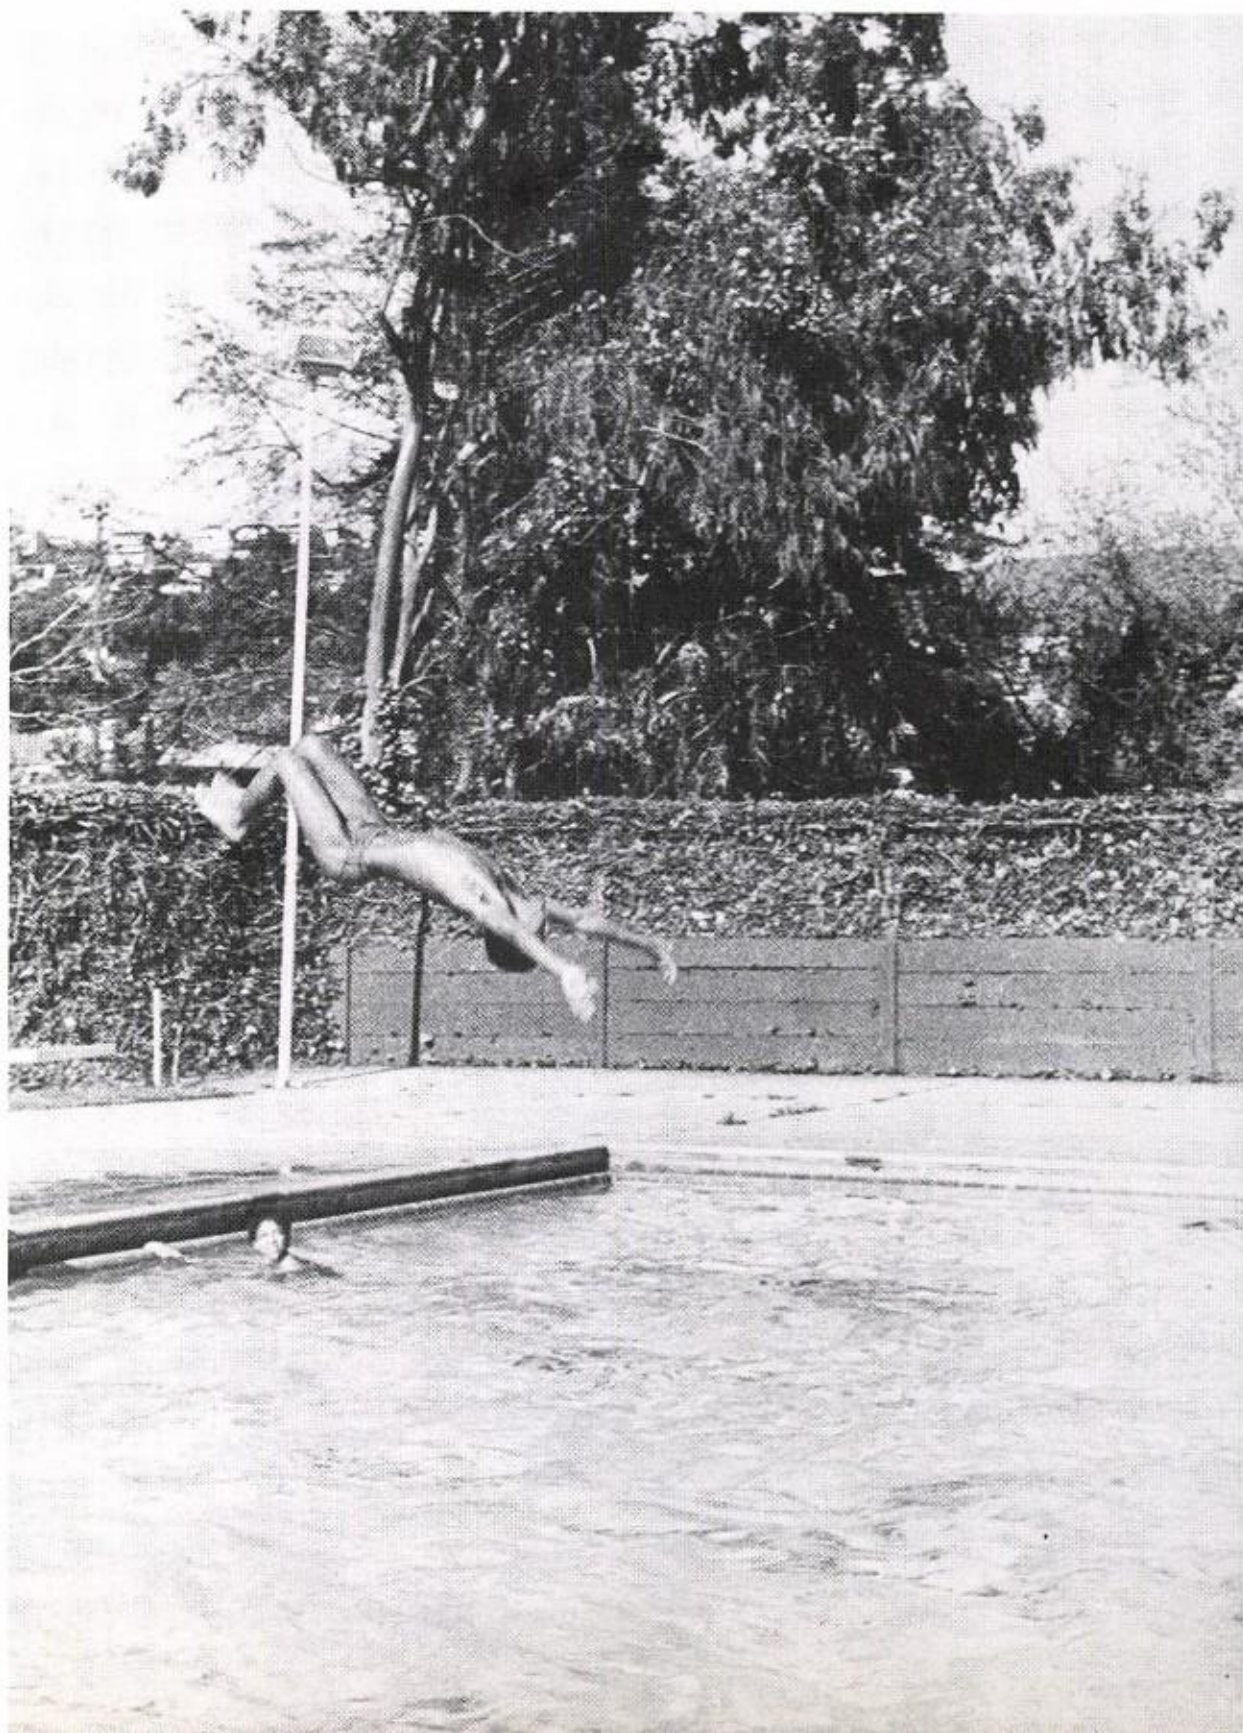

## Freestyle

is one of the events the knights mermen competed in this season. With a small but varied-talent team the Knights gave OAL schools some competition. Despite the teams age and inexperience Coach Beltz managed to bring the team to good standings in the end.

1. Knight mermen do laps at practice. 2. Daryl gets into swing of things as he dives off board a sophomore swimmer looks on.

## Powerhouse

hitters made the girls softball team a threat in the OAL. With returning letter girls Joann Alder and Darlene Williams the lady Knights competed as fiercely and as determined as possible.

1. Anita prepares to go to the field and pitch. 2. Darlene gets her arms in motion as a warm-up. 3. Lady Batter catches practice throw. 4. Joann ready to catch some good flyballs.

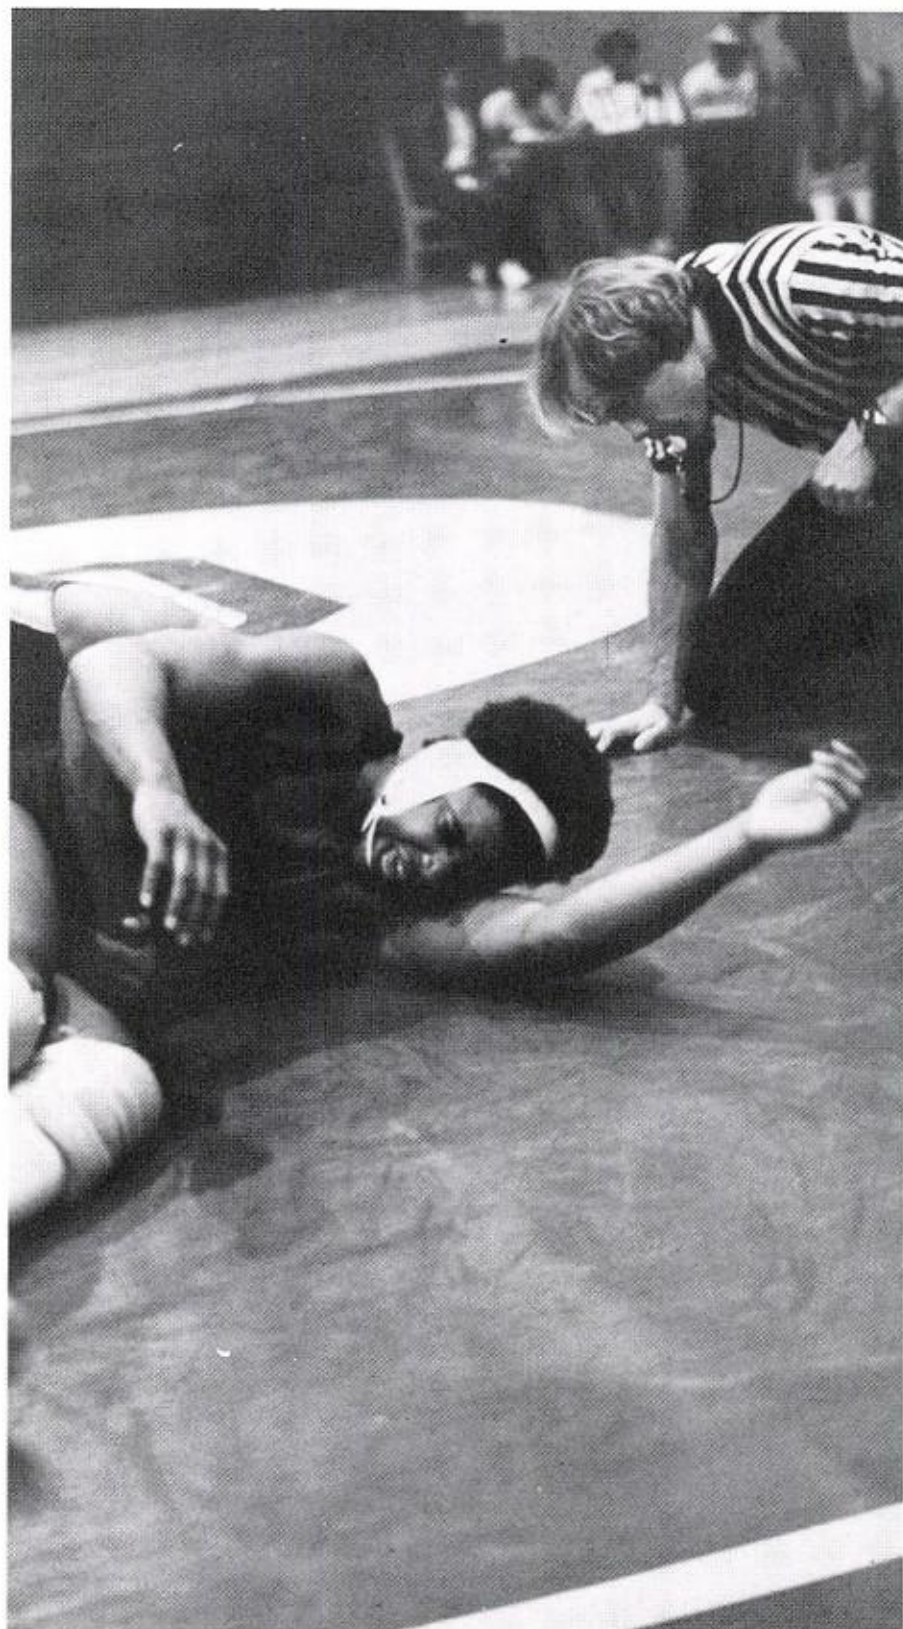

# Gettin' A Grip

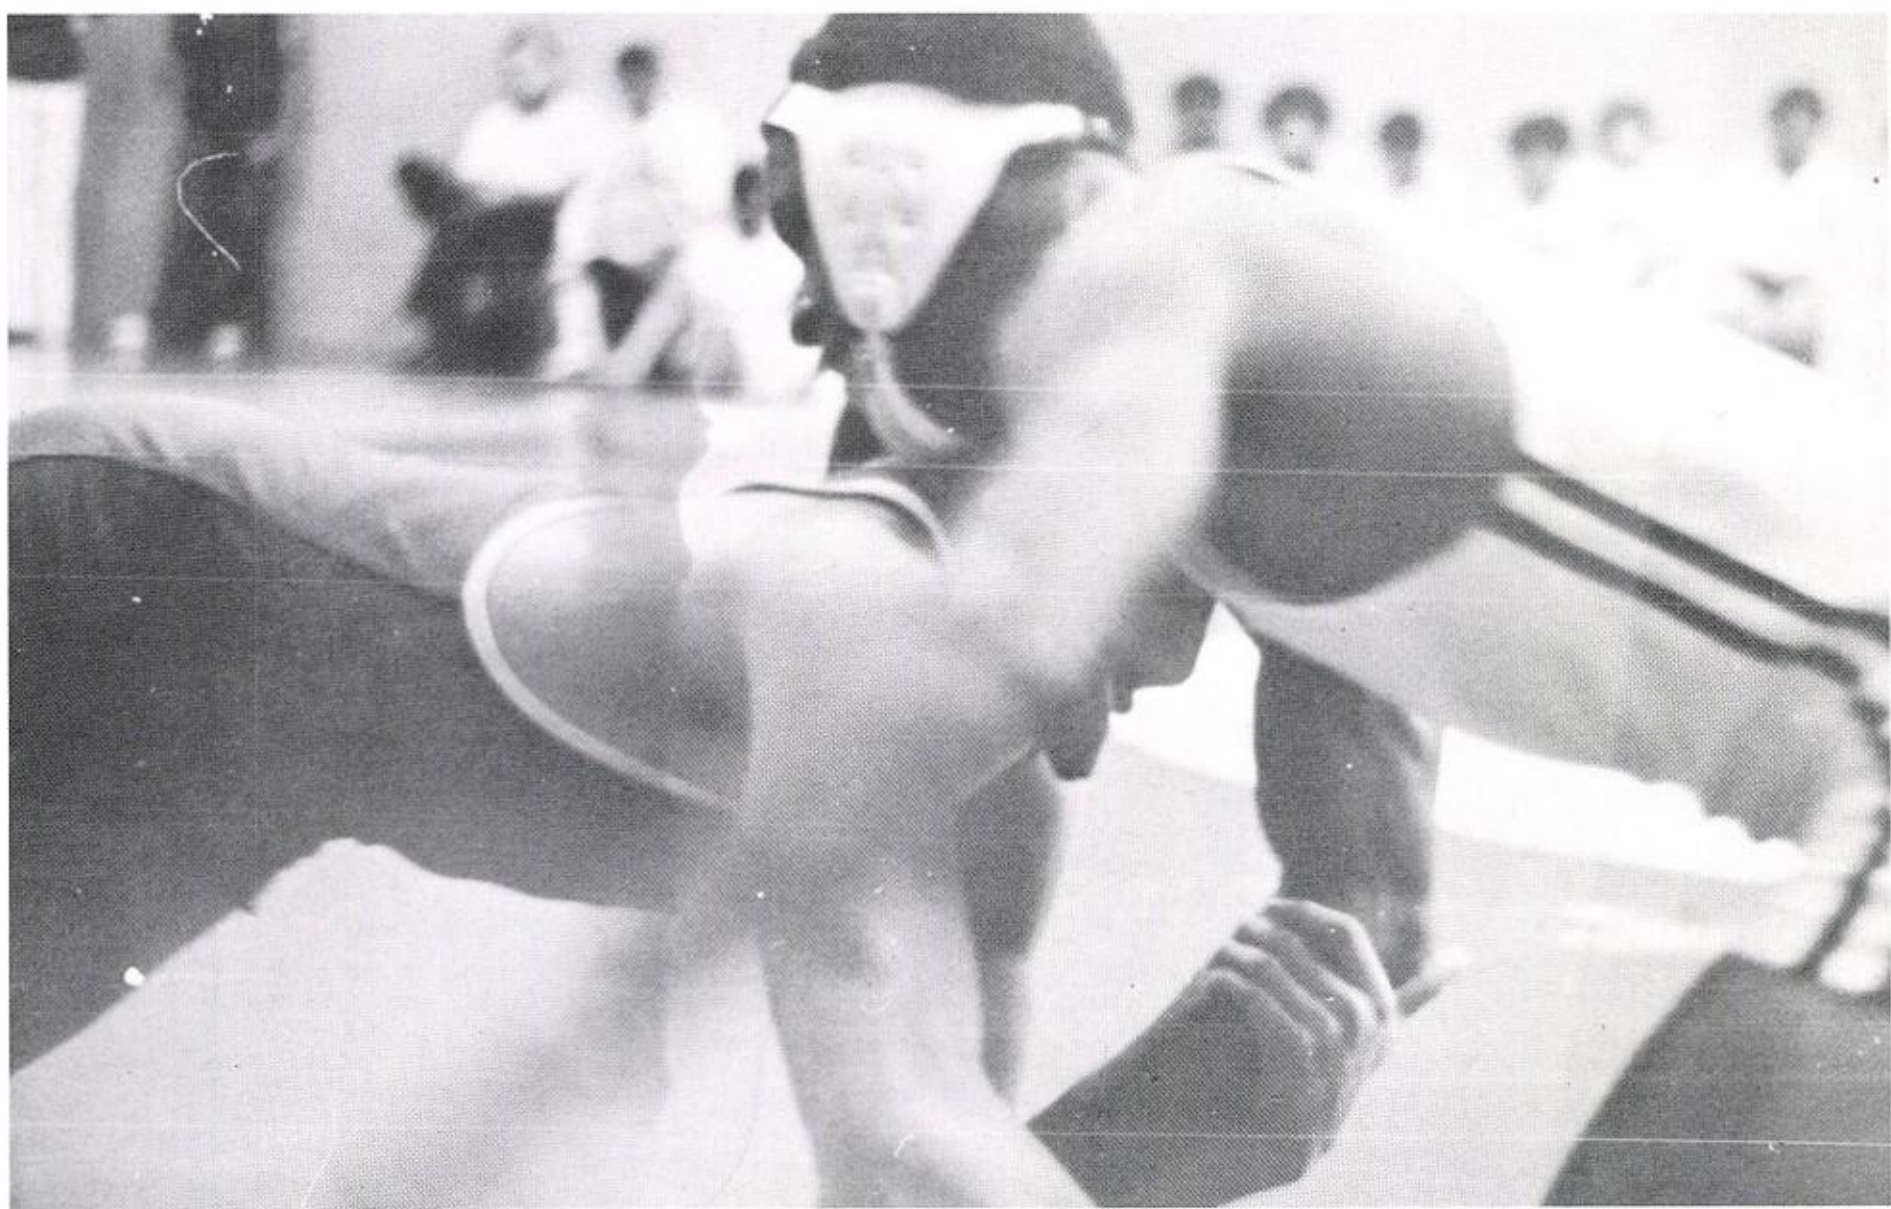

on things is what the Knight Wrestlers did this season. They gave the other O.A.L. teams a true match. With a young Junior-Sophomore team, the Knights placed fourth and sent two members to state.

1. Anthony concentrates 2. Chuckie on the side 3. Chuckie on top 4. Team watches action 5. Roy grapples

Varsity-A. Whitlow, D. Washington, C. Hearn, E. Wilson, A. Dunbar, S. Oliver, R. Evens, K. Joiner, D. Harris, M. Porter, D. Blacksher, K. Smith, R. Dixon.

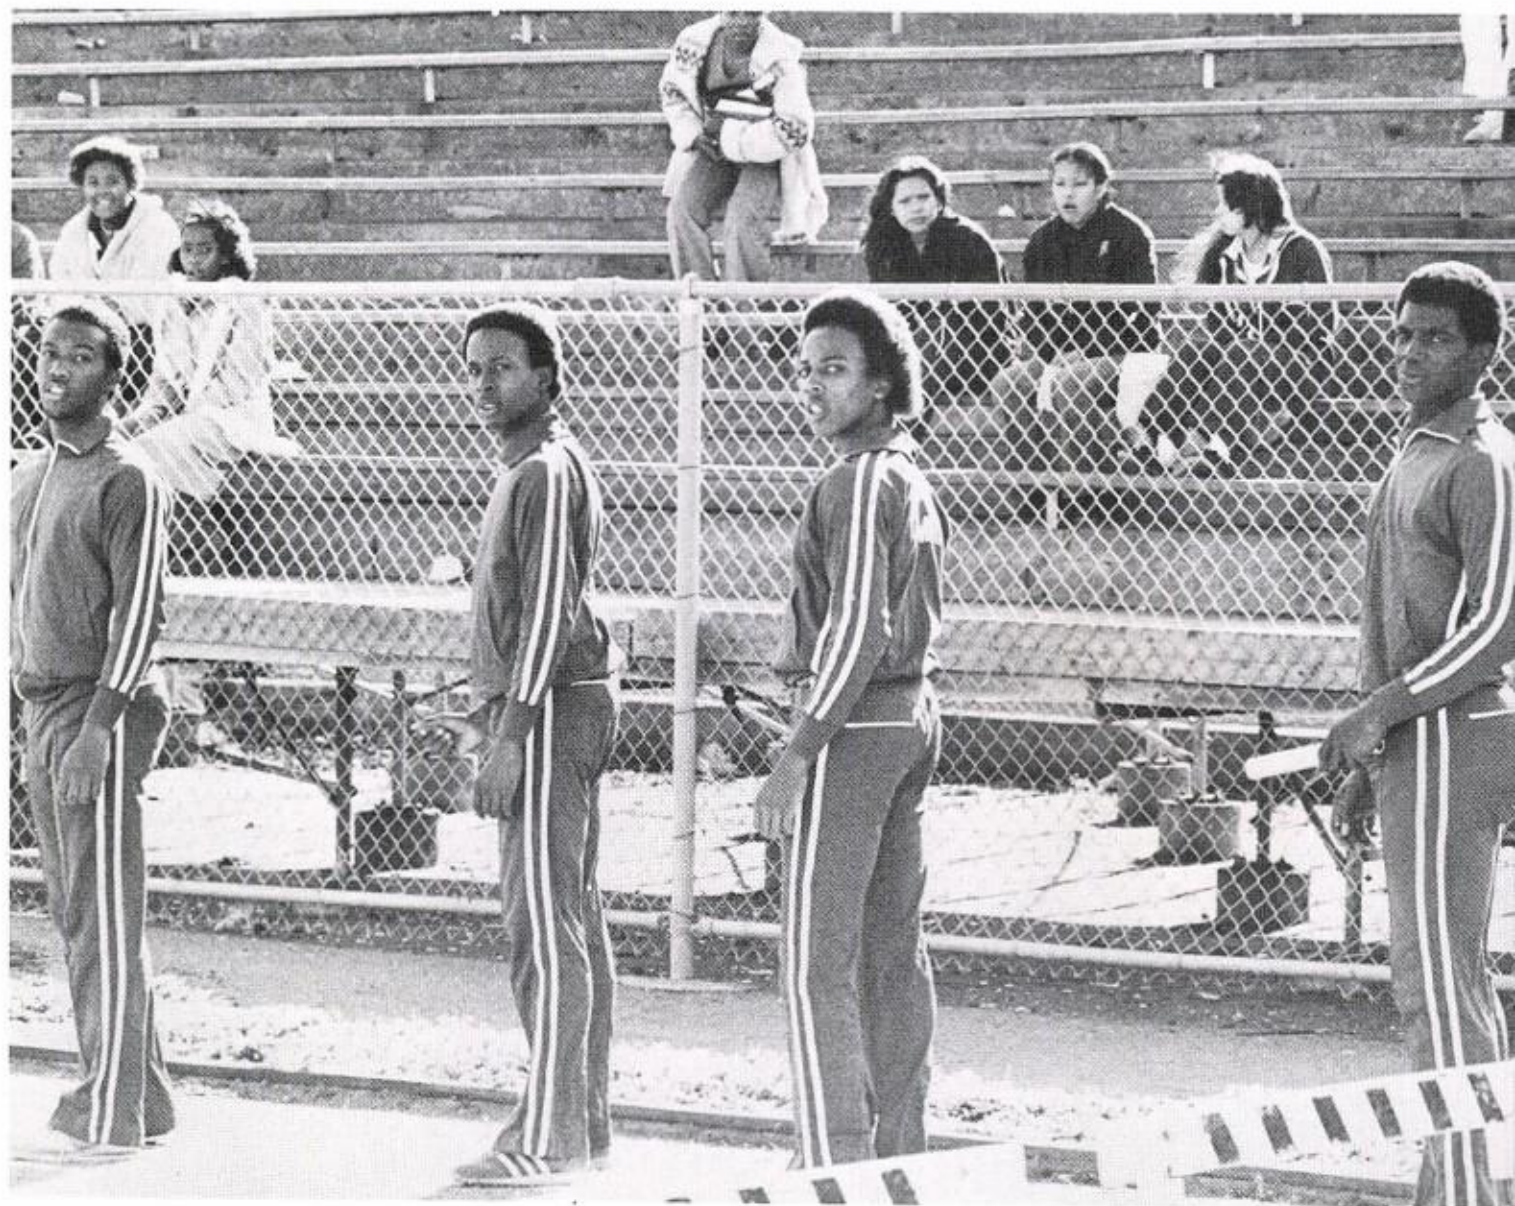

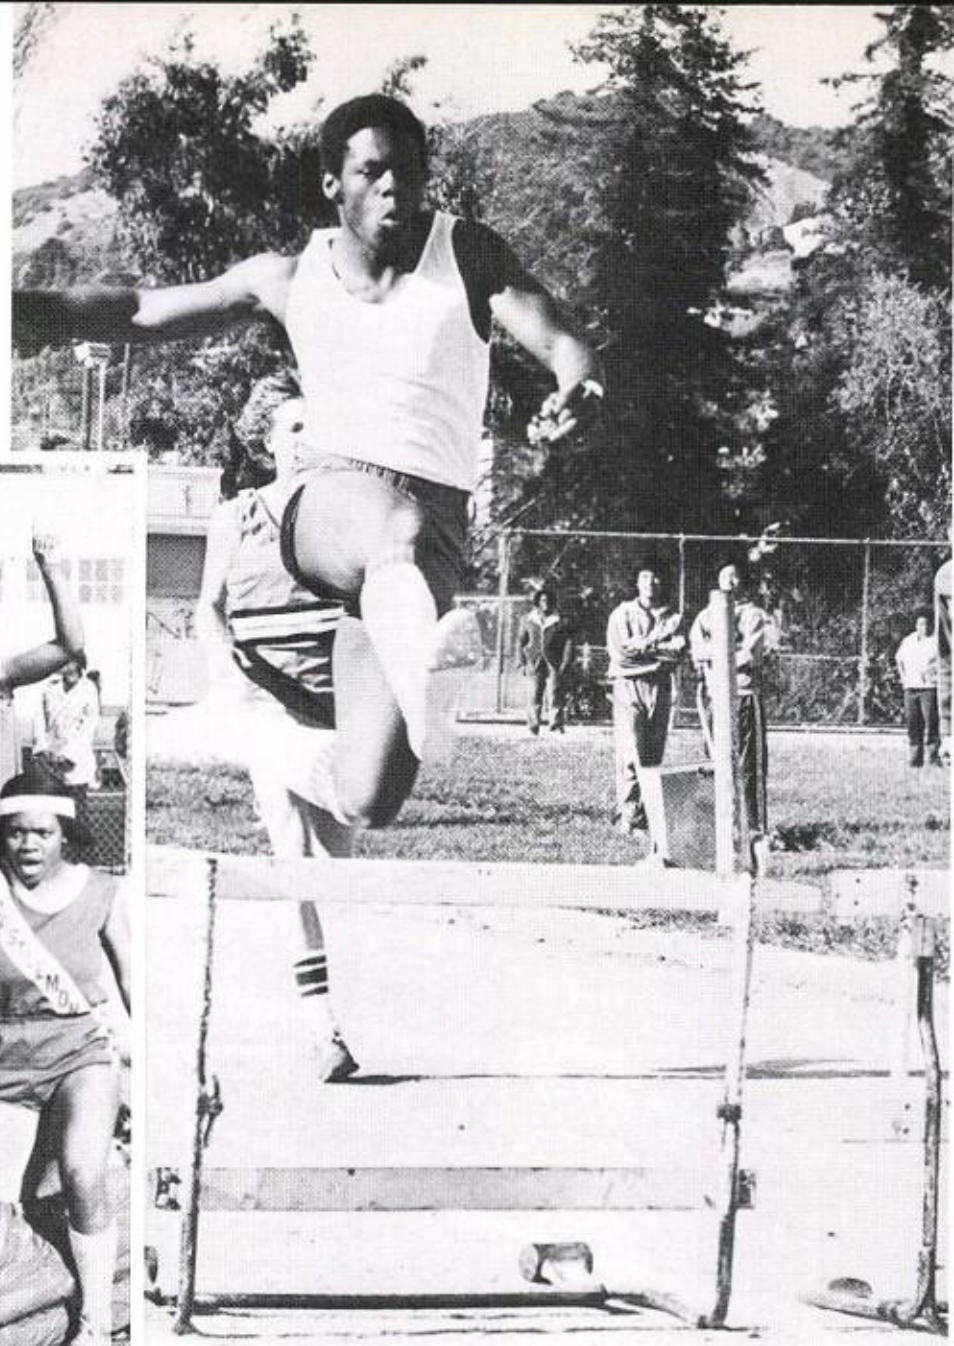

# Purple Gang

Returns to the track giving the O.A.L. some stiff competition shining in middle distance and mile, we will place high.

1. Girls team looks victorious. 2. Ervin goes up on low hurdles 3. David breaks tape to win in 880 4. 440 relay; George , Kenny and Darwin line up 5. Boys Varsity-JV team 6. Anita Runnin' 7. Charles says, "HUAH"

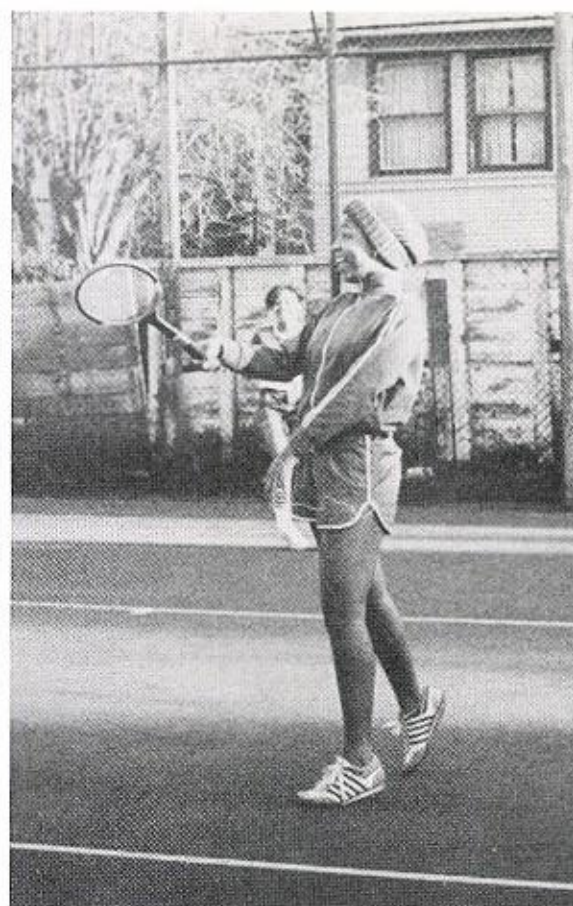

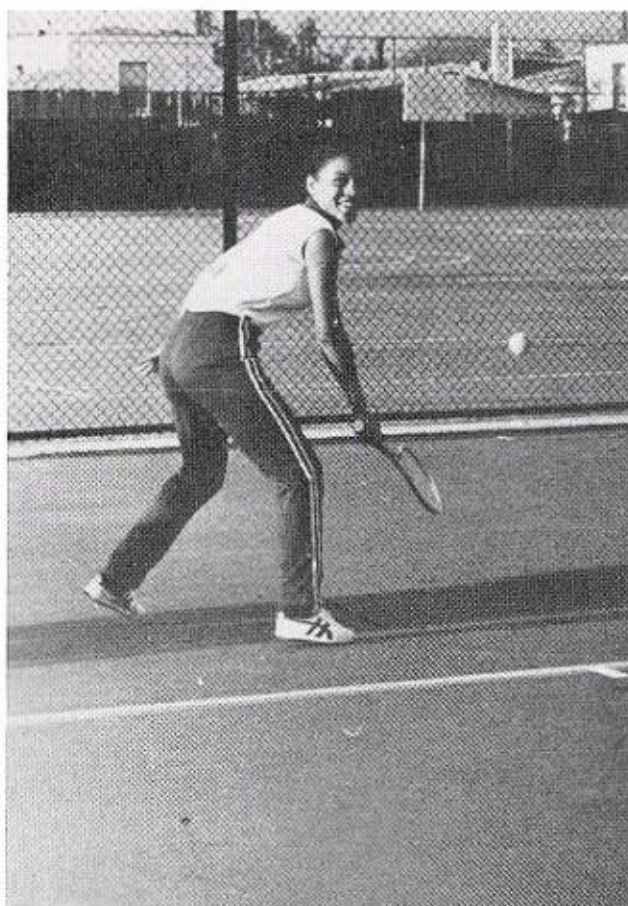

## Dig it

was what the lady knights did in their volleyball matches. Despite powerhouses on the team, the ladies couldn't take first but came in a close 2nd in O.G.A.L. competition.

1. Vanessa serves. 2. The team. 3. Valerie returns.  
4. Team warming up

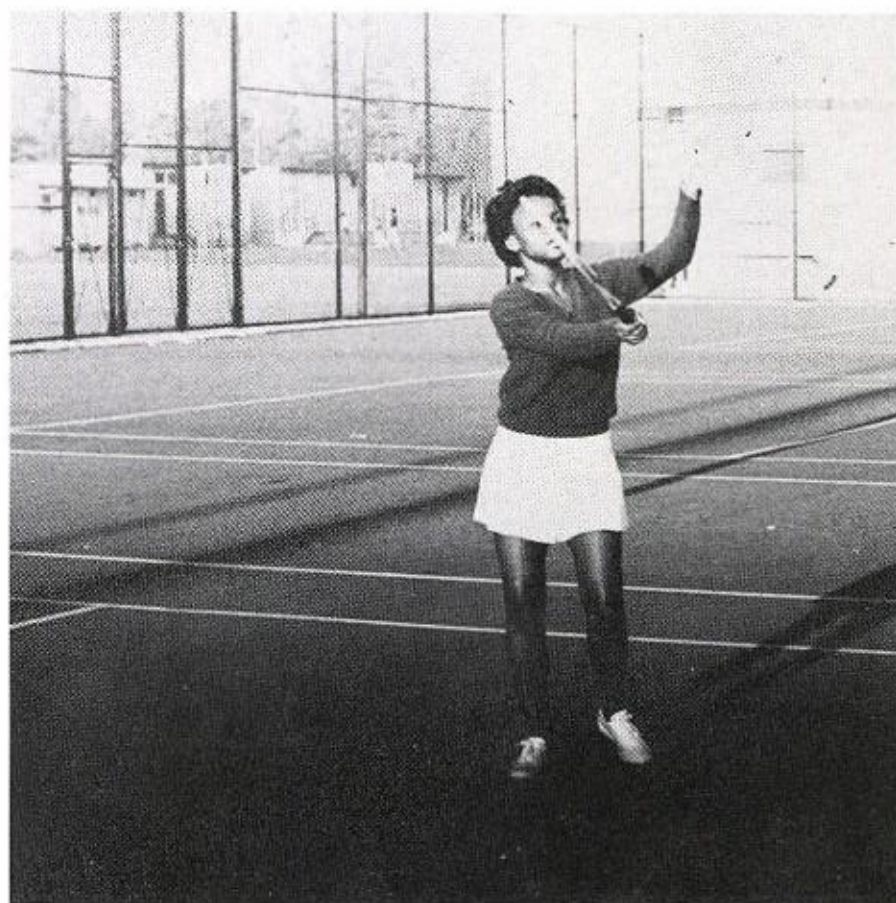

## 6 Love

is the perfect score in a tennis match. The girls team did well finishing second,

Yolanda, Kitty, and Chandra. The team, Valerie in action

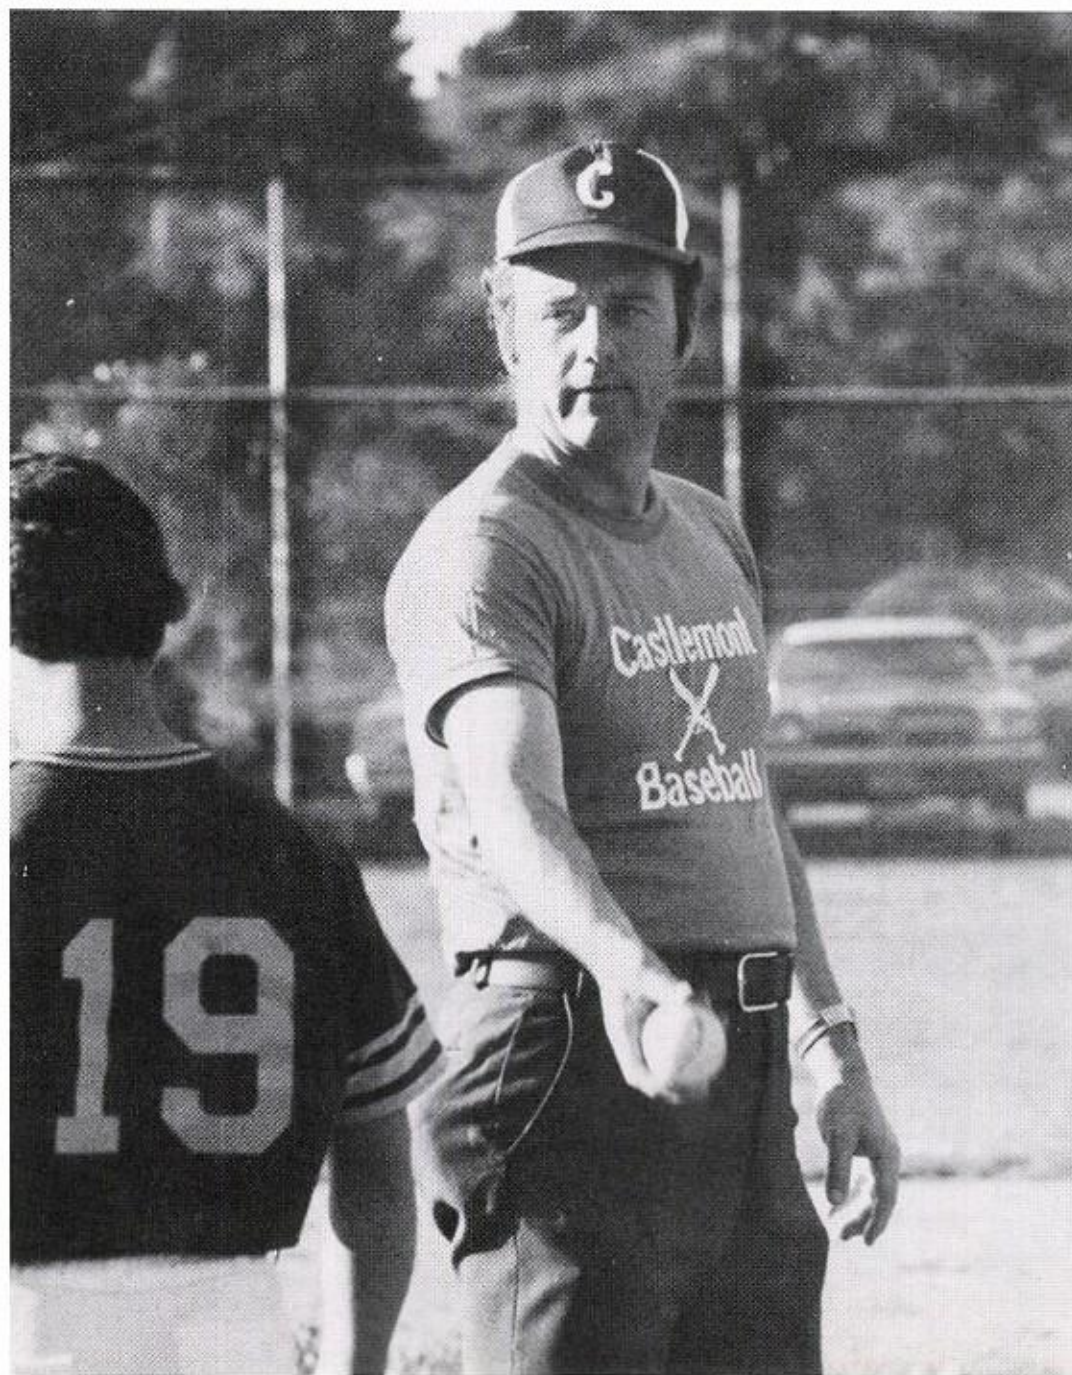

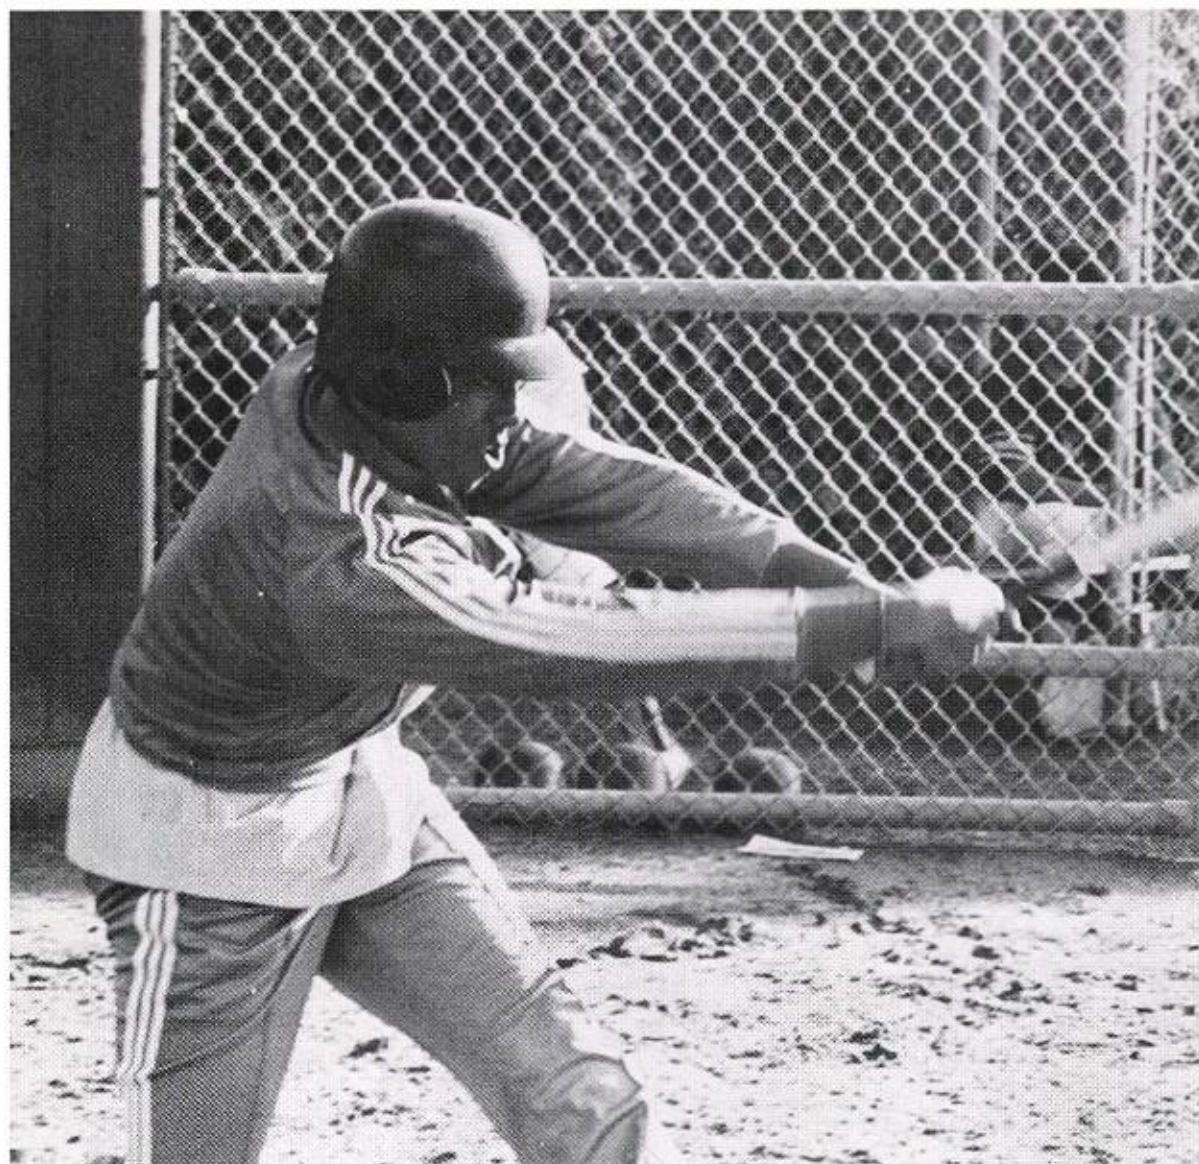

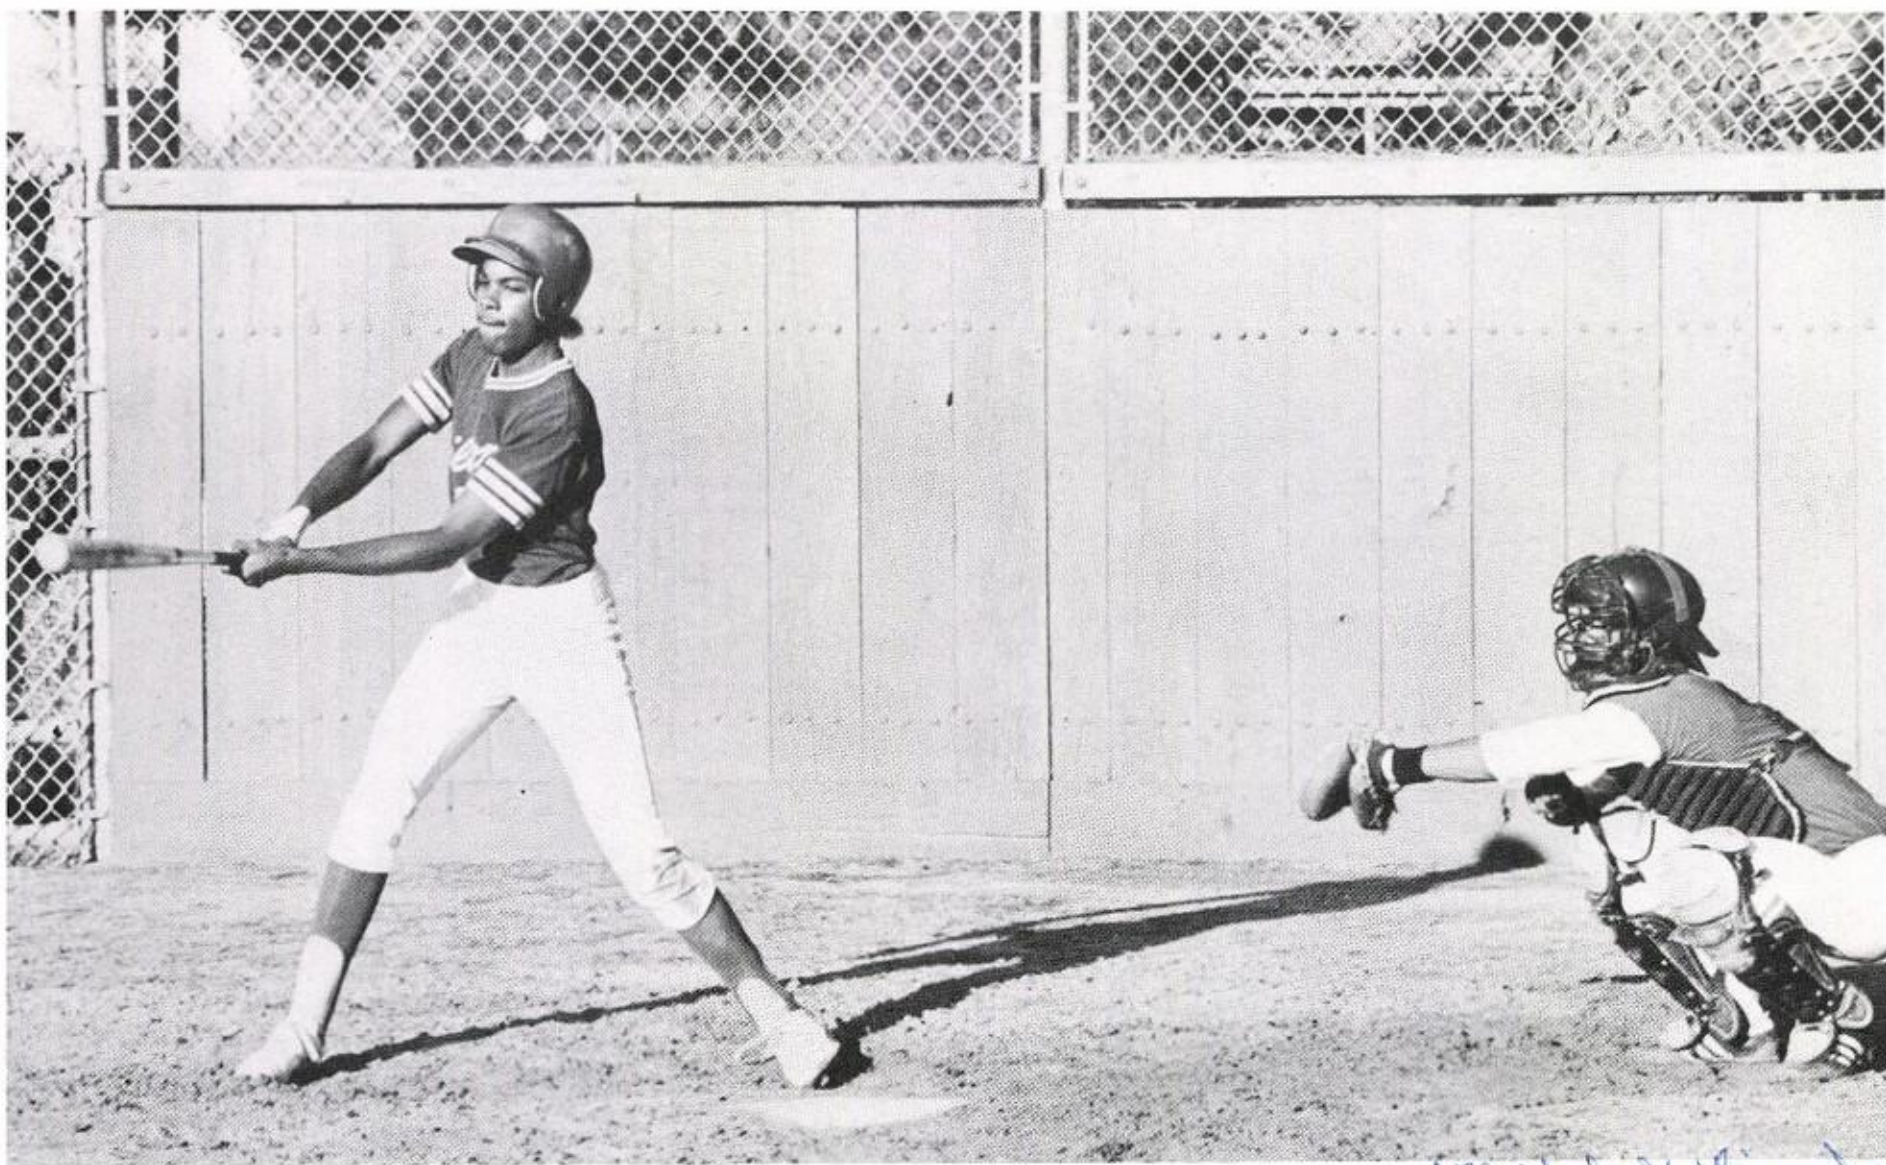

# The Knights

1980 batters were looking forward to an almost perfect season. The team was solid throughout in its line up. Contact hitters, flame throwers, combined with a defense that's live were the bright spots for this senior oriented team. Returning lettermen were Carl Hatter, Kerry Grimm, Joe Gregory, Oliver Albert and Aubrey Johnson.

1. Steve swings. 2. Carl in the outfield. 3. Coach Luzar. 4. C.C. makes a catch. 5. Stacey warms up. 6. Guys on the team.

*Mitchell Bias head*

Aubrey stoops down to catch a real low one. 2. O.C. suits up to catch in a Key game. 3. Durray limbers up with bats. 4. Ollie makes a catch for the out at firstbase.

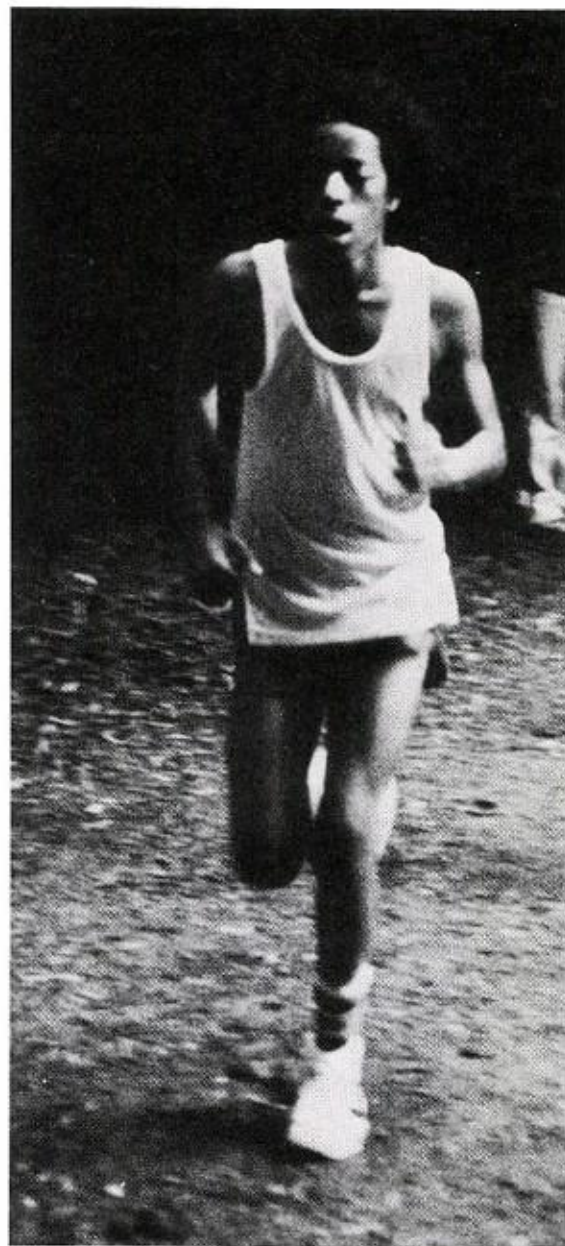

# Booters

made a good showing in the OAL. The Knight soccer team placed fourth in the standings. They were a strong young team. Two Knights made All-City at the end of the season.

1. Anthony, Steve, Eddie in play. 2. Steve again 3. Darryl blocks. 4. Moses moves it.

## Pumpin'

hearts are what the Knight cross country team members had in their season. The young team managed a fourth in the OAL. One lady Knight went All-City along with one Sr. man.

5. Sharon gets help 6. Armond keeps the pace. 7. Kenny, Jarvis, and Armond at the line. 8. George and Donald are off!

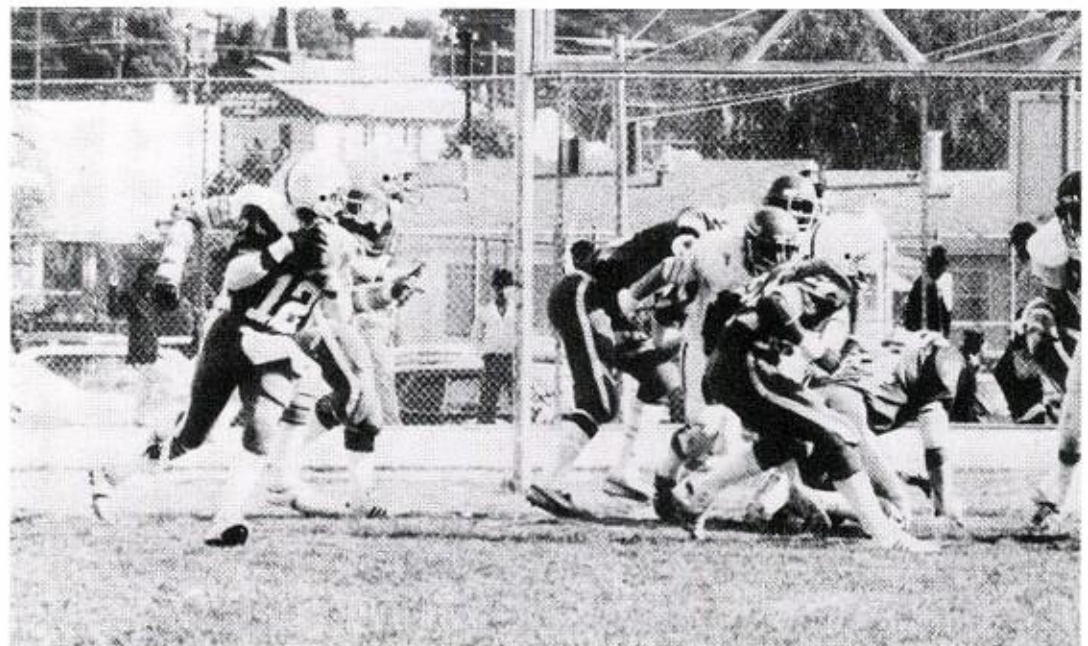

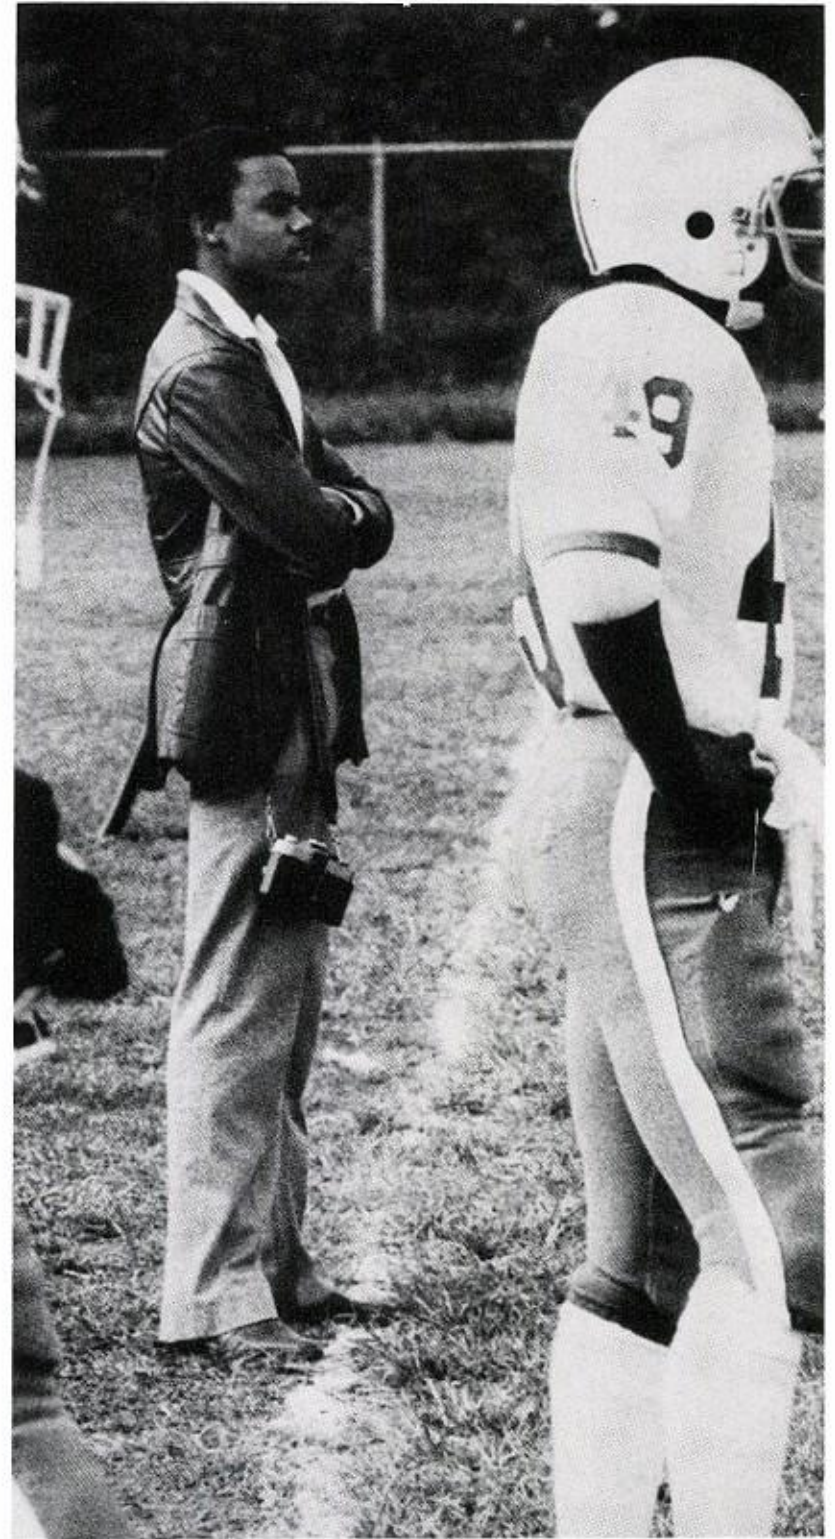

1. Knight offense with Coach Neal LaTerri at Skyline game November 1  
 Chuckie, Darvin, Oliver and Tim trying to get a score. 3. Robert Bailey  
 kicks the leather as Aubry protects. 4. Terrance recovers fumbles with  
 help of Terry and Aubry. 5. Ricky Fields watches action.

## Fire-up

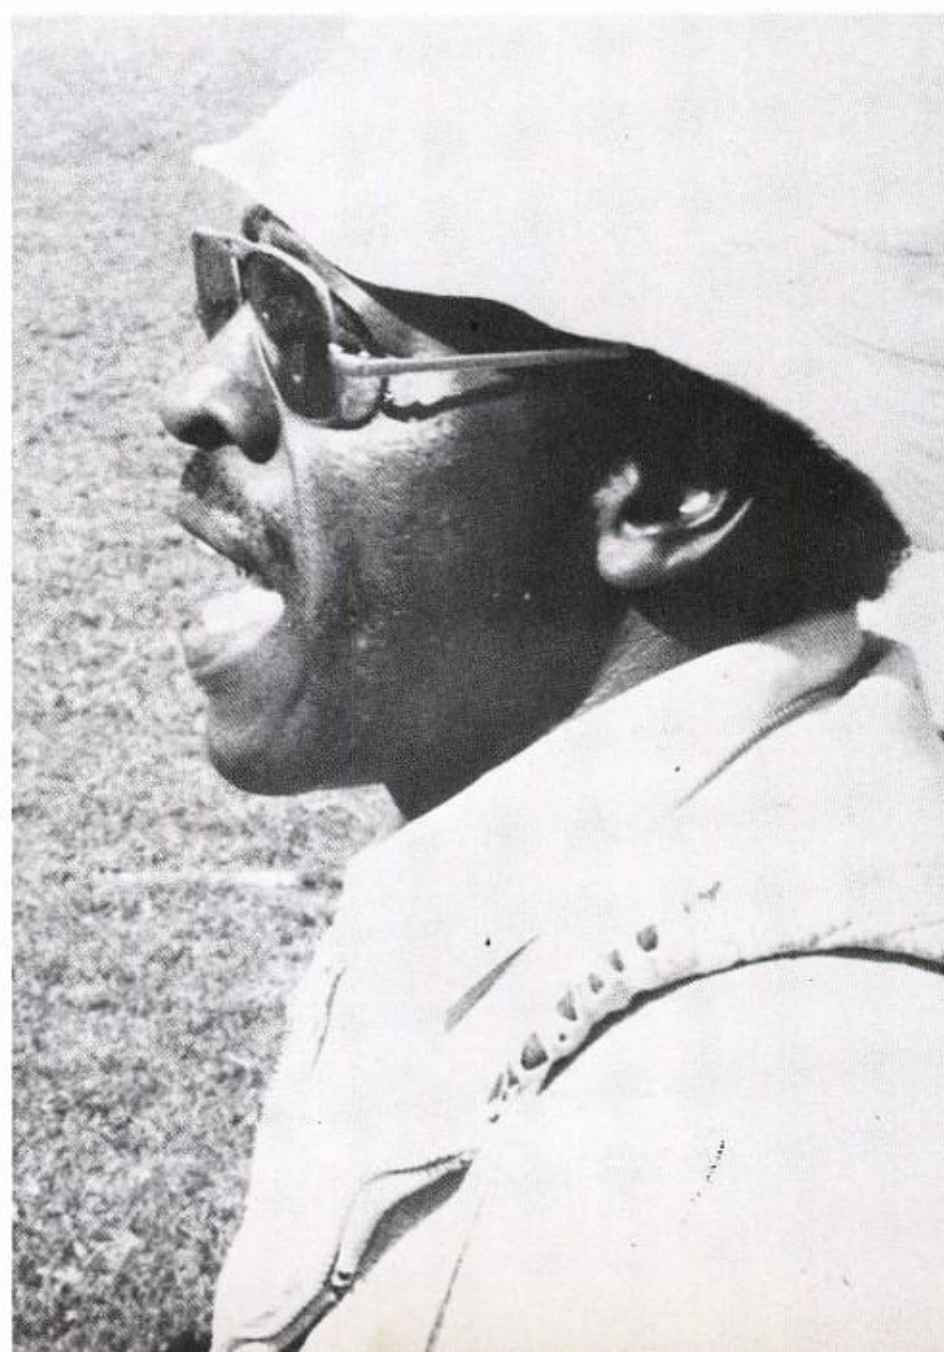

were the words used to prompt the knight varsity to a dead heat tie with the McClymonds warriors. With the J-P bomb the offense made killin' its contest with the other OAL teams. In defense names like Lee, Johnson, McFadden, Wilson, Thompson, and McDonald made for some study. The season will be remembered for the thrills of the Skyline and McClymonds games. With talented Juniors, Johnson, Petis, Malone, Lawson, and Mays, the knights will go all the way alone in '80.

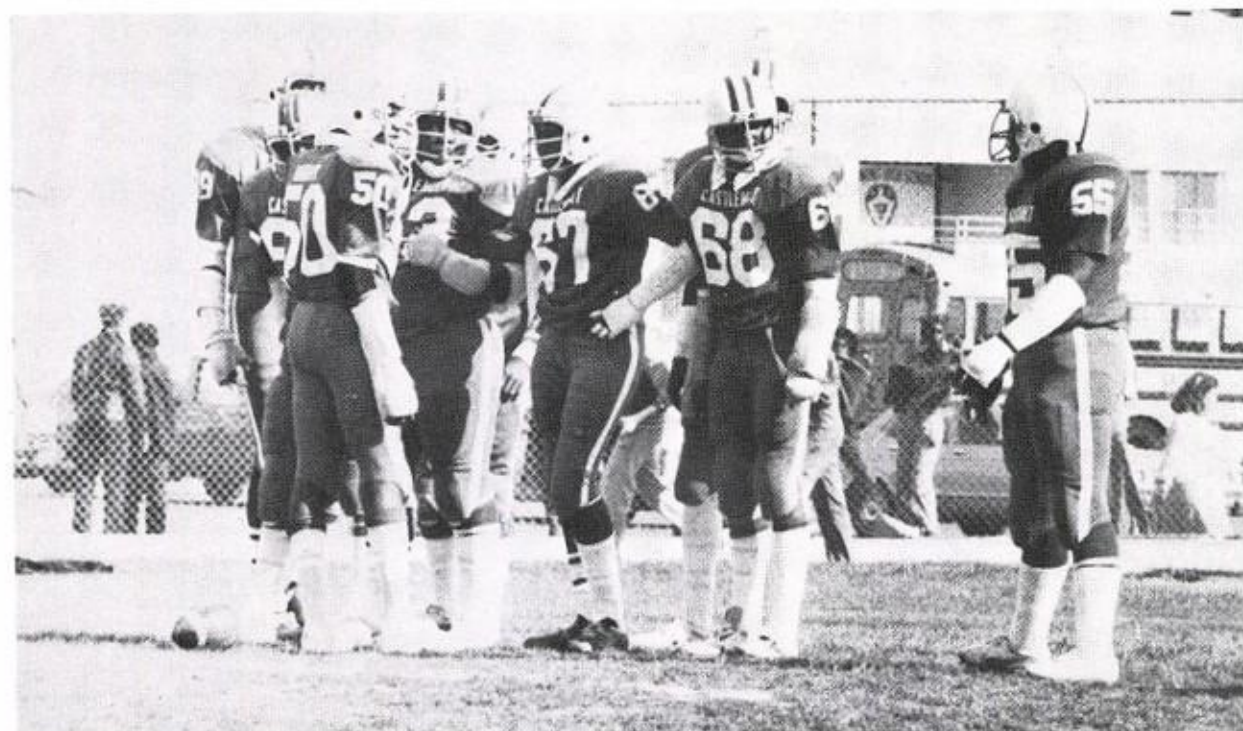

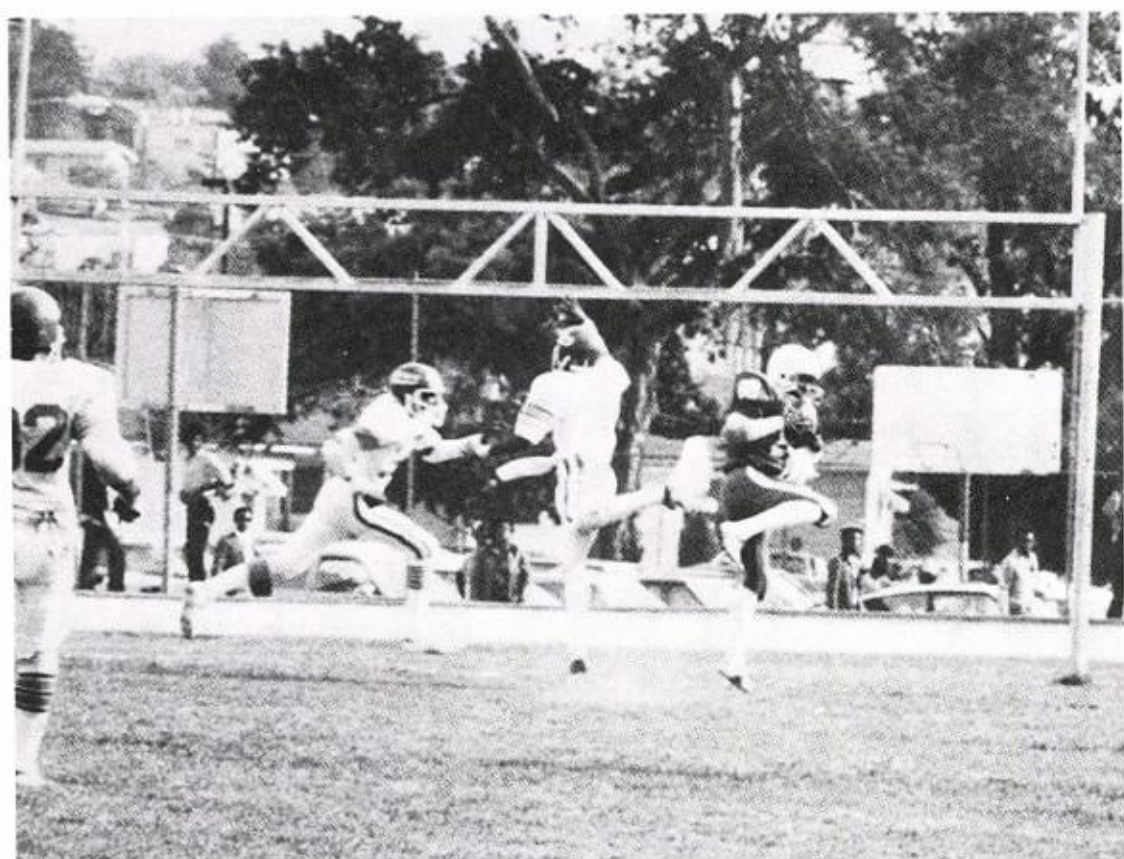

1. Kenny Lawson drives for yards. 2. Tim and Kenney pause at practice. 3. Coach Lawson yells out support. 4. Knight in a synchronized run. 5. Darwin gets tackled. 6. Defense in a huddle. 7. Stacey in a J-P bomb. 8. Ollie before the game.

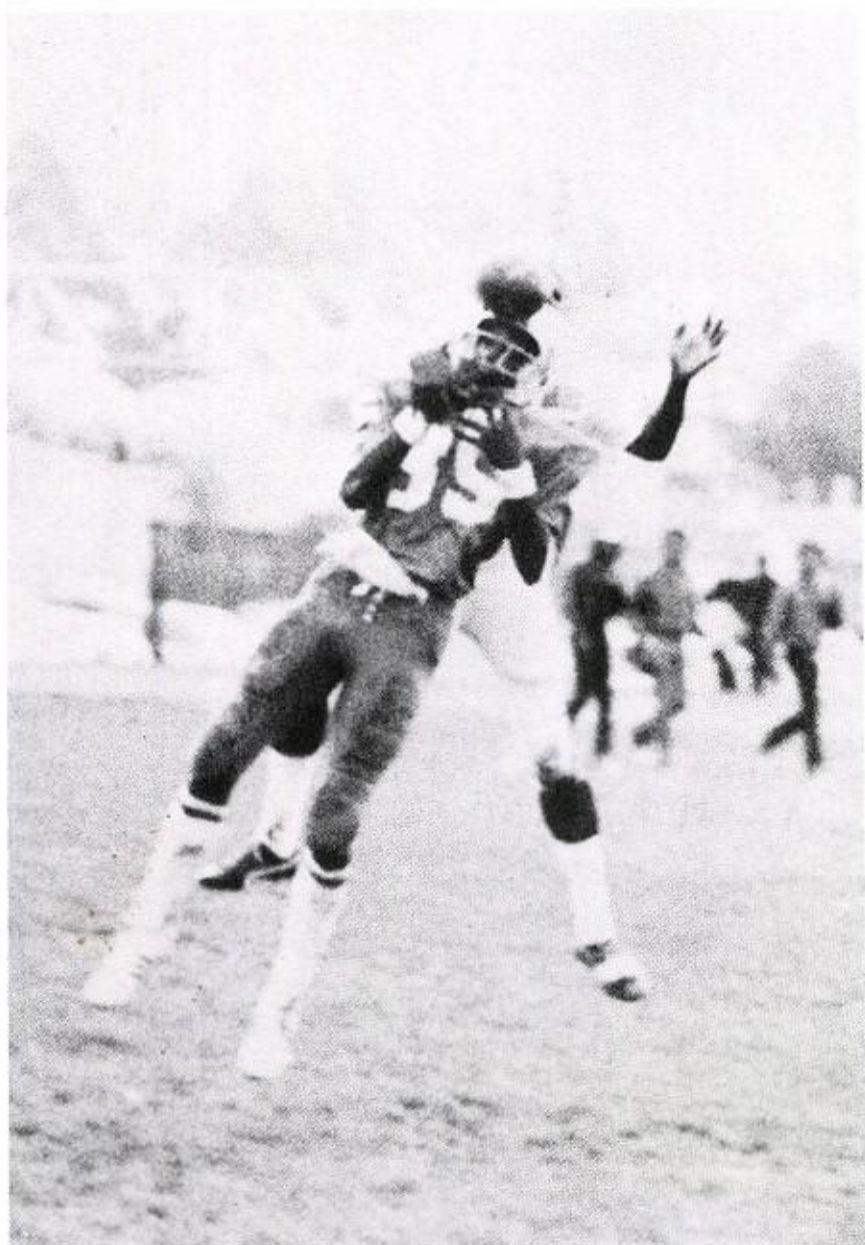

## Jeckyle and Hyde

roles were played by the Knight JV team. The junior Knights' season was full of ups and downs. Losing to its preseason foes, the Young team showed its sleeping skills and winning potential against Oakland High, Oakland Tech, and McClymonds.

Their hopes for a fourth undefeated OAL JV title came to an end with losses to Skyline and Fremont.

1. Darwin runs with a catch. 2. Varsity defense looks awesome  
3. JV defense looks confident, not pictured JV offense 4. Aaron "Chief" makes a miraculous catch.

The 1980 season was not a good season for the Knight cagers. Key man Eric Lee became ineligible, leaving the tough tasks of defending the Knights' O.A.L. and T.O.C. Championship titles up to Lathan Wilson and the other Knights. After a tough season the Knights finished in second place behind the Fremont Tigers. Lathan Wilson led the Knights scoring drive with a 21.6 average. The Knights took honors winning the Anderson and Stockton Annual Tournaments. They finished 19-4.

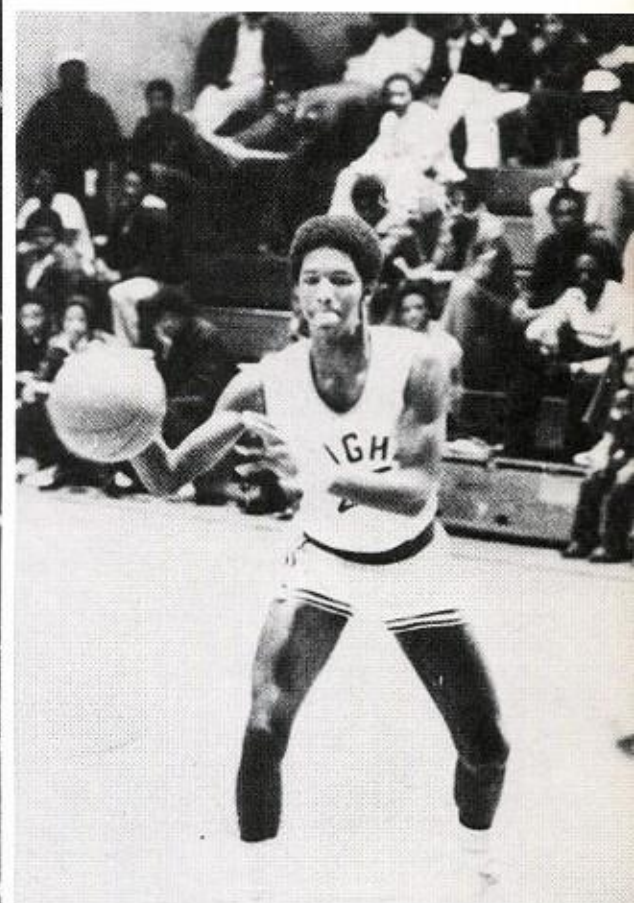

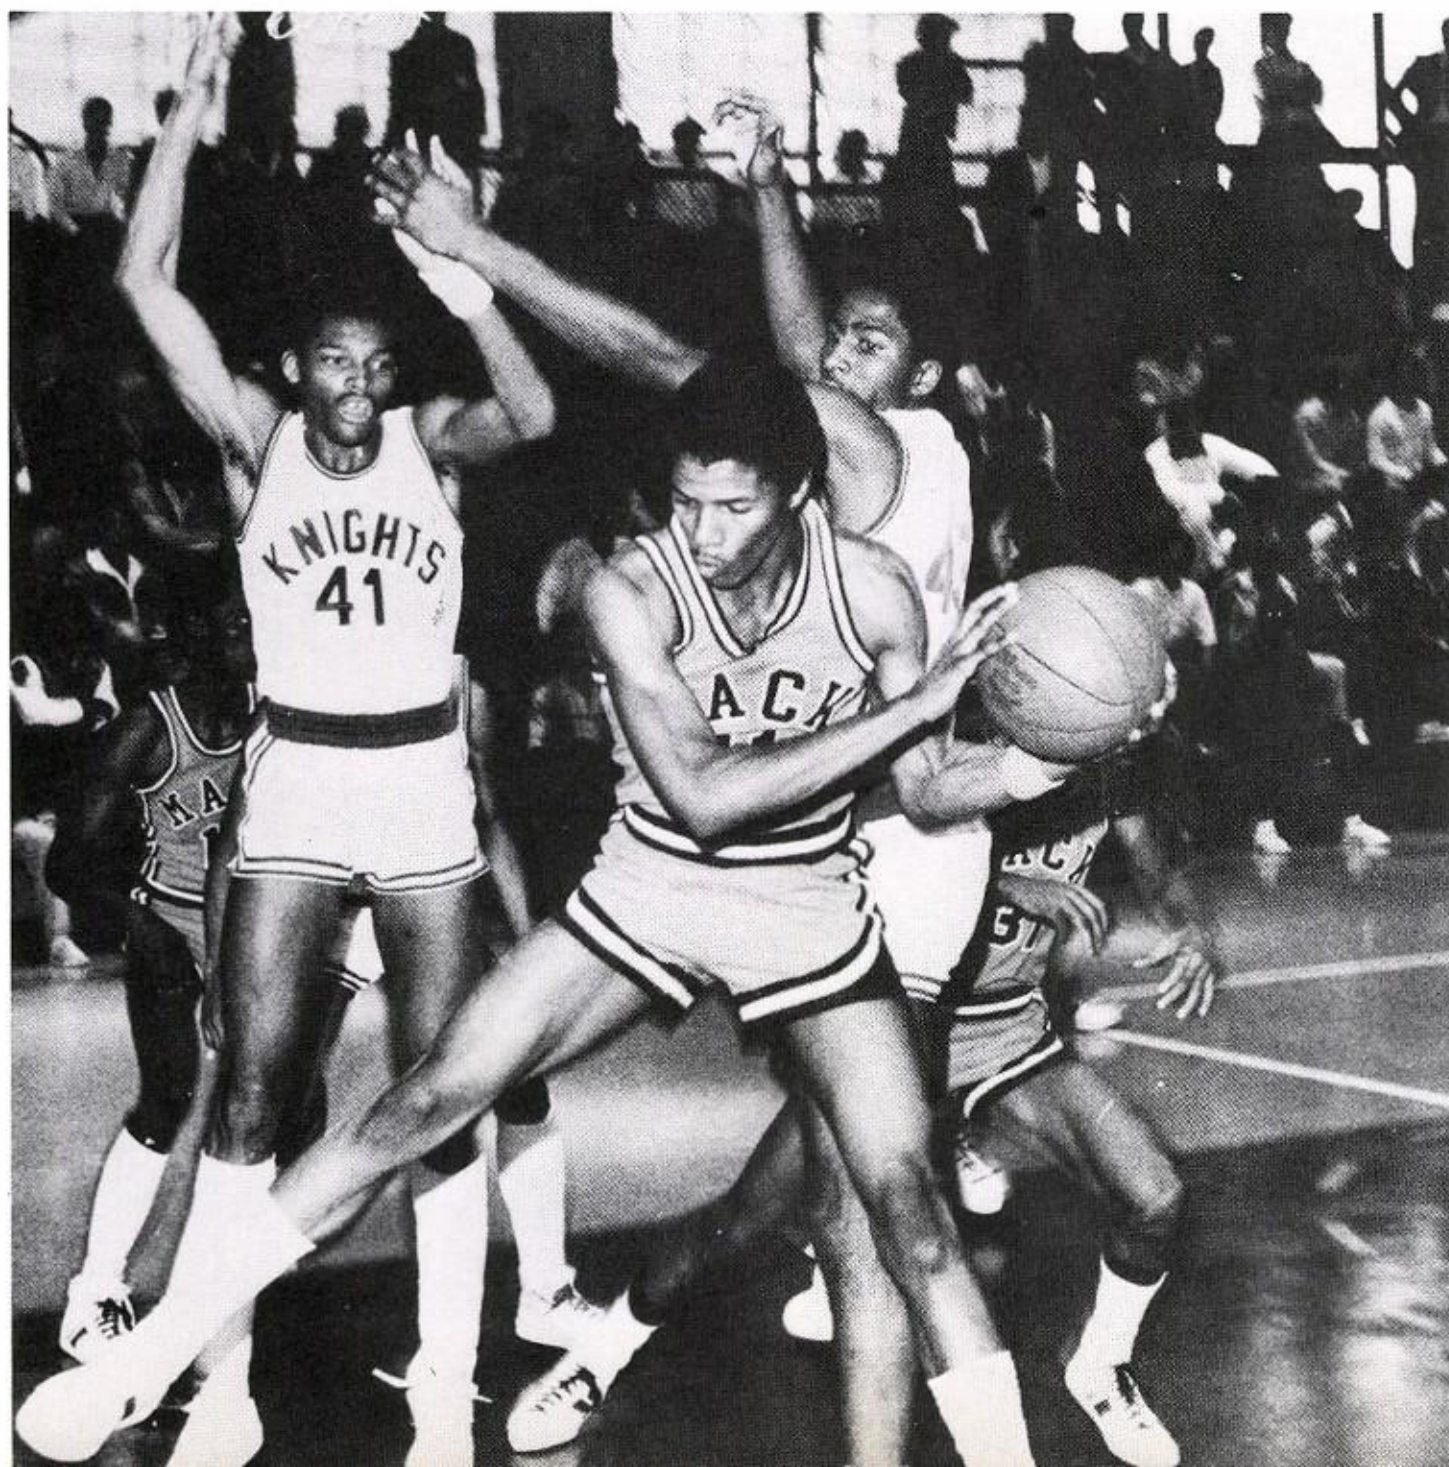

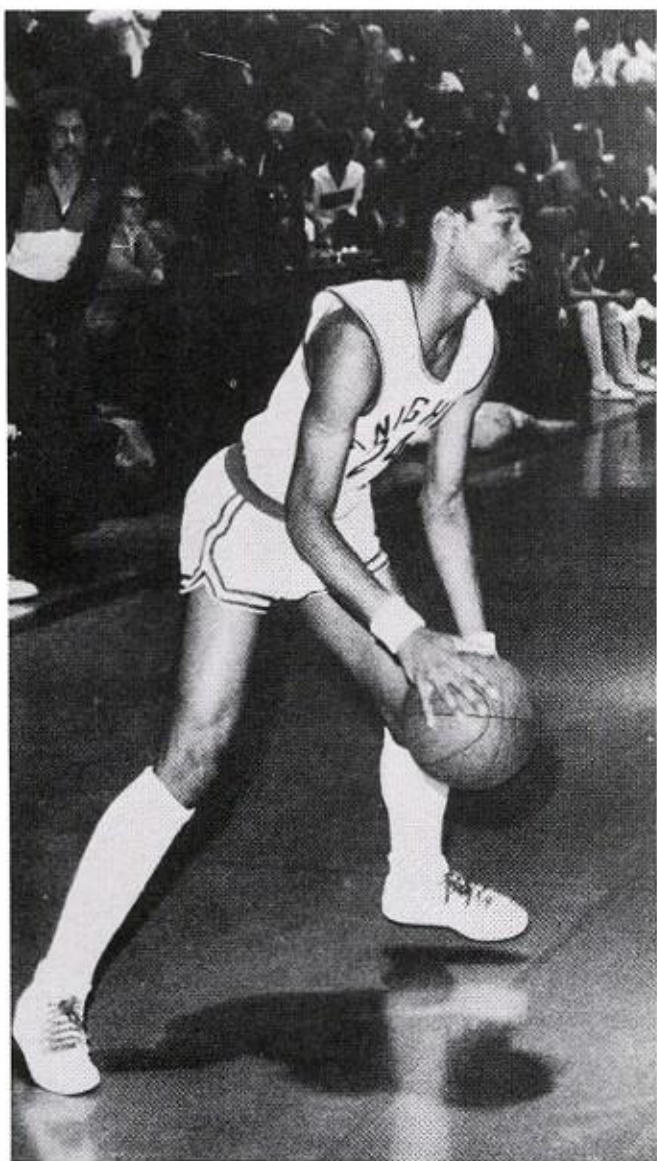

## VICTORY

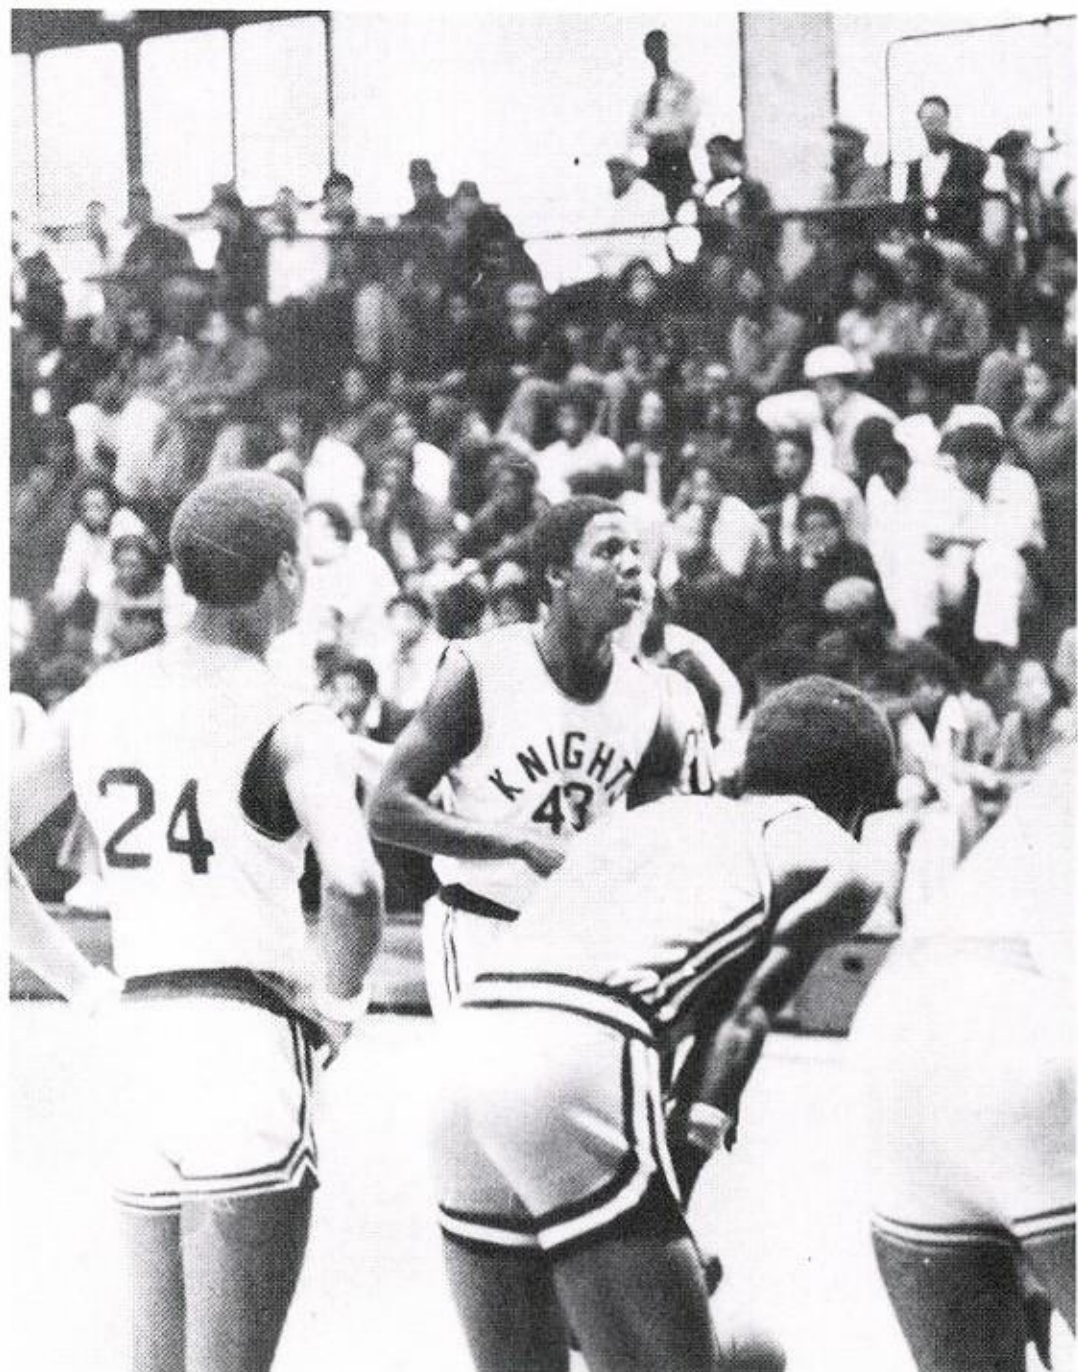

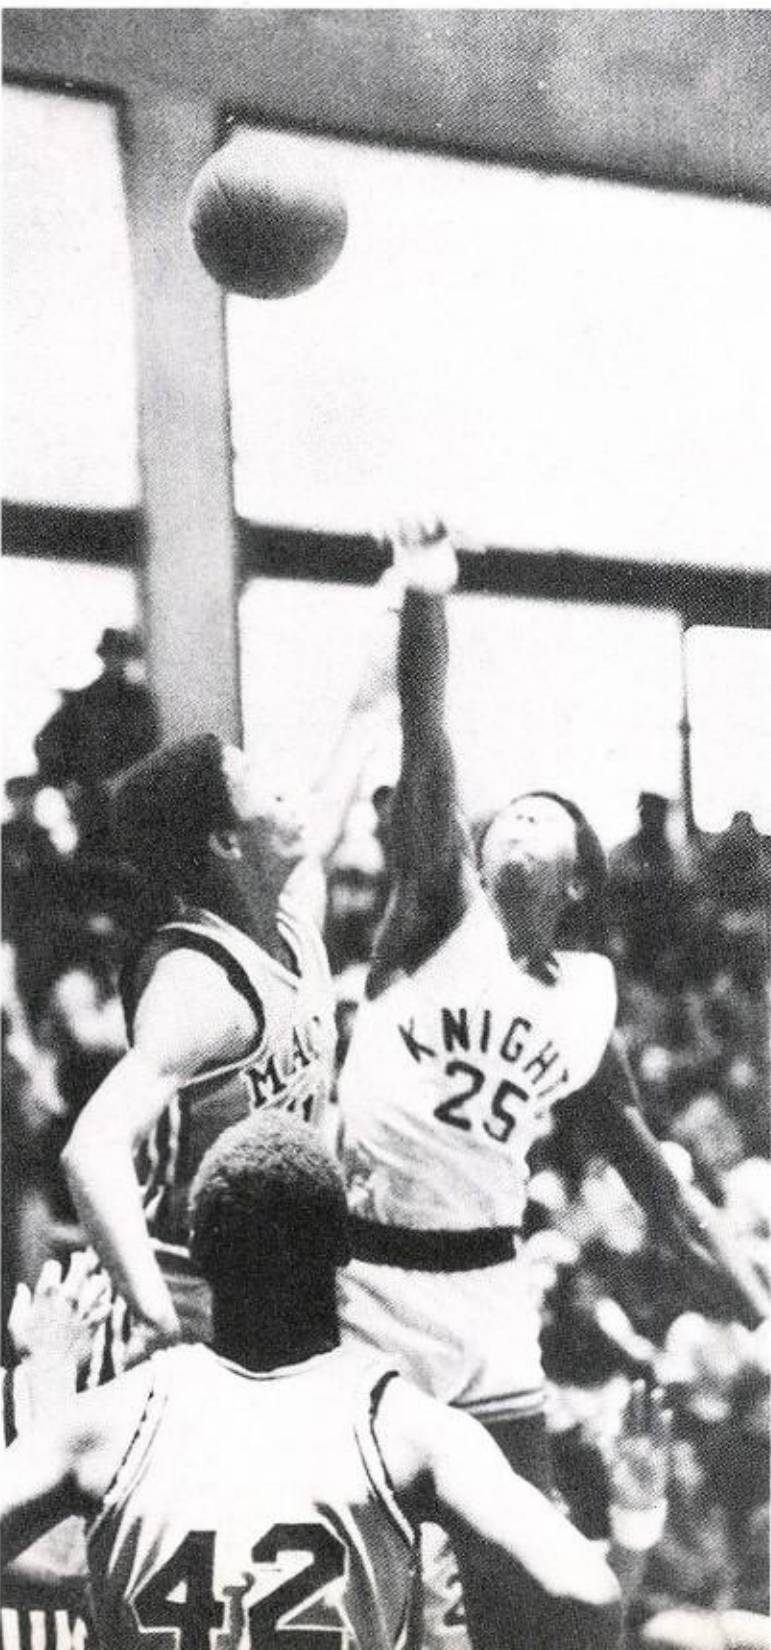

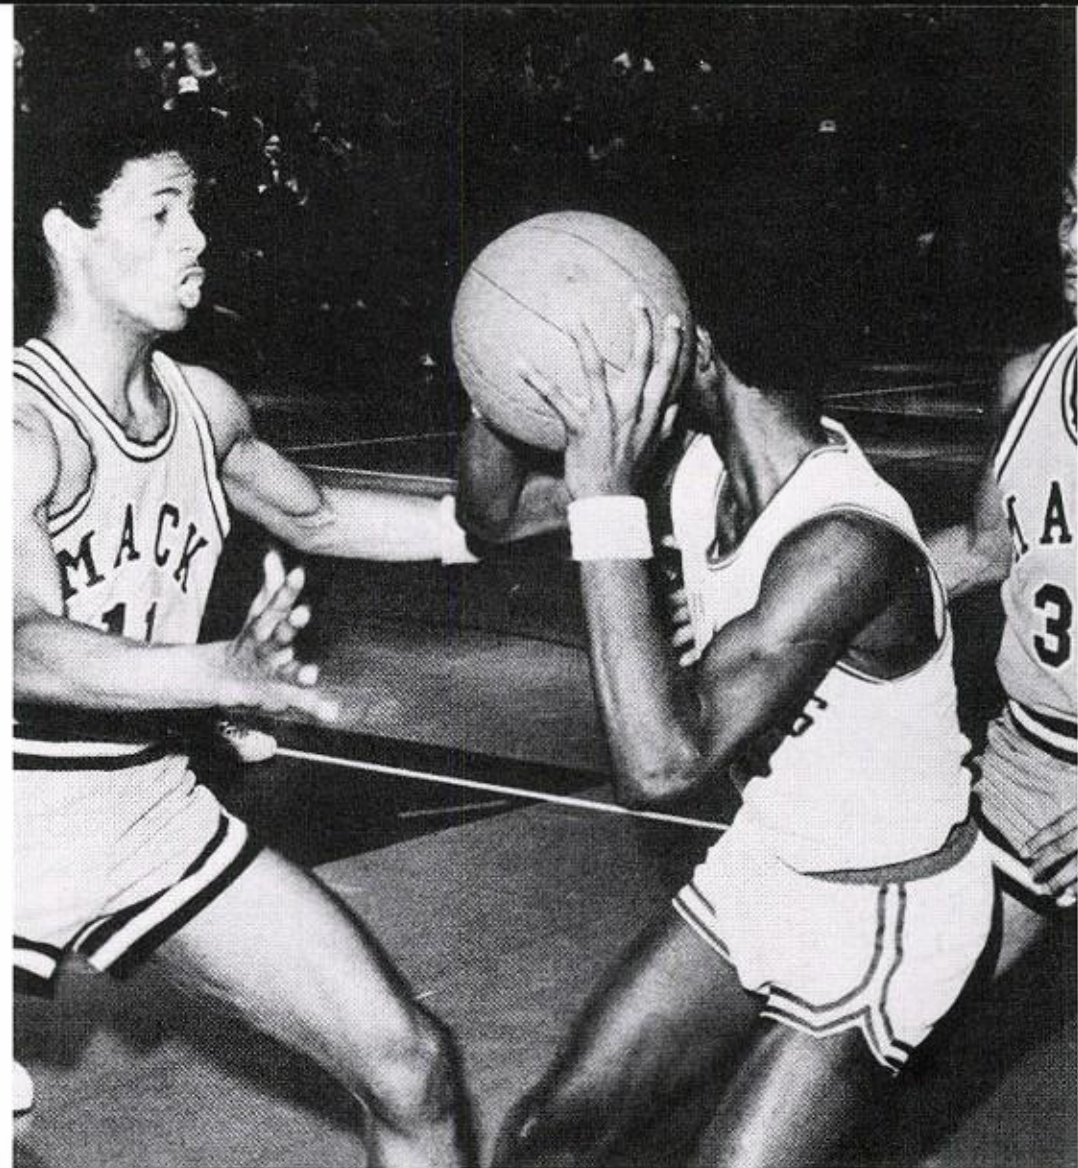

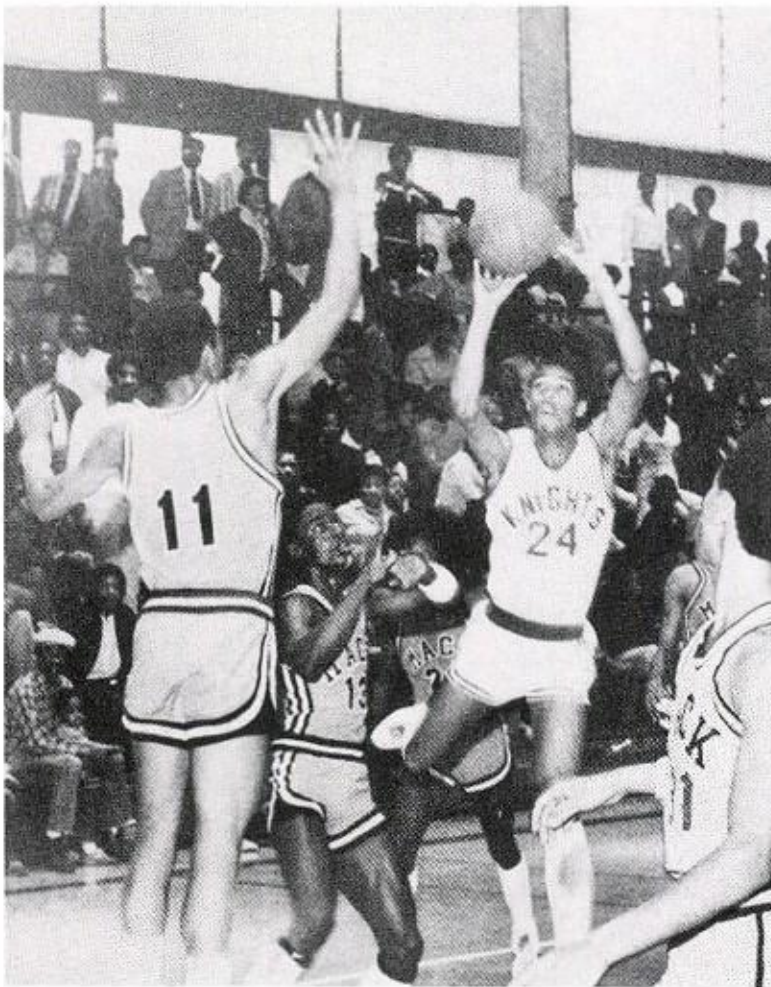

1. Anthony and Greg watch game. 2. Lathan attempts a shot. 3. Blair scares Mack man. 4. Brian pivots. 5. Chuckie attempts two. 6. Leroy and Greg on defense. 7. Michael turns away.

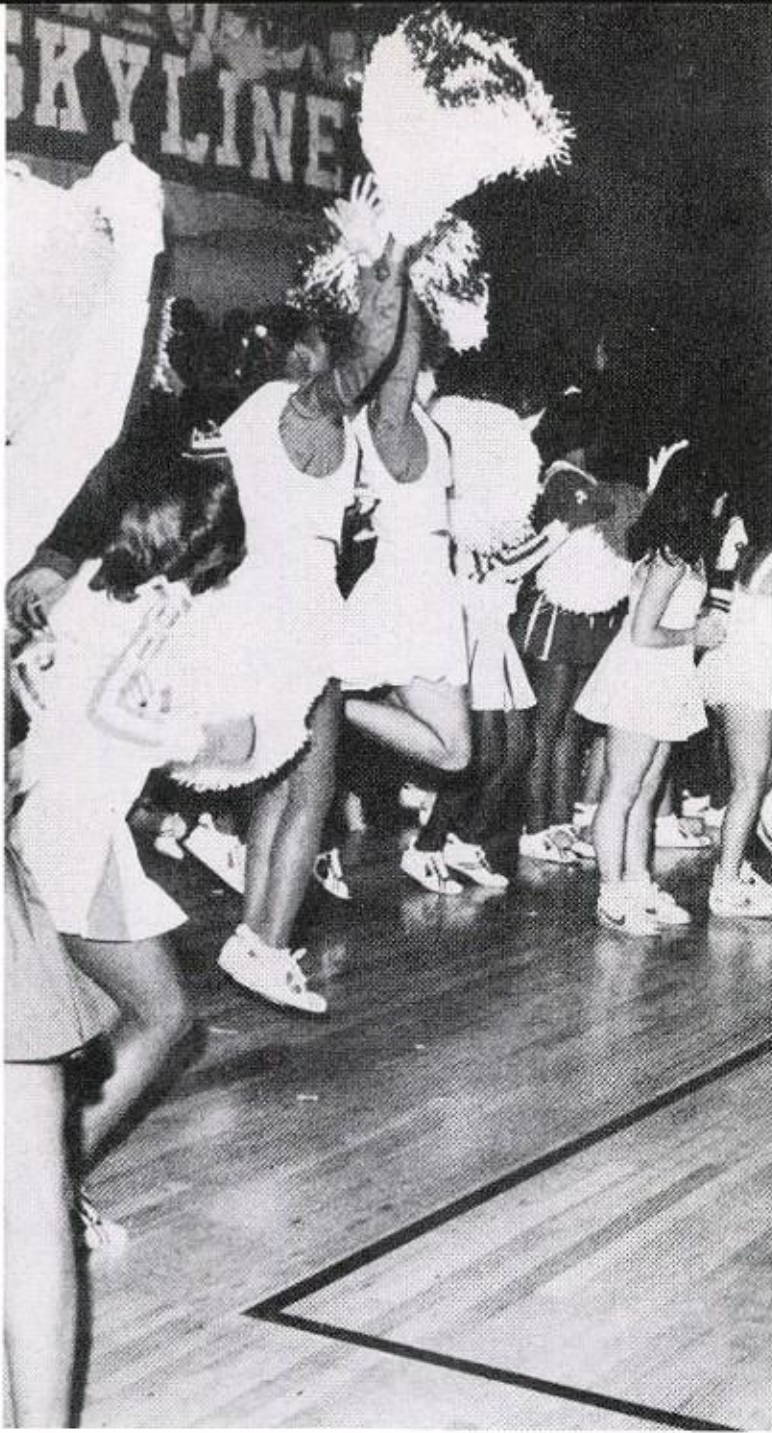

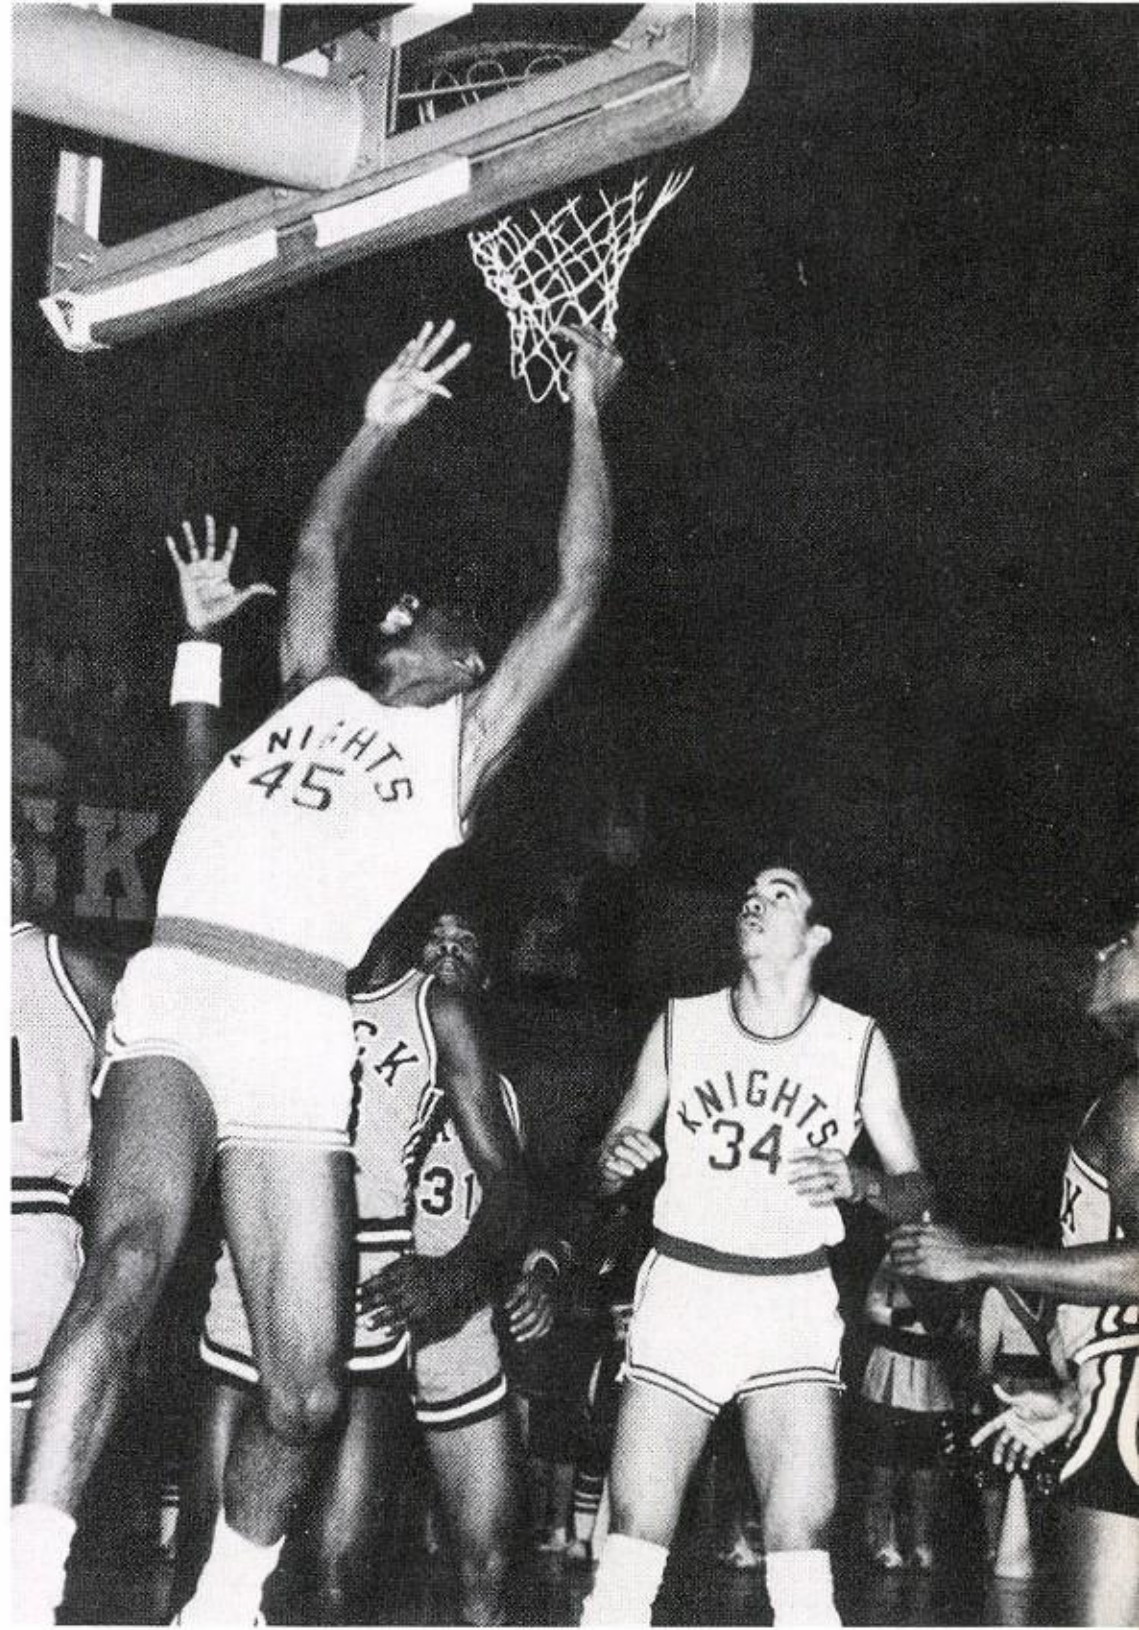

1. Bryan attempts two. 2. Mike needs help. 3. Beat 'em at the jumpball. 4. Lathan at the line.

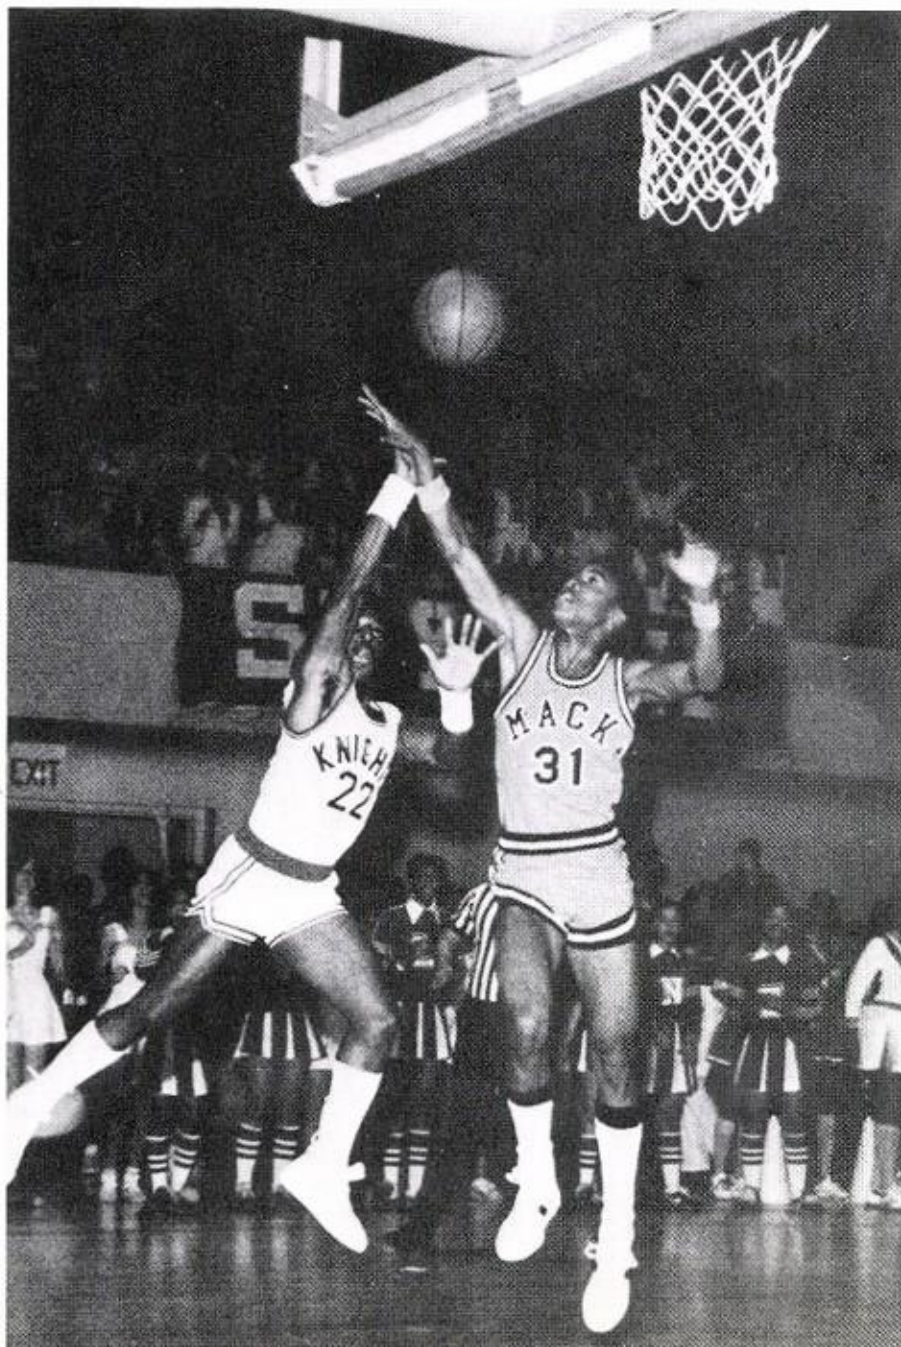

1. Monique and Linda cheerin'. 2. Greg and Anthony in the key. 3. Chuckie goes in for two but gets a defensive move from Mack Man.

Spirit was high as the O.A.L. got off to a good start Jan. 5th at the Jamboree. All Knights got a good looking over by the fans. Hopes were high that the Knights would have a good season. The Knights did their share at the 1980

## JAMBOREE

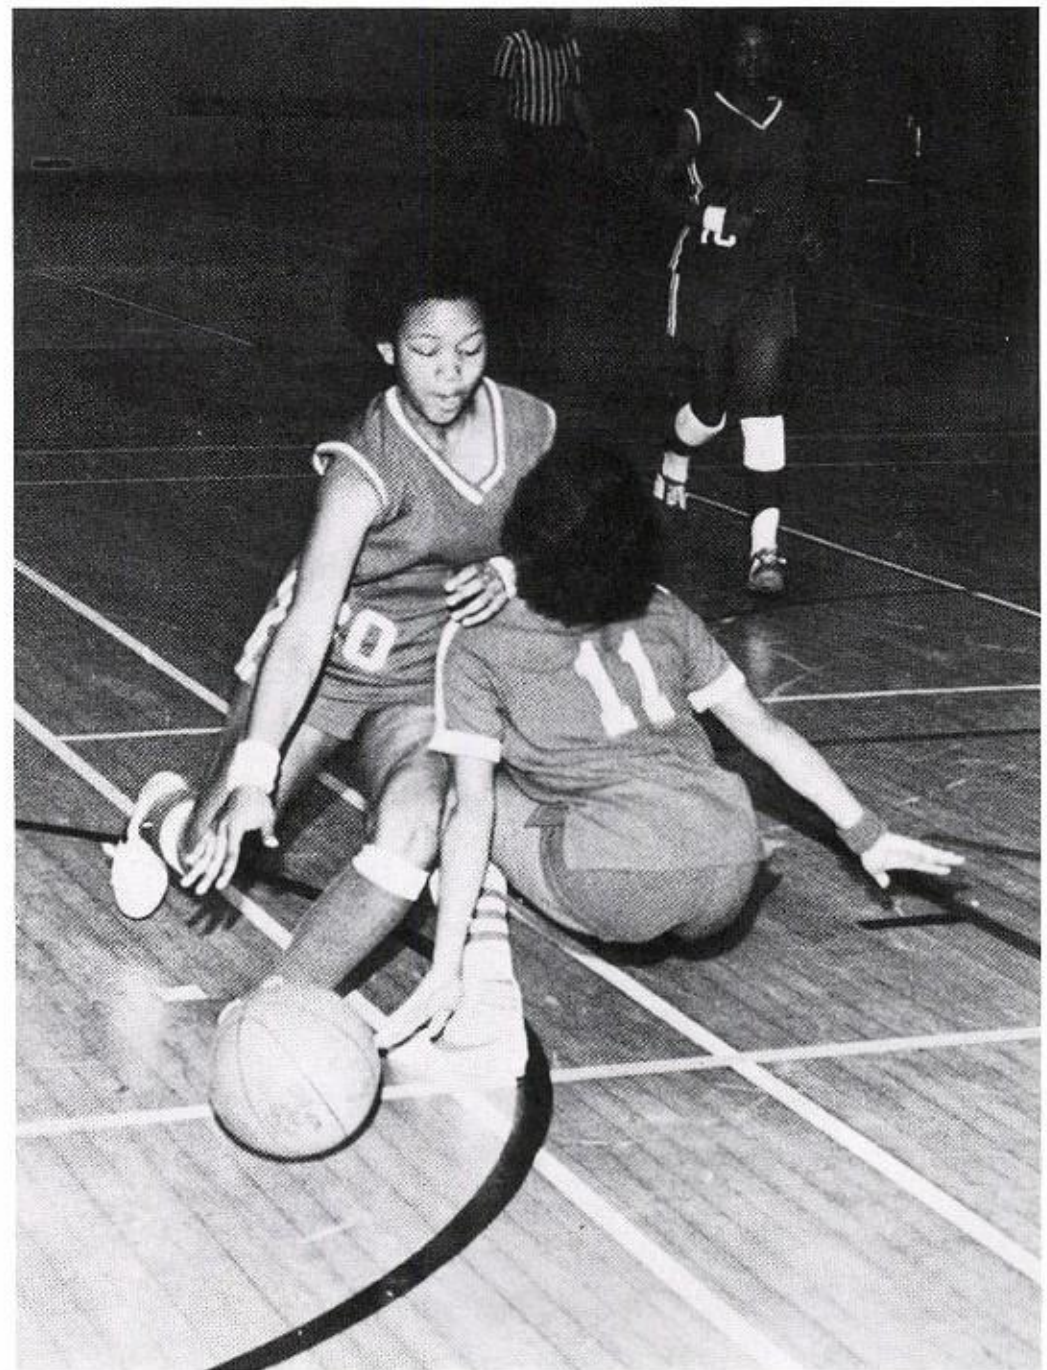

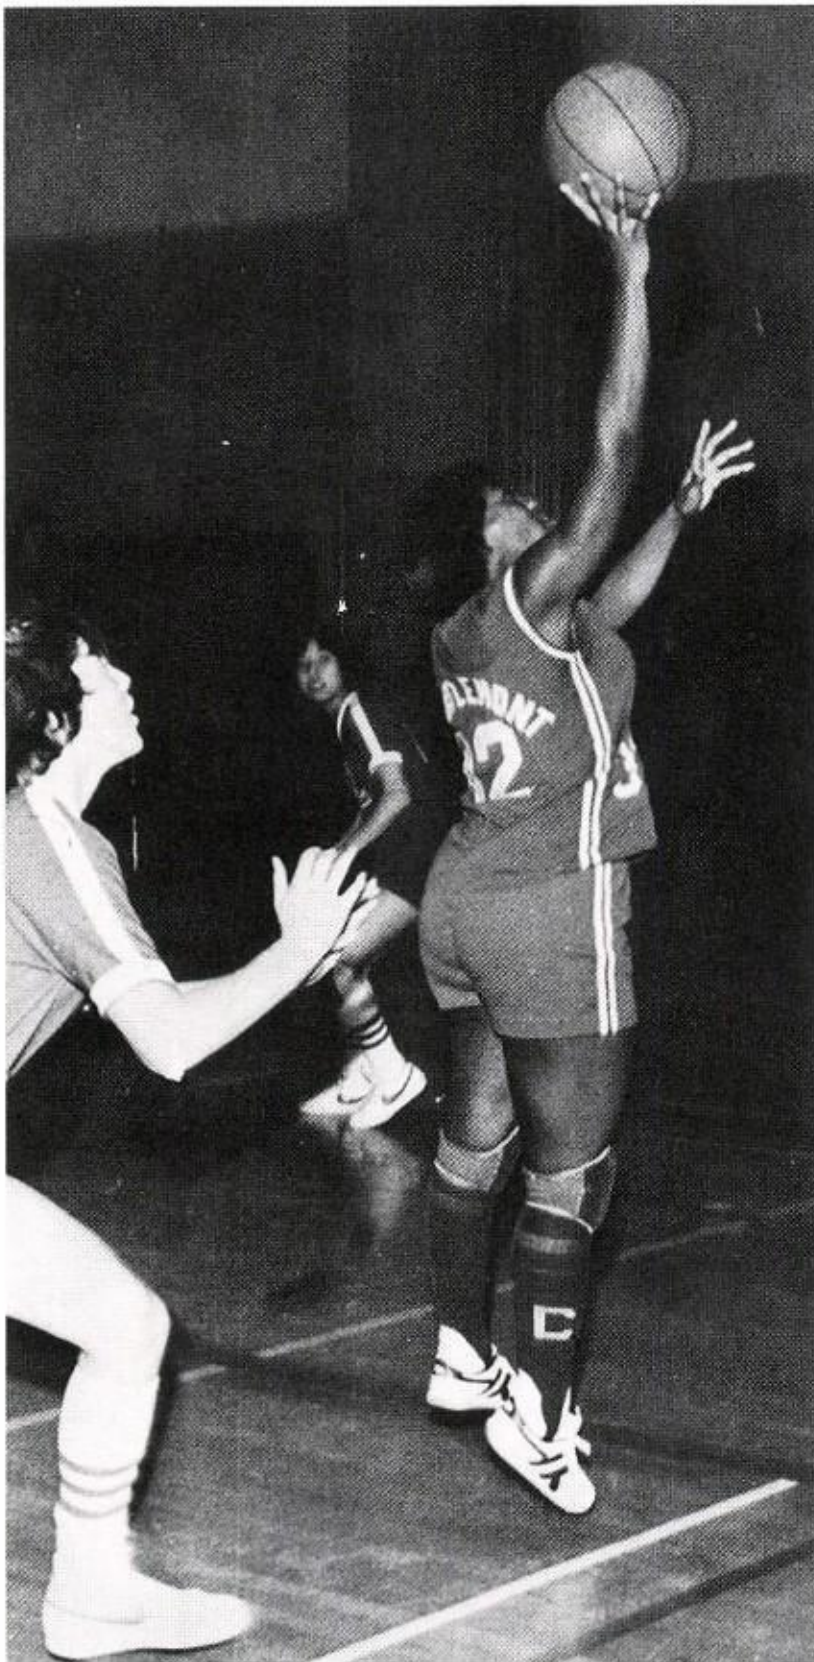

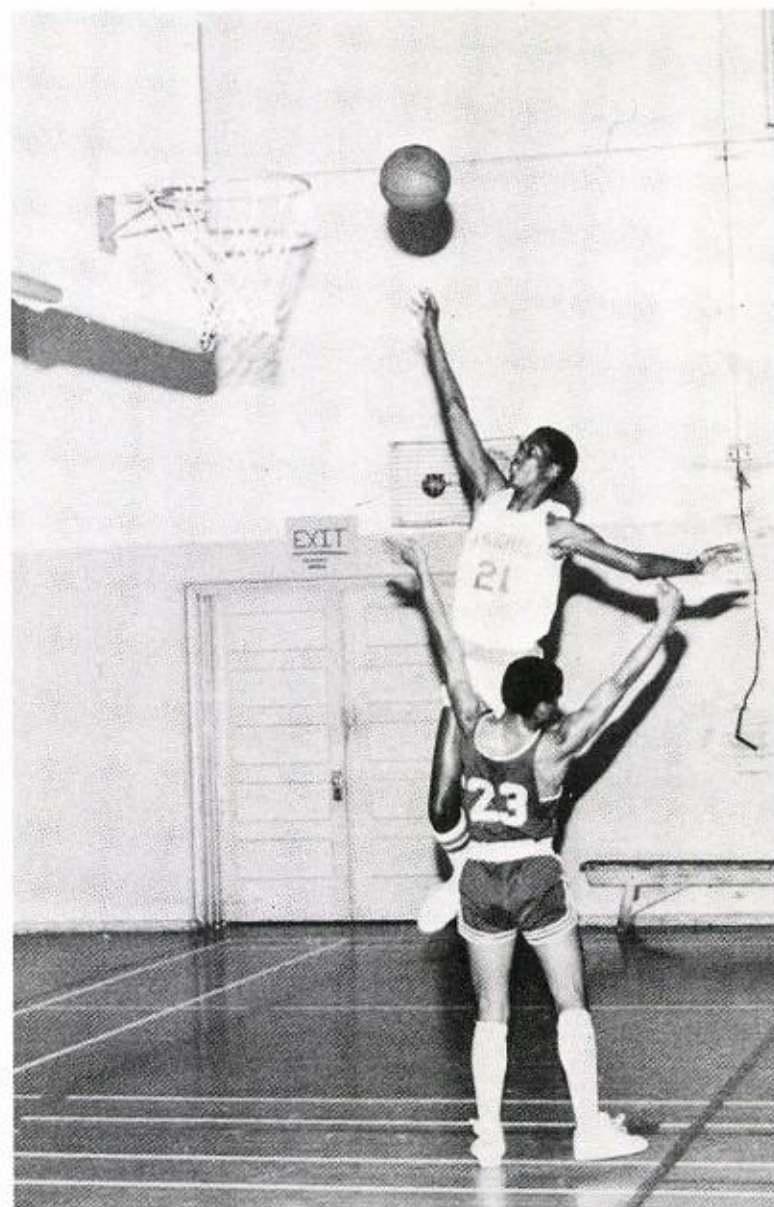

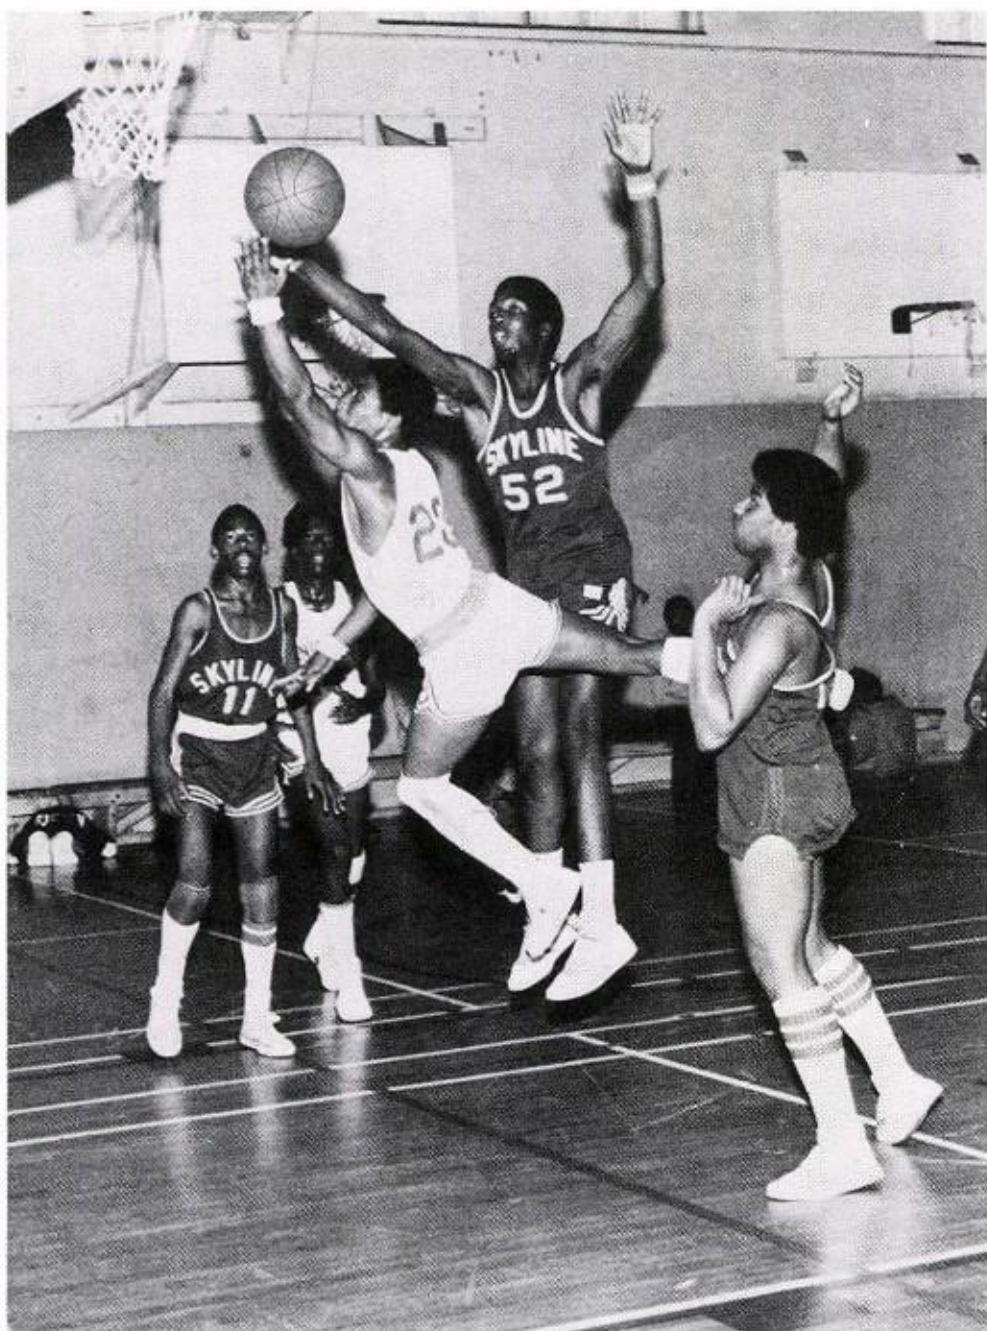

# The Other

Knight teams, girls and Junior Varsity, ended in the cellar and third place respectively. The ladies will have to regroup. The JV could compete but needed an extra bust to make it at the end of the season.

1. Ceola dribbles 2. Darlene scores 3. Tina showing what they are made of. 4. Ted flies 5. Jessie's up 6. Vincent shoots 7. Ted gets two.

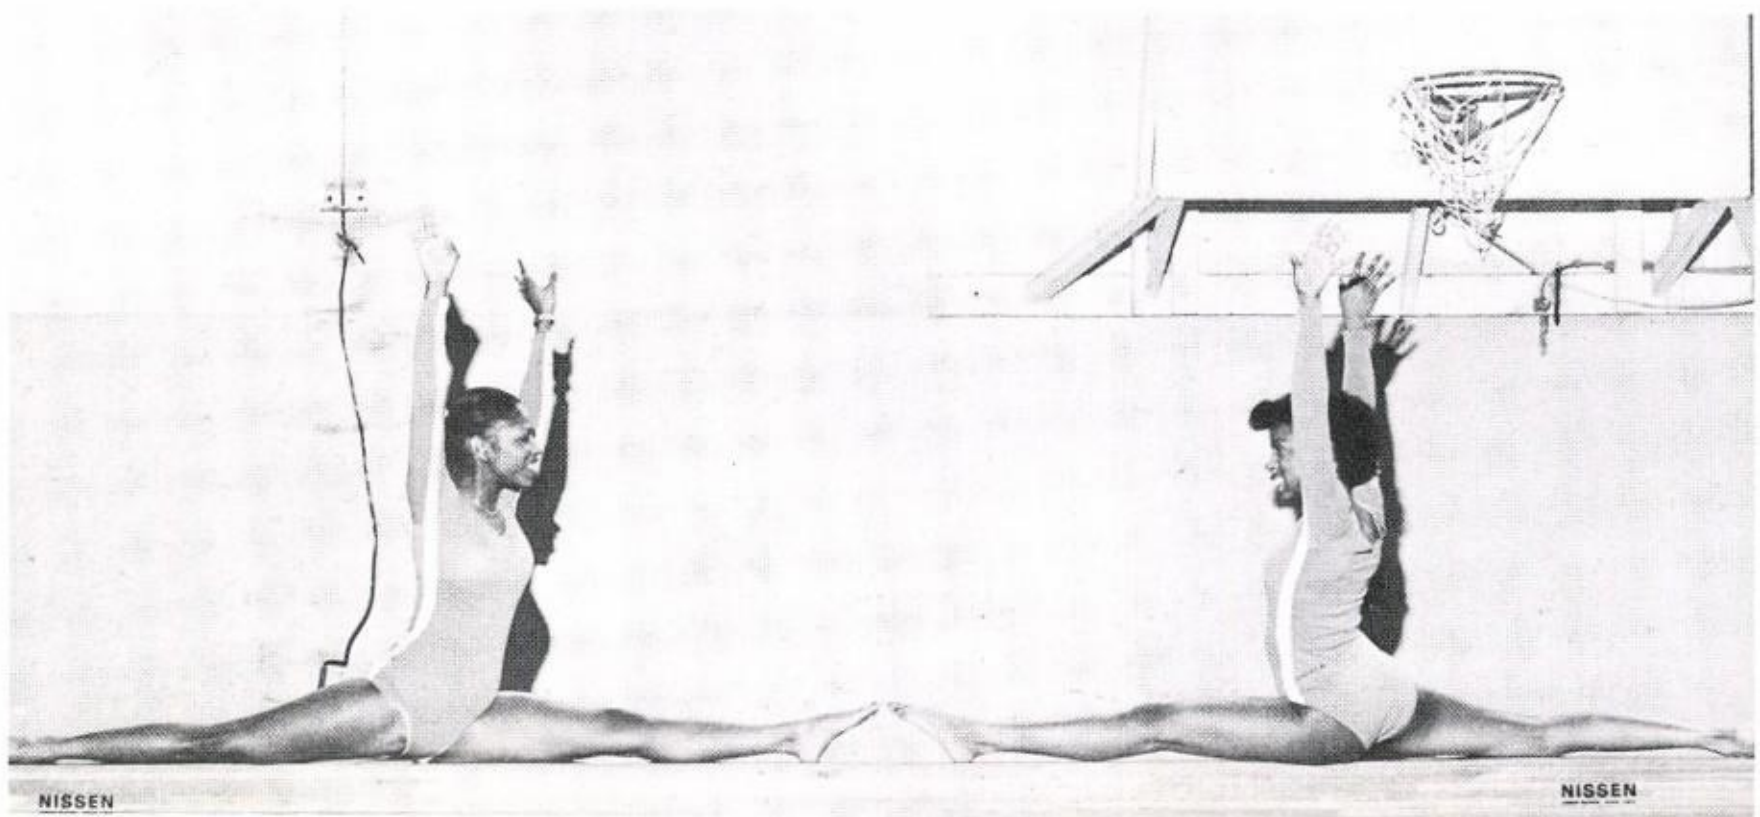

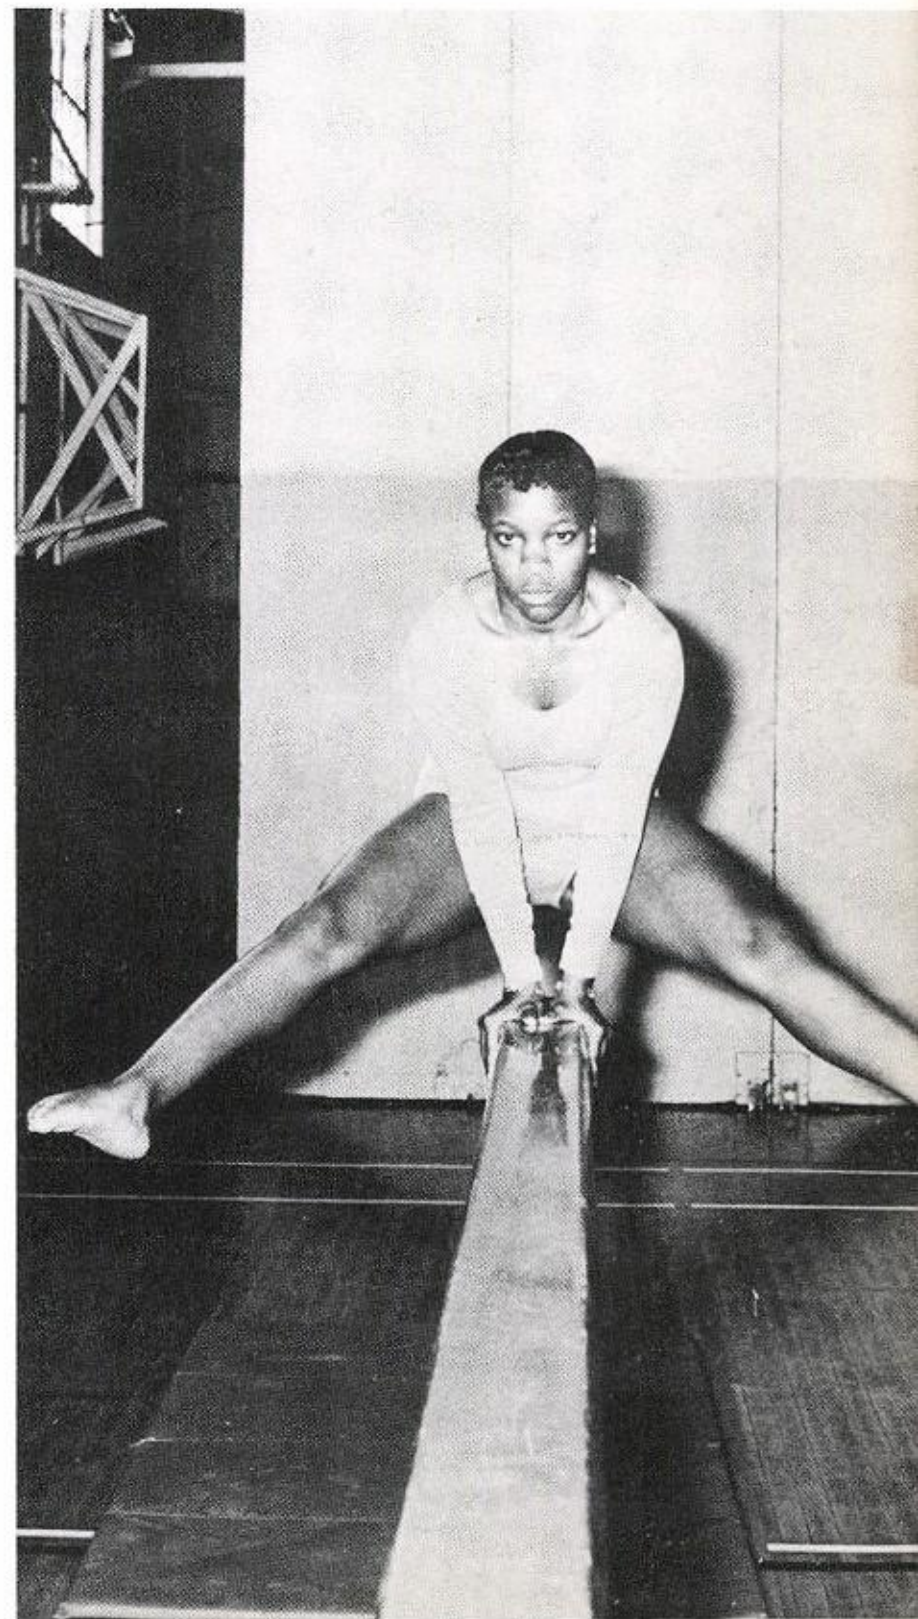

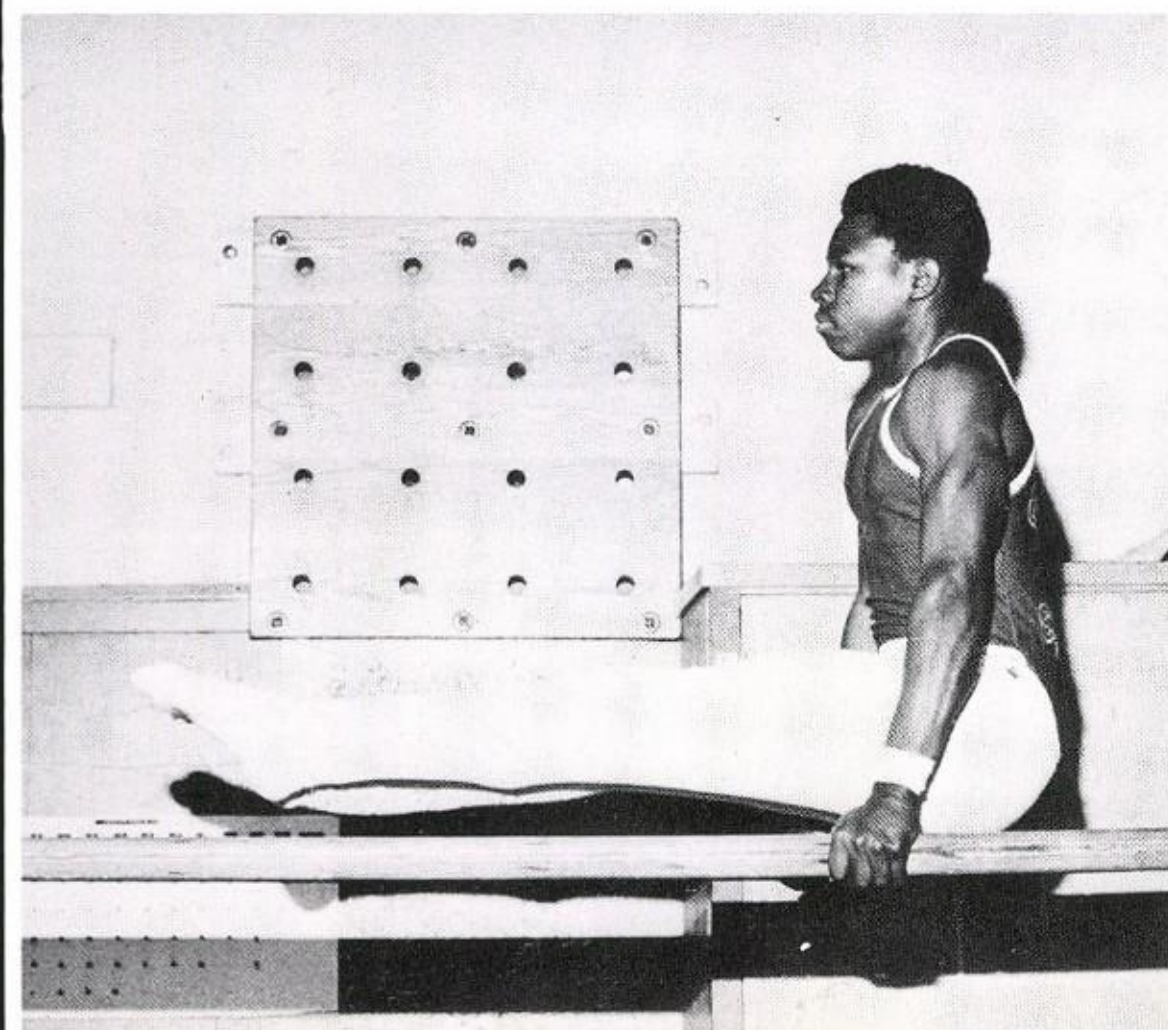

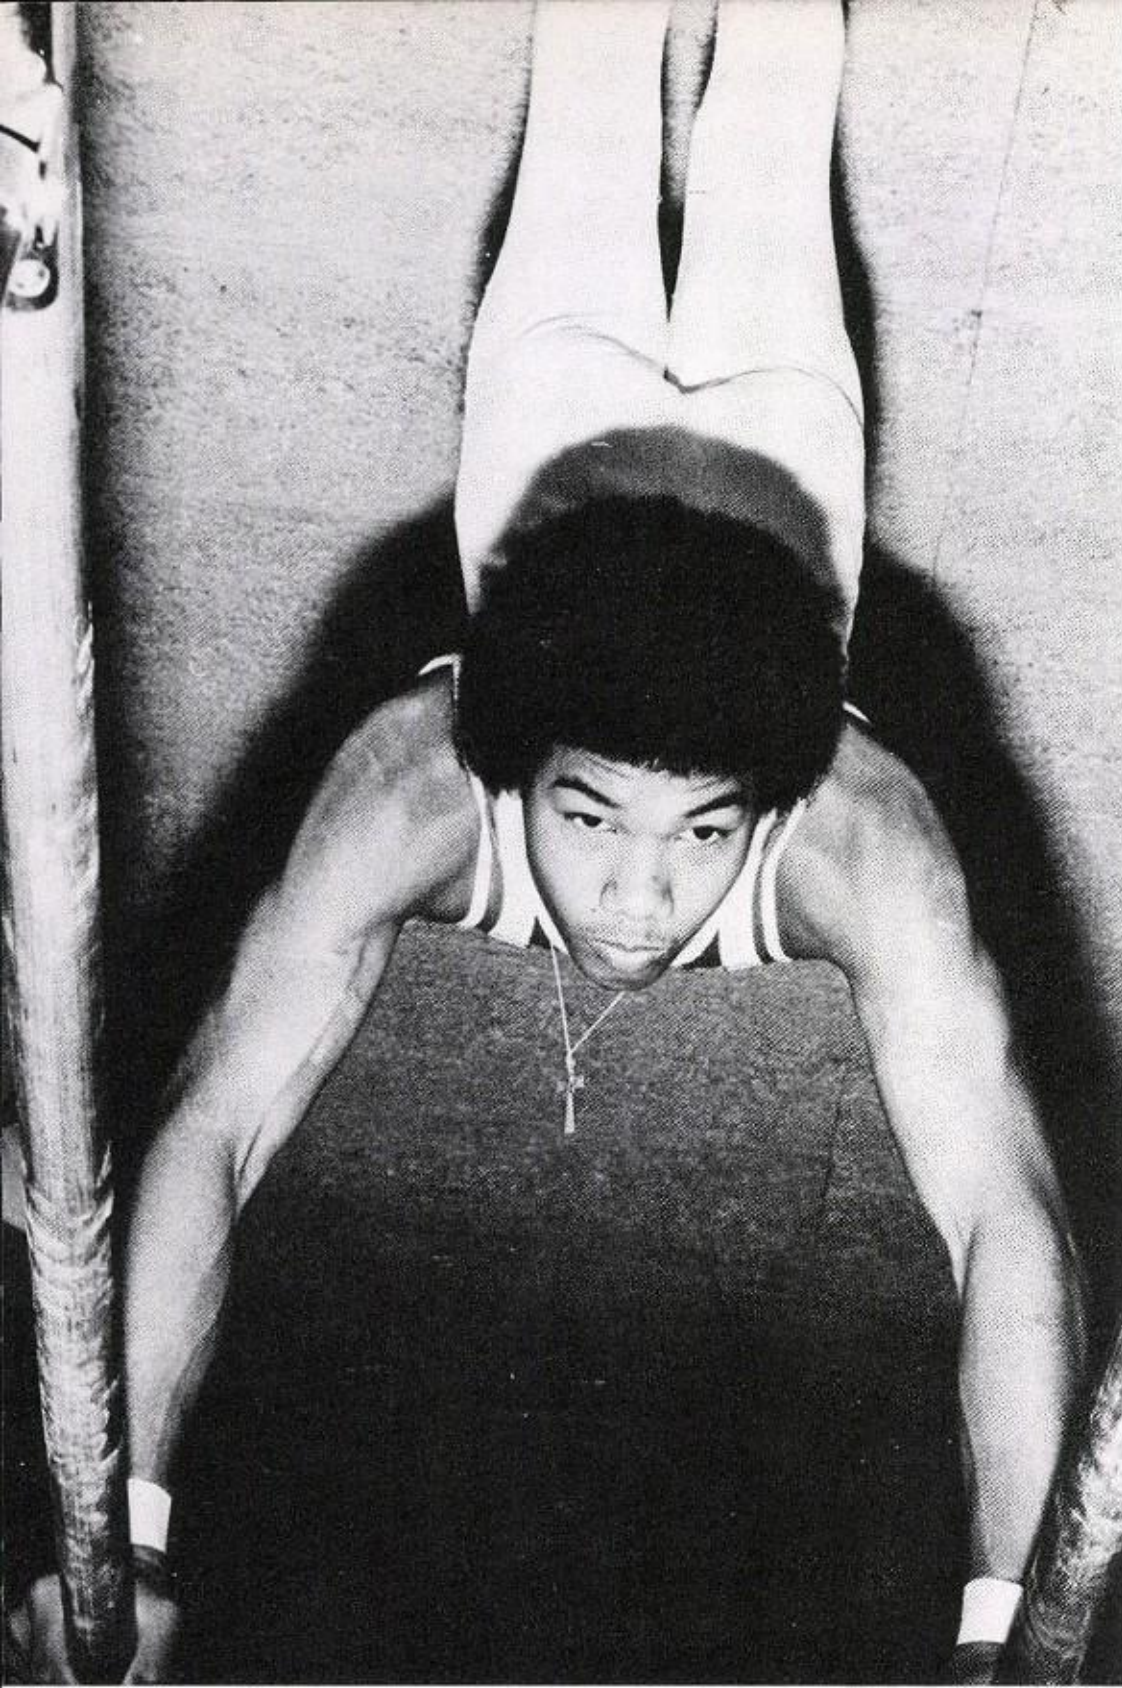

## Competition

was what all the other O.A.L. schools had from Castlemont this year. The Gymnastics Teams were a lot stronger and had greater form than in the previous year. They had set their goals high and knew who they had to beat!!!

1-2. Men and Women's Gymnastics teams were all new except for six returning lettermen; Rena Gains, Monique Hall, Lavonda Lee, Gerald Ward, Michael Valrey, and Grady Wilson. (opp.) Gymnasts show flexibility and form.

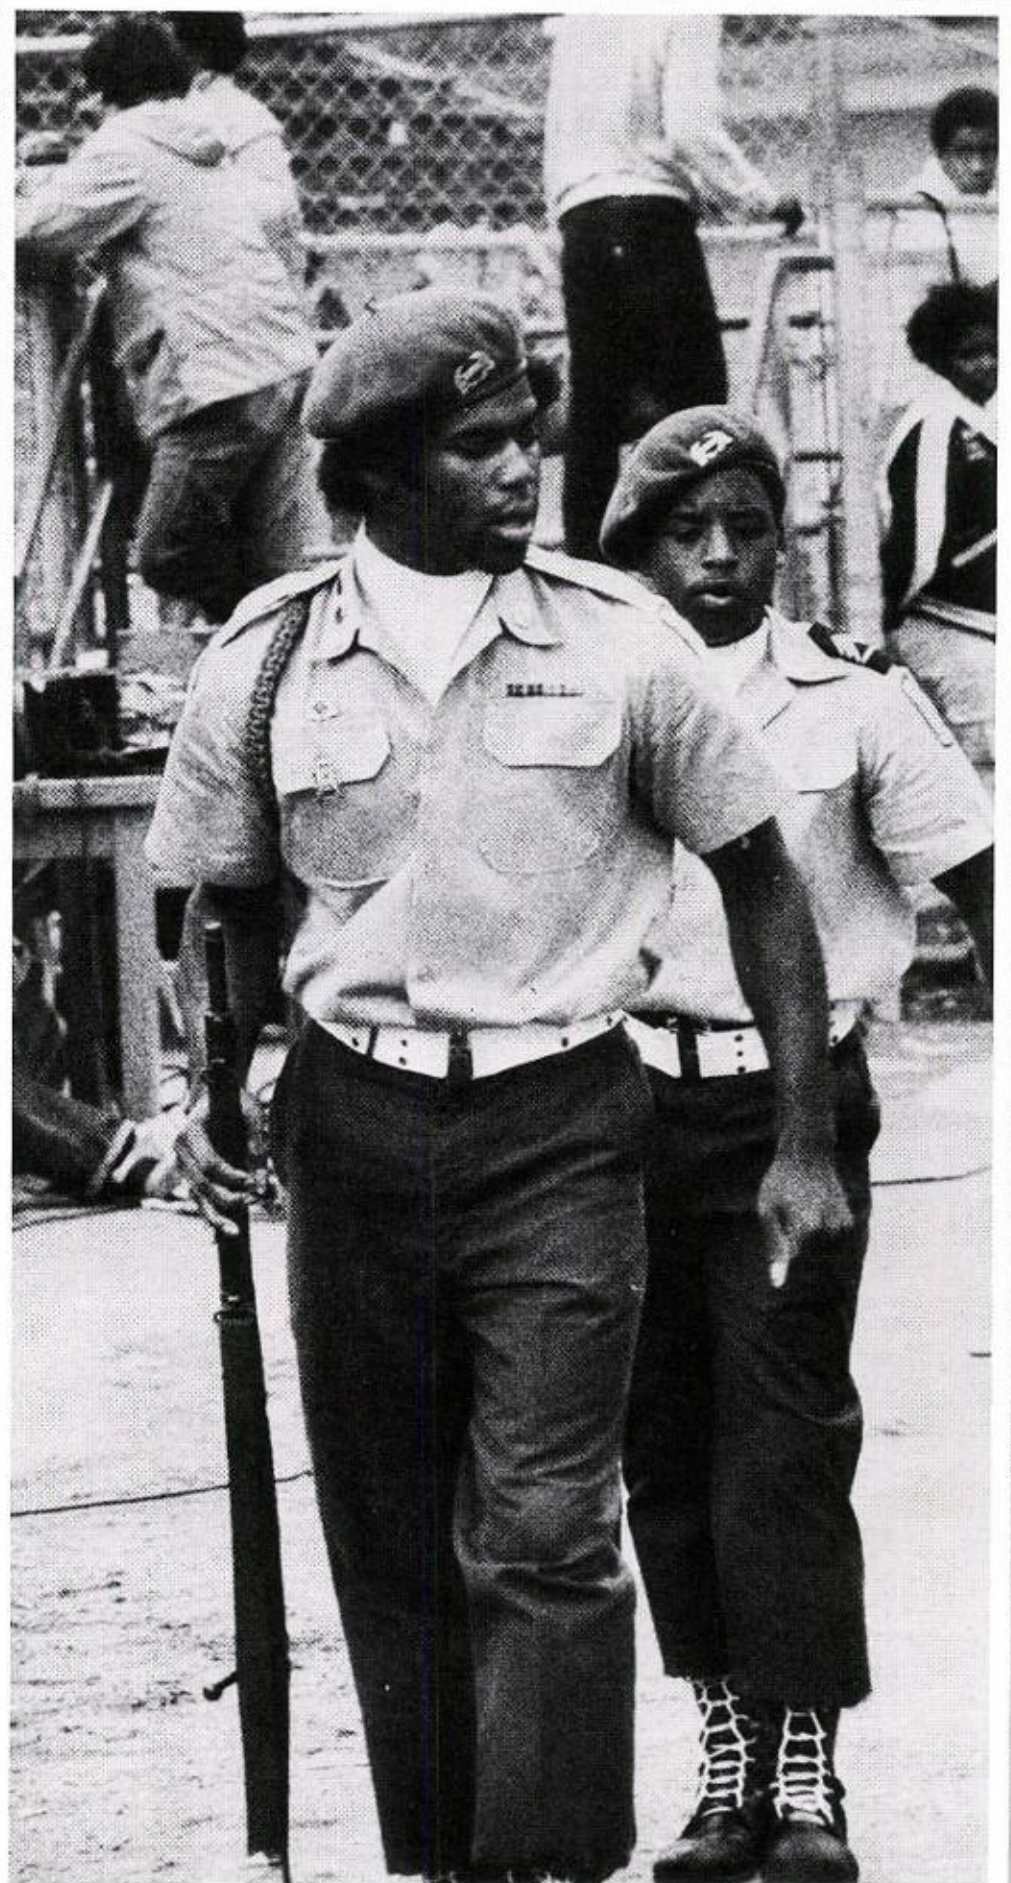

# STUDENT LIFE

In this section we present candid shots of the serious side of the Castle. Clubs or rather being a member of one is as important as being on a sports team or getting all A's. The teachers in the major departments are also included in this section. Knights will look back and remember the special programs like Project Hope which was expanded this year; Re-entry; Mesa; Peer-teaching and Home Savings and Loan. They will also remember changes too. Ones such as the six week marking period, a new attendance policy and an easier Proficiency Test. All of these things and more made up Student Life part two.

1. Commissioner of R.O.T.C., Kevin Shaw marches in a drill with Eric Shorter close behind. 2. Members of the math department. 3. Insert: young man concentrates in his reading.

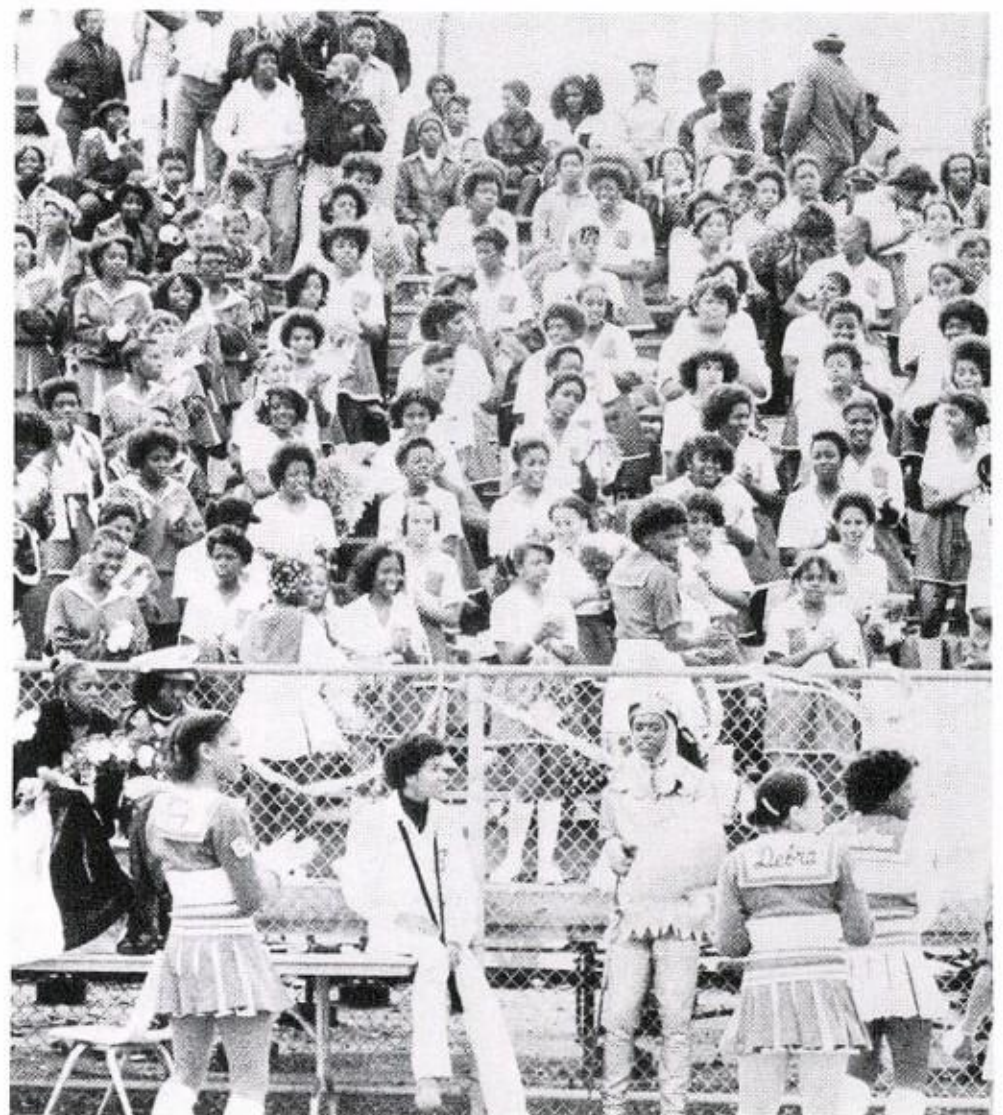

## CLUBS

Clubs at Castlemont in 1980 had a lot to offer students who wanted something to be involved in. To become members of a few of the clubs, a Knight might have to have a 3.0 grade point average, teacher recommendations, or just spirit.

1. CSF members 2. pepsters yellin' 3. Model U.N. 4. National Honor Society students.

Clubs played a big part in and around the Castle. These clubs provided some type of entertainment for the students such as music at lunchtime and also helping the new students that arrive at the Castle get better organized. Some of these clubs even went farther than the homebase to help.

**someone.**

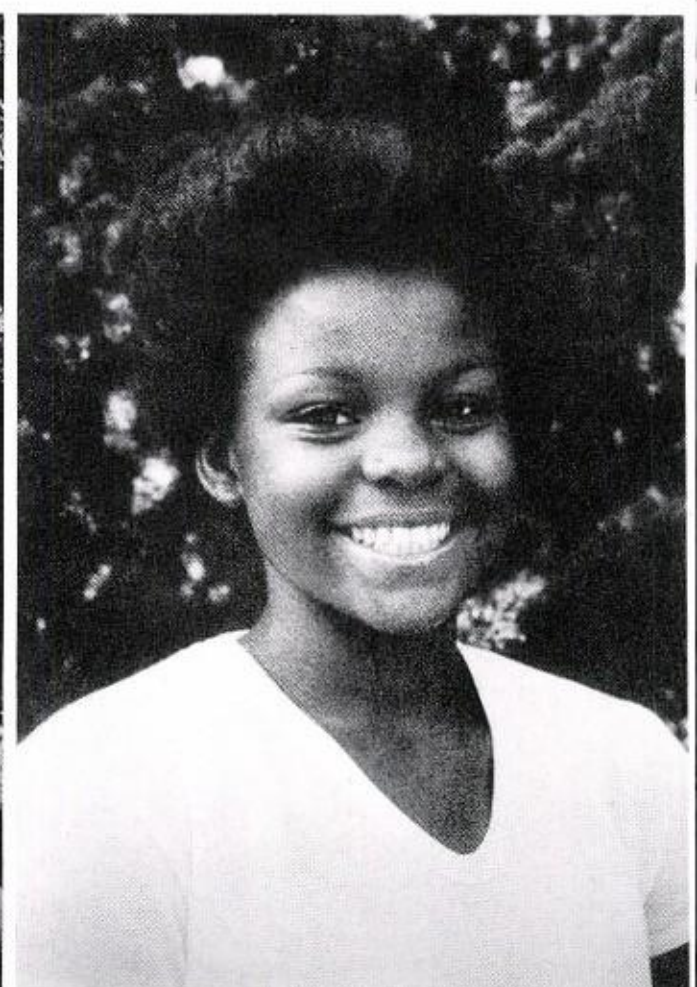

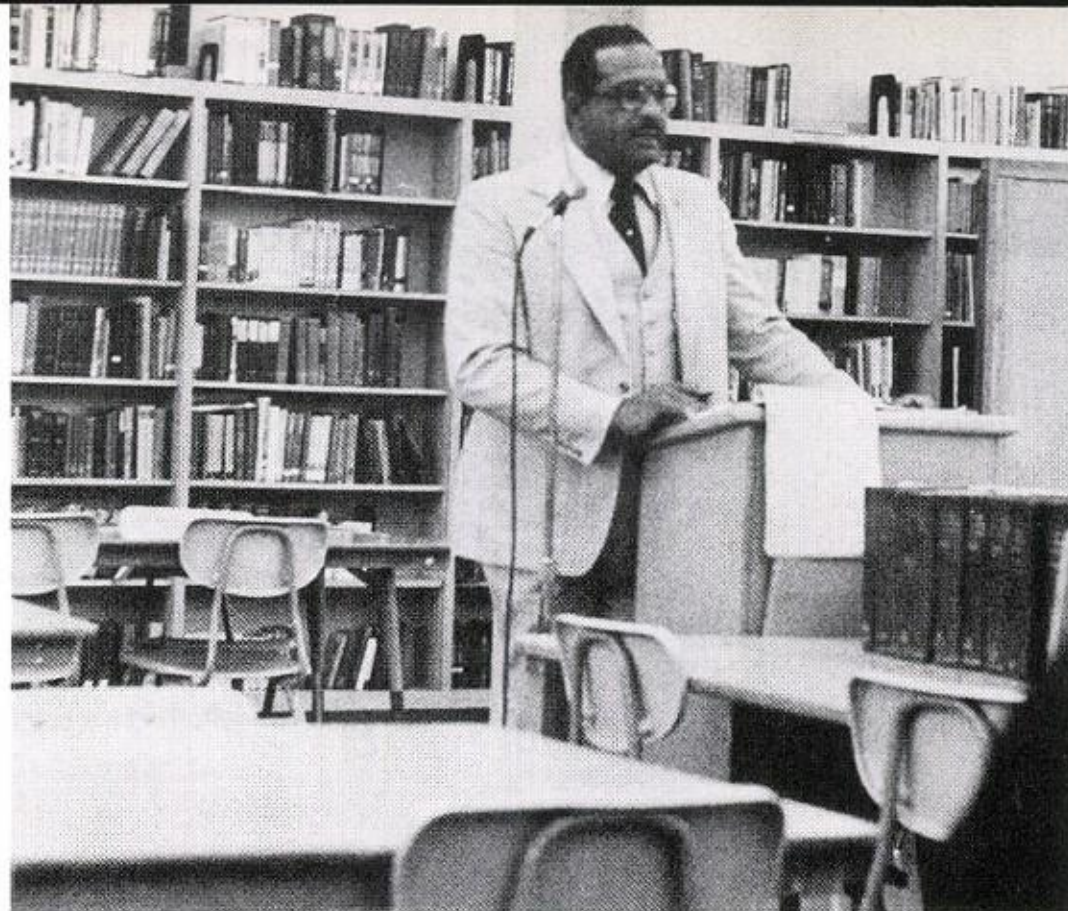

1. Mesa with president Alan Whitlow. 2. Sound Crew led by Nathaniel Webster. 3. Big Brothers with president Michael Valrey. 4. Big Sisters with president Valerie Doyle.

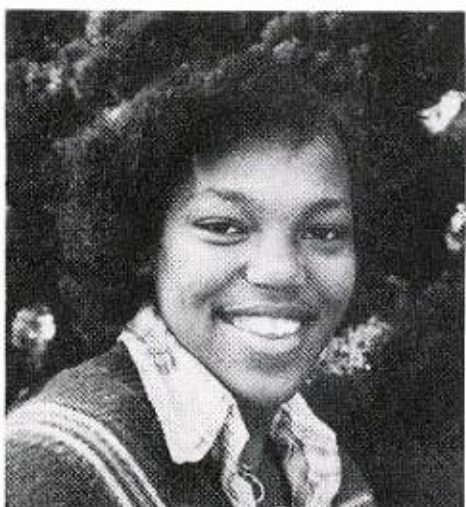

# Governing

a school whether you are a student or administrator was unique at Castlemont. The administration did their best to have the Castle's student body as calm as possible. Student officers tried to plan activities for knights that were bored one time and slightly active the next. Students also got the chance to see how running something is.

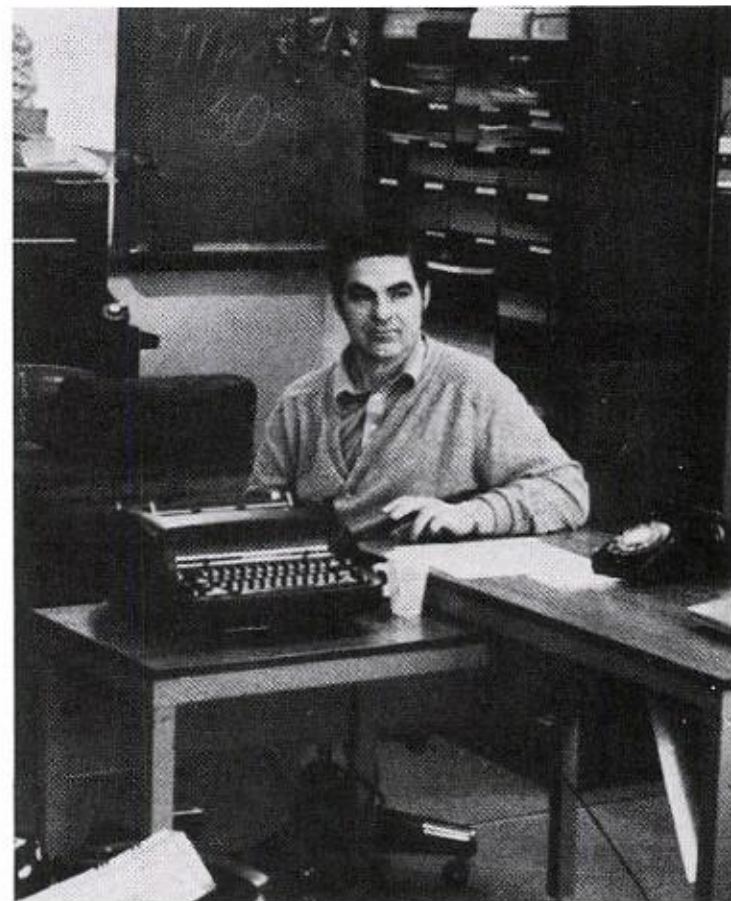

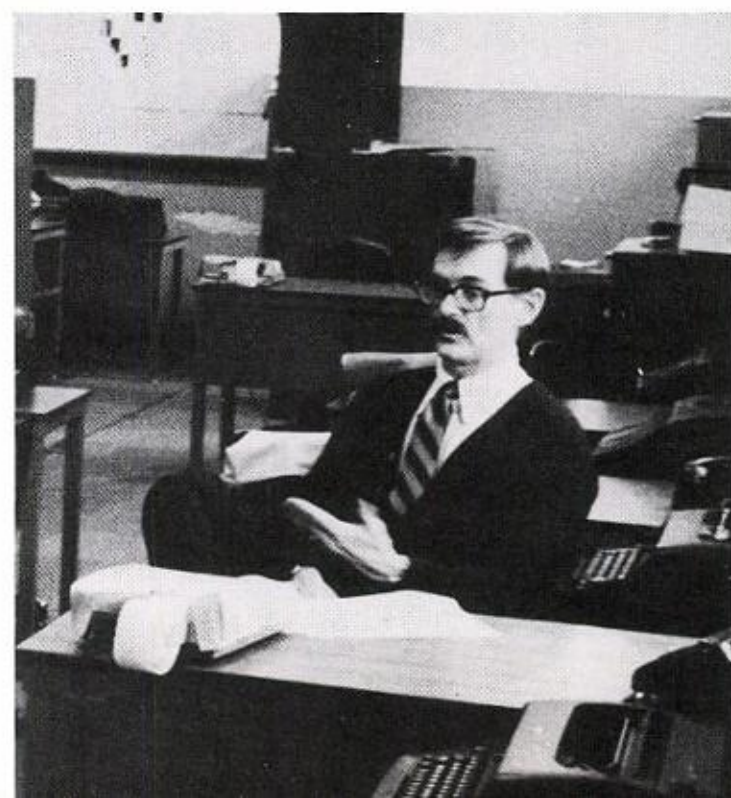

1. Principal Winston A Williams at faculty meeting. 2. D. Mazzini Counselors' secretary D. Dazzani Utilities-Supplies secretary 3. M. David Deans'-AAP Sec. 4. A Coon Principal's Sec. 5. F. ## Teachers

are an important group of people to the Knights. Students spend most of their time in school. It's no wonder teachers are becoming "jacks of all trades".

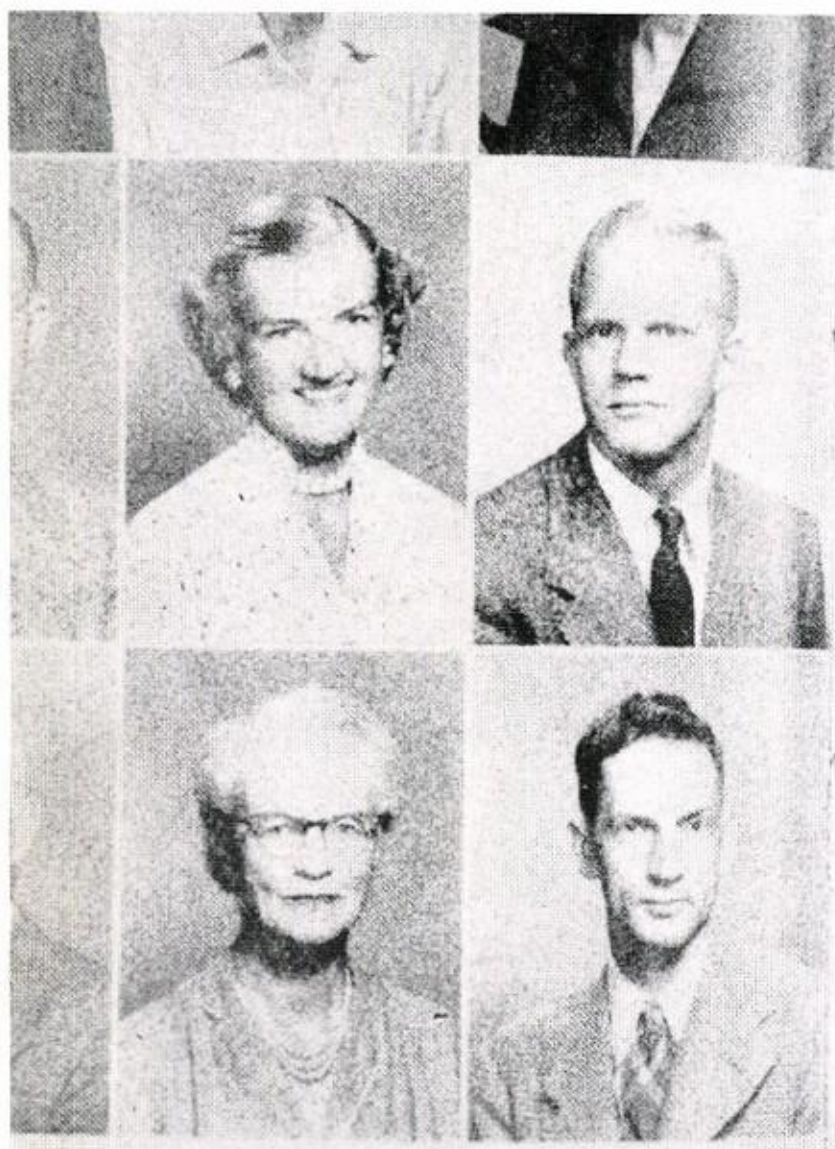

1. Ms Bryant talks to students
2. Math students concentrate on lessons
3. Students and parents at meeting
4. Ms G Washington jokes with her students
5. Ms Yim makes a visual point.

Part of the fun of working with teenagers is having the opportunity to enjoy them as individuals, so says one teacher. A teacher can show that he or she is human too. Besides, an occasional relief in the day to day pattern happens. We see teachers not as the "heavies" who grade you and seem serious all the time but as

## Interests

vary with the personalities and abilities of the students. A key to learning is motivation. Without it, school work can be dull. Knights got plenty of attention and concern from the faculty in 1980.

**CASTLEMONT**

That  
Was  
Then  
This  
Is  
Now

Or  
a  
Blast  
From the  
Past

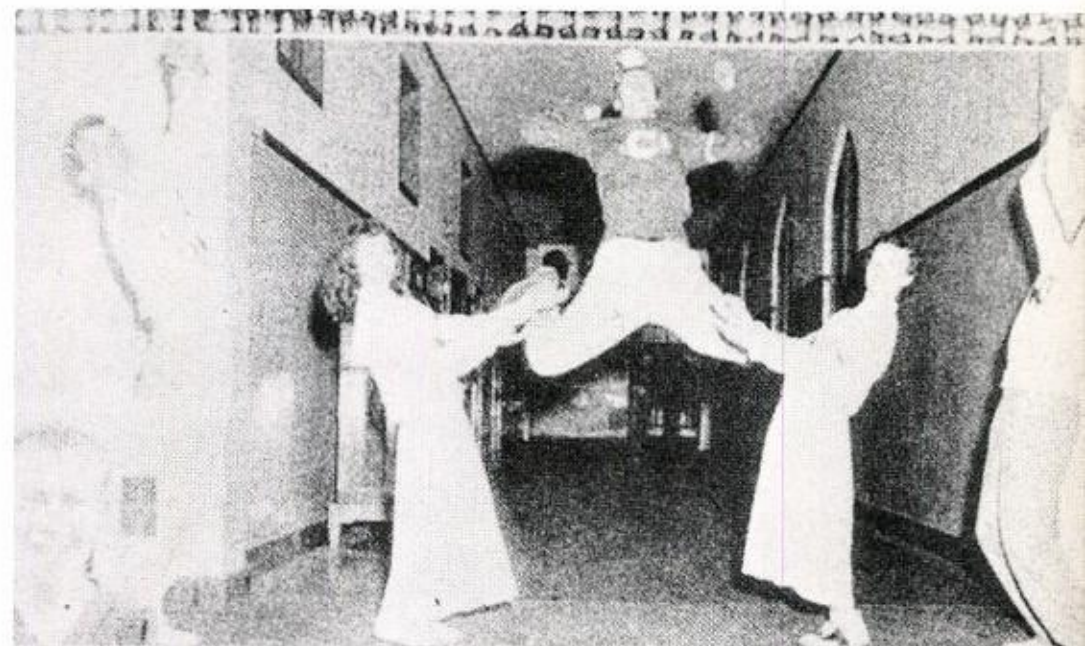

# Remember the

charleston, fringe and feathers, and strings of beads, the twenties the thirties, the great gatsby, and rumble seats, the depression . . . Along came the forties and the Castle really began to change.

VARSITY FOOTBALL TEAM

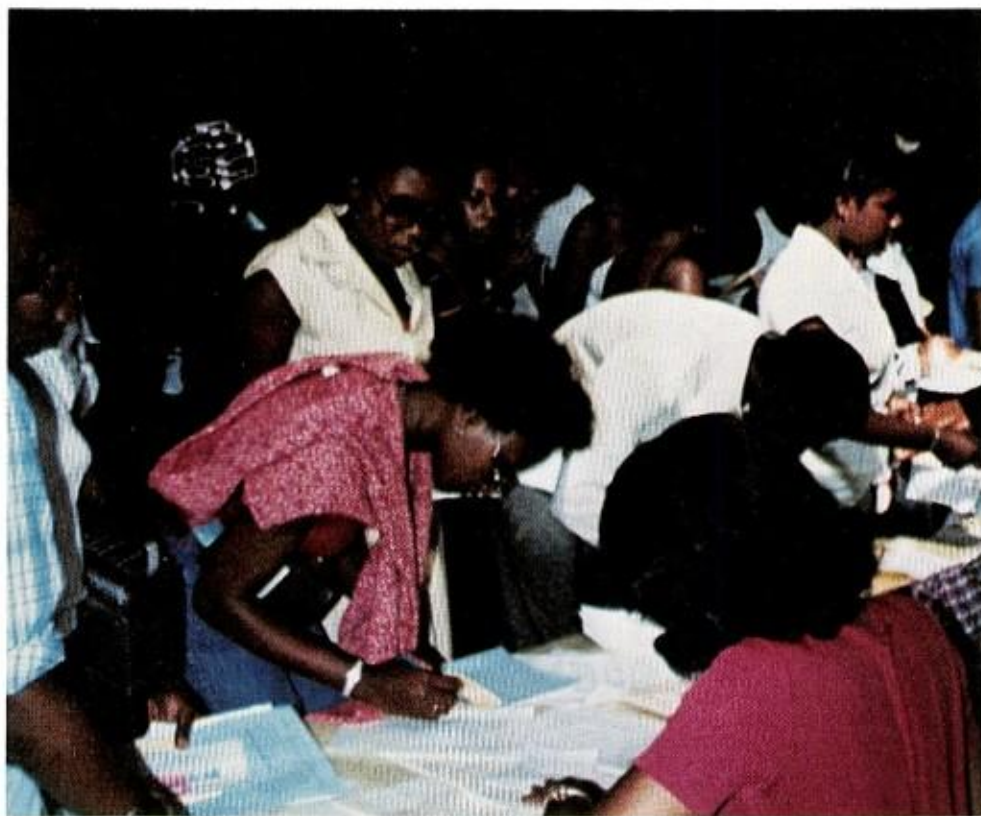

HARRY H.

Bean feeds, barn dances, sport hops, roller skating on Sundays, ROTC competitions bobbed and waved hair. The big band era provided the sounds—the Dorsey brothers, Benny Goodman and Duke Ellington. A student wasn't something unless he or she belonged to a club like the Excaliburs or GAA, football was king and boys were yells. As always time brings changes and the late 40's and the early late 50's brought memories of the

## Good old days

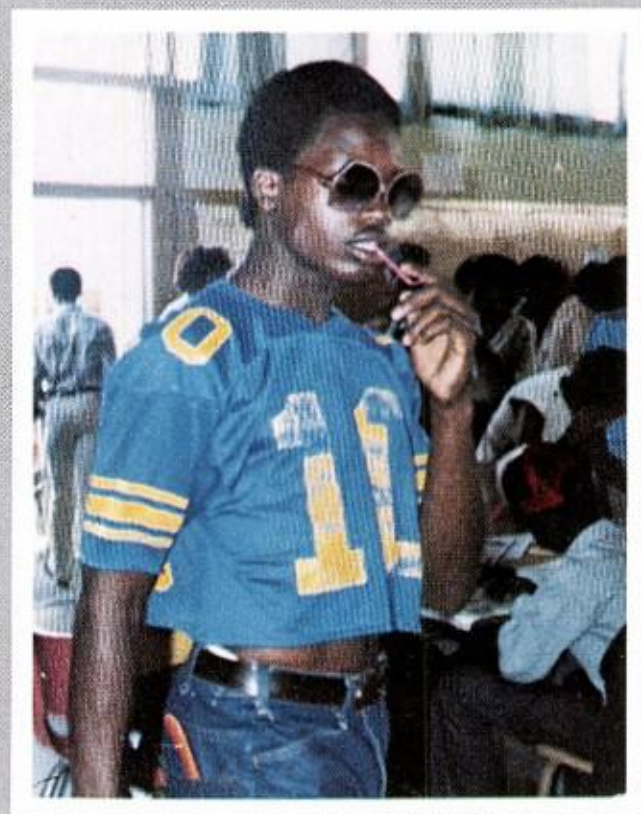

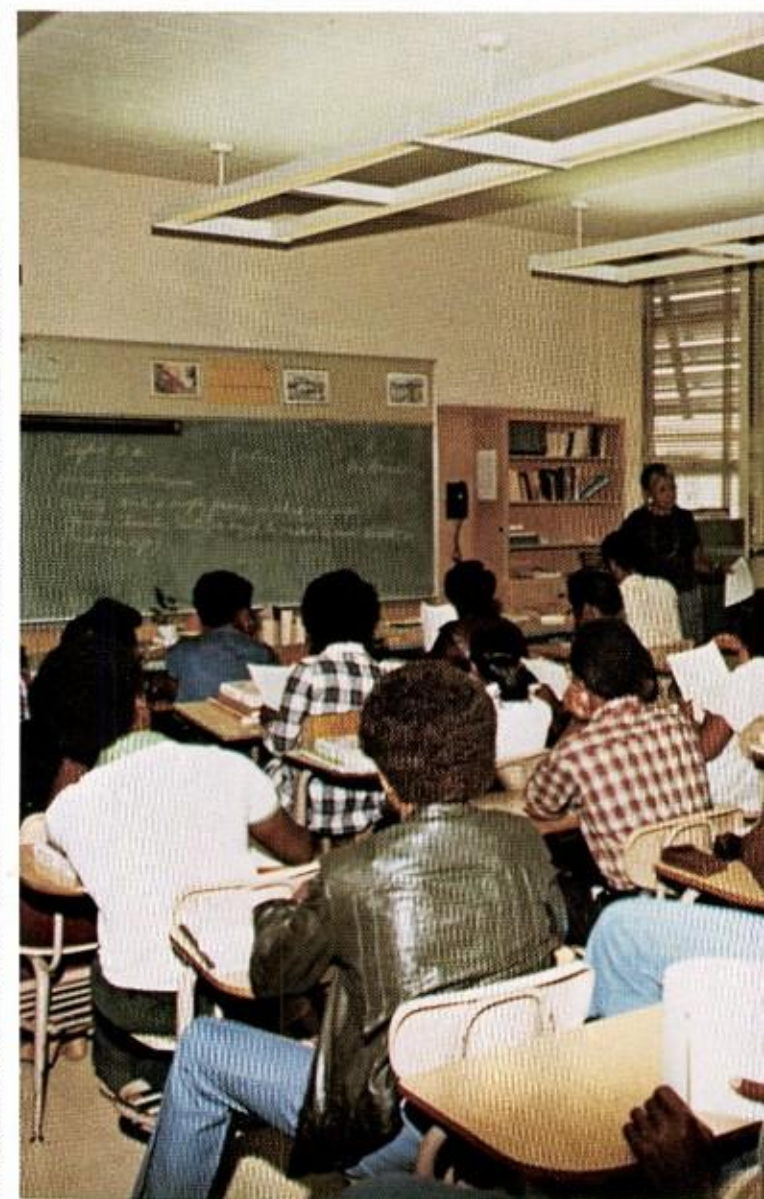

## From the Mill

in September students started their year off right. The choice of picking the teachers you want seems to be a good idea. Newcomers to the Castle got the hang of the system pretty quickly.

Once registered and classes finally start, it's study time. With new graduation requirements students are finding they can choose only the basic subjects such as math, English, science, and social science. Elective classes are slowly being dropped from the school's curriculum. After making adjustment it's off

## to class

## And fun

is what the Knights try to have when not taking care of business in the classroom. Students find time during lunch, nutrition, after school, and during activities, talkin' or just relaxing. In the fifty years the Castle's Knights are a-typical of teenagers who are about getting a good education.

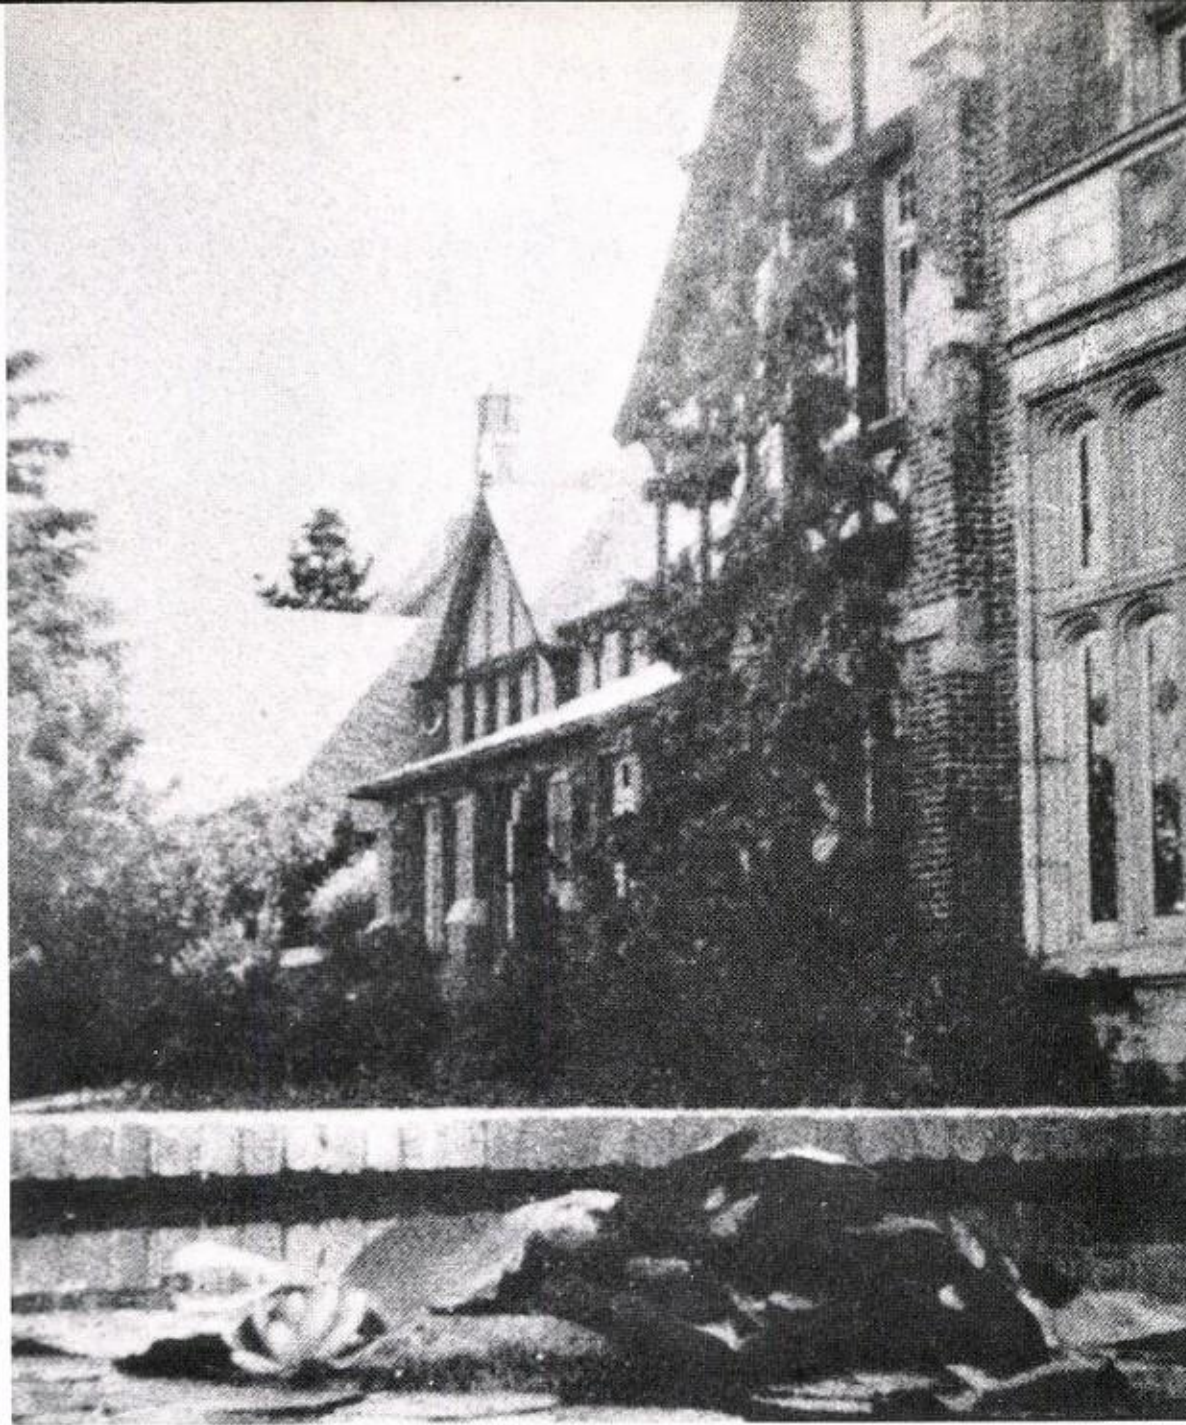

The fifties are times everyone can relate to probably because they take in a span of time still close to our own time of recall. The Castle in the fifties reflected students who wanted fun and frolic as well as an education. These times of the Knights will be remembered for convertible cars, and drive-in restaurants, pennie loafers and pedal pushers, bangs and pony tails, the conk, Fats Domino, Buddy Holly and Chuck Berry and American Bandstand, The Drifters and Love Ballads, middy blouses, greasy kids stuff, motorcycle gangs and sunglasses, Elvis, the Madison, the Dip and most of all the invention of television. Many of this is in our parents' time. Even so we still have fun when we

### CLASS OF JUNE '51

Officers of the fall term of the class of June '51 were 1. Velma Bishop, president; Bill Nicholson, vice-president; Gerry Hallows, secretary. Round Table representatives were Rosemarie Balliel, Ronnie Beach, Mary Cairns, Rowland Chew. The spring officers were 2. Bill Nicholson, president; Mary Cairns, vice-president. Round Table representatives were Bill Nicholson, Ronnie Beach, Mary Cairns, Rowland Chew.

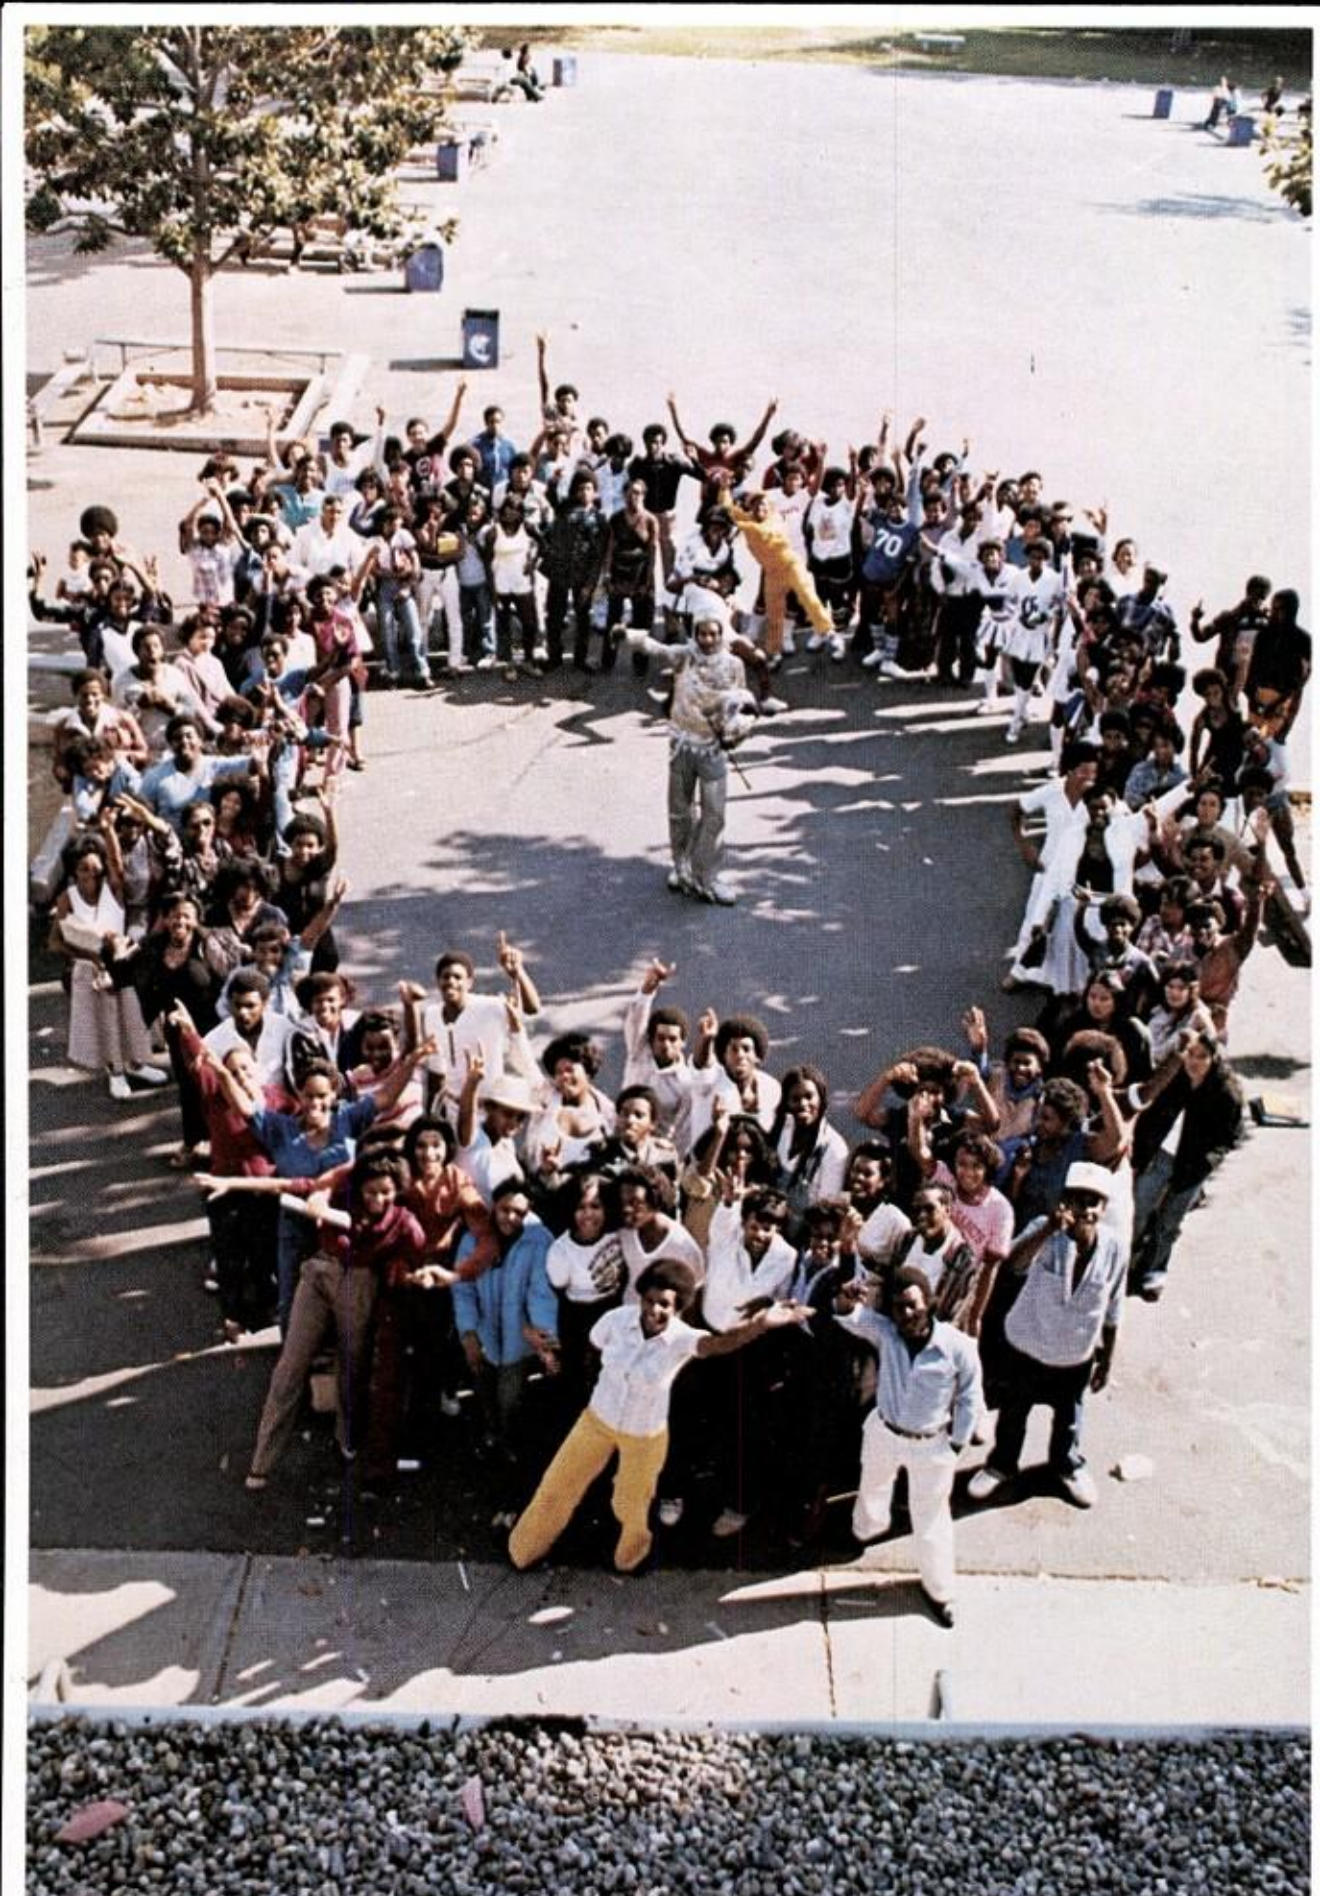

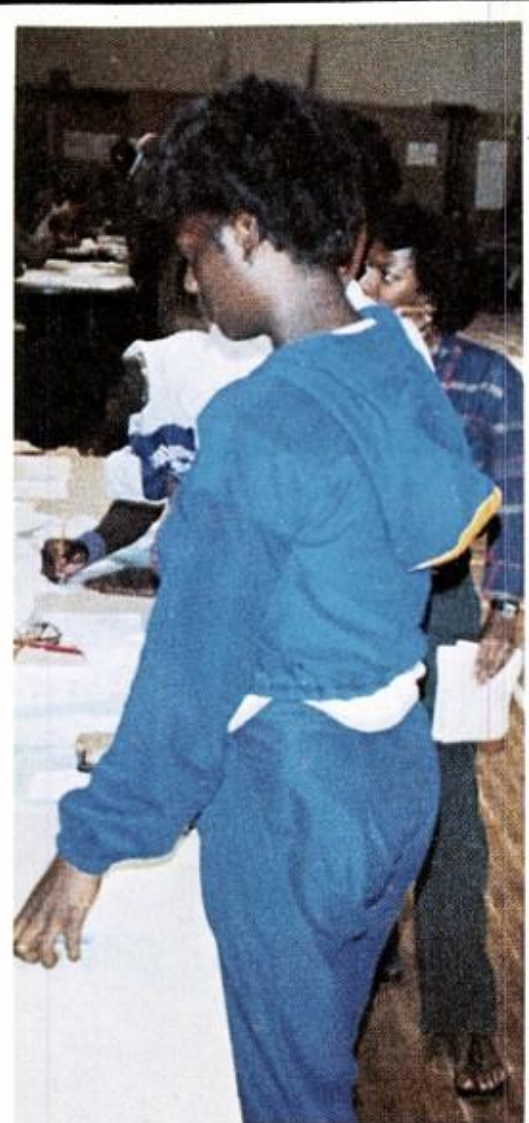

# The Class

with class is truly the one of 1980. They will start the next phase of their lives-meeting new people, keeping new times and schedules. Now they are adults who are responsible for themselves surely and maybe even others. What does the future hold for them?

1. Gerald in a Knight shirt 2. Alva sports a beady 'do 4 & 5 Cheryl and Otto havin' fun 6. Nancy, Debbie & Maggie in Arshi's English 7. Antoine is sharp 8. Aleta gets registered 9. Deb says "Cheese" 10 & 11 the mighty class of 1980.

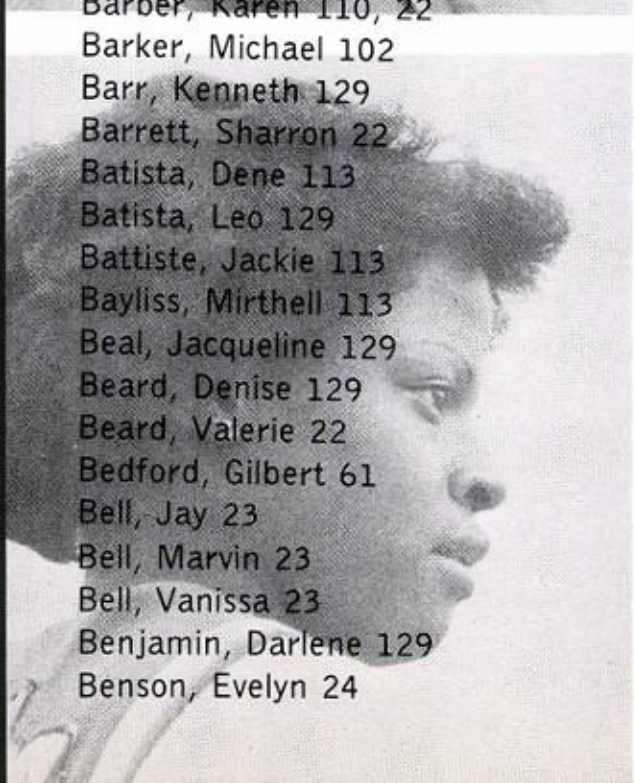

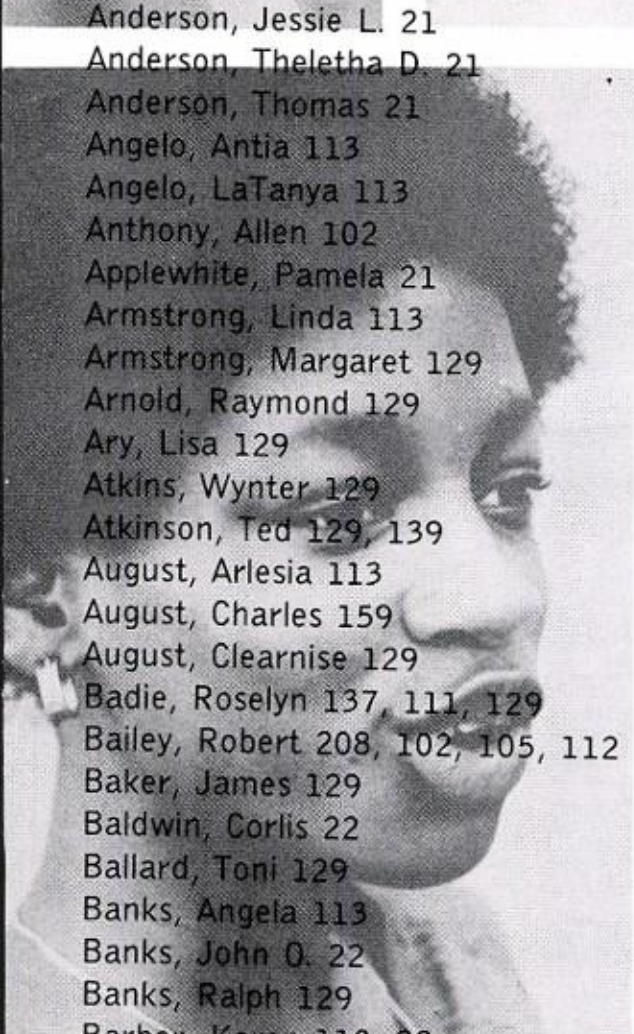

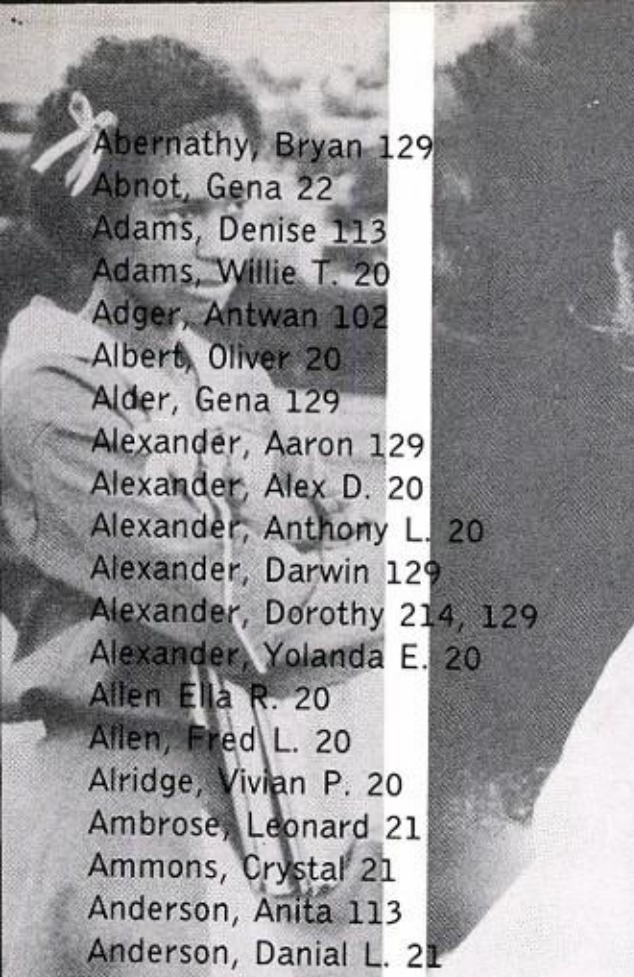

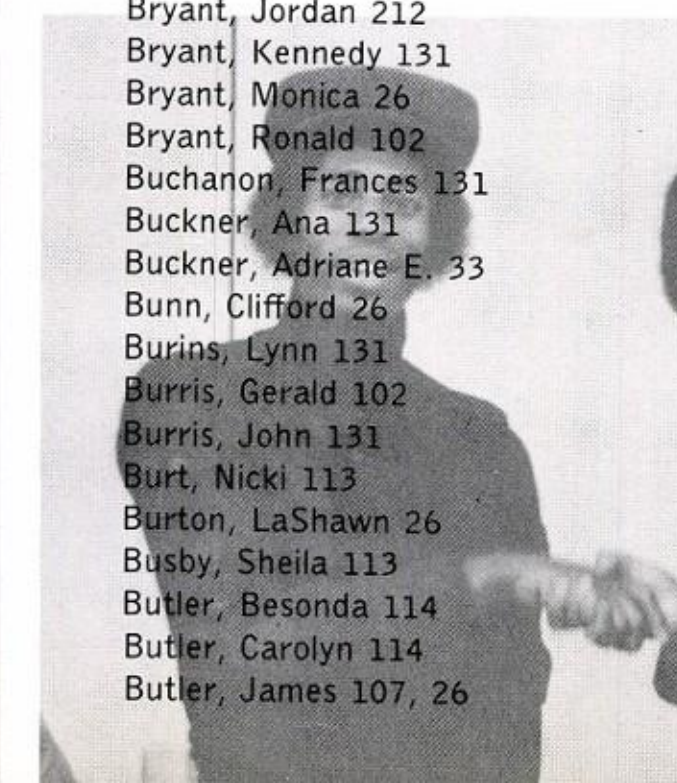

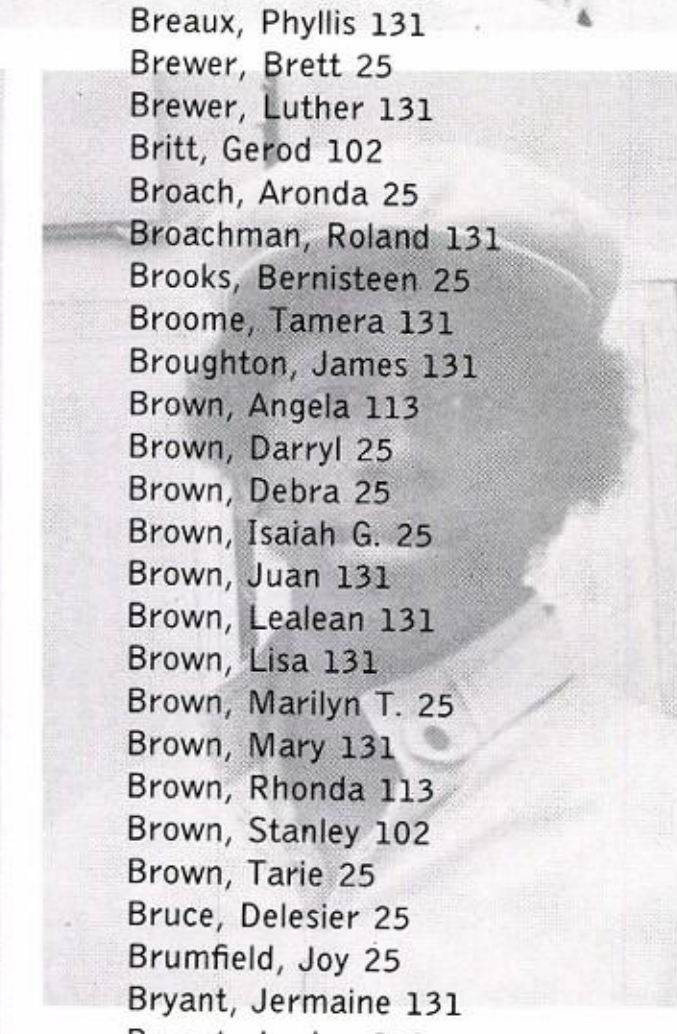

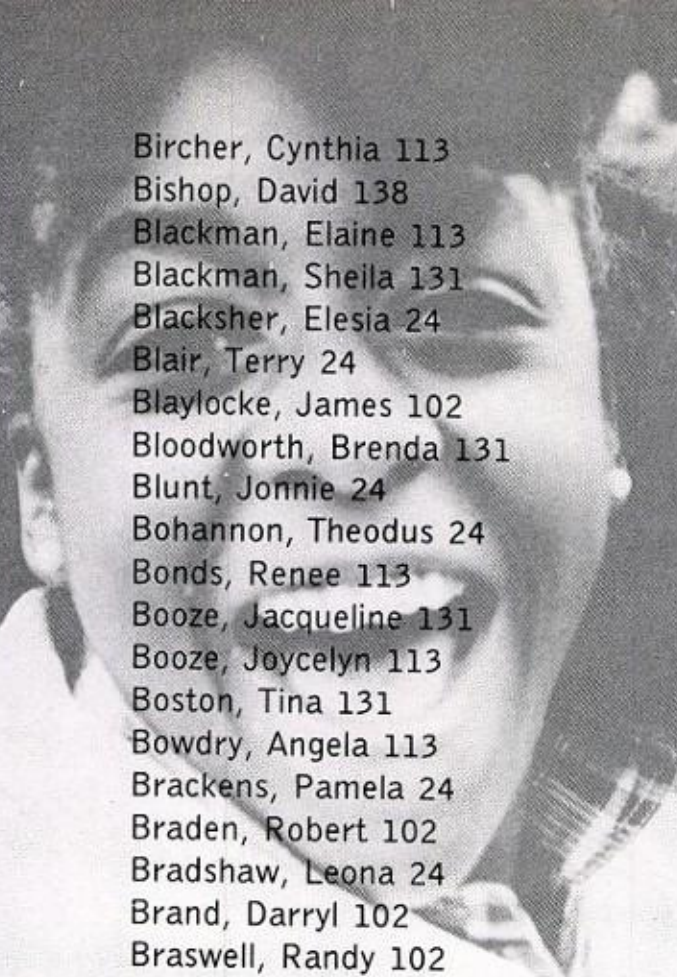

## A Double take

is what many people do when thinking back to the '60's and early-mid '70's. Where do we begin? The Vietnam War, the Kennedys, Martin Luther King, Malcom X, the change in women and men, liberation, third world people, Black power-the natural and dashikis, the psychedelic drug scene, the courrege look, the mini, rock groups and Jimi Hendrix, Black movies-Superfly, sit-ins, demonstrations and peace marches, rhythm and blues, soul-the Jackson 5, Issac Hayes, Aretha Franklin, turmoil, anger, riots. Now we see a gas shortage, jeri curls, nuclear wastes and leaks, occults, inflation, recession, strikes, BART, jogging, a roller skating revival, weed-cocaine-drugs on another level. What will become of the Castle in the next fifty years?
